

said school shall have been duly inspected by the state superintendent, or some member of his staff, and found to be fully complying with all the conditions of this section.

(7) In order that any graded school may receive special state aid as herein provided, application shall be made to the state superintendent by the school board before the first day of September preceding the school year for which said special state aid is requested.

(8) The state superintendent shall inspect and supervise the state graded schools, and give information and needed assistance to localities in organizing such schools.

(9) The state superintendent shall prepare a course of study suitable to be pursued in graded schools, publish the same, and furnish to school boards upon application. This course of study shall be followed by all state graded schools as one condition of securing special state aid. Said state superintendent shall furnish suitable blanks for annual and special reports for all such state graded schools, which report shall call for such information as he may deem necessary. The refusal or neglect of the school board or any of its officers to file these reports with the state superintendent when called for, shall be deemed sufficient ground for refusing special state aid, as provided for in this act.

(10) No more than one such graded school in any village shall receive state aid as herein provided, nor shall any graded school in any incorporated city participate in said state aid.

SECTION 2. This act shall take effect upon passage and publication.
