

the state from the appropriation made in subsection (5) of section 20.49. If more than one county is deemed especially benefited the counties' shares shall be apportioned to each in proportion to the special benefits respectively derived as determined by the state highway commission. Upon receipt of the certification by the state highway commission of the amount necessary to be provided by any county as its share of the cost of any construction or reconstruction pursuant to this section, the county clerk shall present the same to the county board at its next annual or special meeting and it shall then be the duty of the said county board to provide the amount to be paid by the county. The amount so to be provided by the county may be provided by appropriation, tax, or bonds, or in any manner by which funds may lawfully be made available for road or bridge construction, and the issue of bonds need not be referred to the electors. The county board may, if it sees fit, assess not to exceed forty per cent of its share of the cost of any construction or reconstruction, pursuant to this section, as a special benefit, against the municipality or municipalities deemed, by the said board to be especially benefited by the bridge project and determine the proportions, if more than one municipality is deemed especially benefited. Within five days of the adjournment of the meeting of the county board the county clerk shall certify the action of the county board in the matter to the state highway commission.
