CHAPTER 433.

AN ACT to create section 40.445 of the statutes, relating to the establishment of "County Free High Schools."

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. A new section is added to the statutes to be numbered and to read: 40.445 (1) The county board of any county having a population of not more than twelve thousand may establish a free high school in such county to be known as the "County Free High School," provided, that property within existing high school districts, however organized, or which may hereafter be organized, within the county, shall not be subject to any tax for the construction of the schoolhouse or the operation of any said county free high school; and further provided that any town, city or village within said county, except the town, city or village in which said county free high school may be located, may, by a vote of the electors of any annual spring election, withdraw from the county free high school district provided herein, and upon such withdrawal said town, city or village shall not be subject to any tax or charge on account of said county free high school; and provided further that any town, city or village that is not subject to a tax for said county free high school shall be subject to the payment of tuition for children attending said county free high school, as provided for in section 40.53, and the provisions of said section shall be applicable to said county free high school, and all of the county except as above provided shall be a part of said county free high school district and constitute a county free high school district, and the said high school shall be free to all pupils resident in said district. Upon receiving written notice of the action of the

county board, the state superintendent shall issue a certificate of establishment of a county free high school in such county.

(2) The county board shall select and purchase the site for such school and shall supervise the construction thereof.

(3) The county board shall elect a school board of three members, which shall elect its own officers and have charge of the administration of such school. The county board shall designate the terms of the members of the school board, fill vacancies therein and discharge any member thereof, and fix the compensation of such members.

(4) Upon the issuance of the certificate of establishment to a county free high school, except as otherwise provided in this section, such school shall possess all the rights, powers, privileges and authority, and shall be subject to all of the liabilities of a union free high school.

(5) Such county free high school shall be entitled to share in state aid as in the case of district free high schools.

(6) Any student eligible to attend such county free high school, but who lives nearer to some other high school, may attend such other high school, and in such case shall be entitled to have his tuition paid by the county free high school district.

SECTION 2. This act shall take effect upon passage and publication.
