Upon complaint that a barber shop *or barber school* is in an insanitary

condition or that a communicable disease has been imparted the board shall investigate and enforce this chapter.

(2) The board shall furnish a copy of this chapter to anyone upon request, and may charge only such fees as are in this chapter specifically provided, which shall be paid to the secretary. The board shall keep a register of all licensed apprentices, journeymen and master barbers, open to public inspection. The board shall keep a record of its proceedings, shall show whether an applicant was licensed or rejected, and such records shall be prima facie evidence of the facts recorded. The fiscal year shall close on June thirtieth, and the board shall file with the governor annually in July an itemized report of receipts and expenditures and of its proceedings.
