CHAPTER 458.

AN ACT to create section 198.22 of the statutes, relating to the creation and government of municipal water districts.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. A new section is added to the statutes to read: 198.22 The provisions of sections 198.01 to 198.21 shall also apply to the creation and government of a separate municipal water district, and such district shall have power and authority to own, purchase by agreement, construct and operate any utility for the production, transmission, delivery or furnishing of water only, either directly or indirectly to or for the public within and without the district, and to charge and collect rates, tolls and charges for the same in the same manner as provided in said sections 198.01 to 198.21 for municipal power districts. Upon the annexation of any town or part of a town, or of any city or village within any such municipal water district to a municipality outside of such water district, then the territory so annexed shall be detached from such municipal water district, subject to adjustment of assets and liabilities as provided for by section 66.03. When any such municipal water district shall be established in any county containing a city of the first class having a water works system, no town, city, or village in such district shall construct any part of its distribution system except according to the standard of sizes and grade of materials as used by such city of the first class.

SECTION 2. This act shall take effect upon passage and publication.

Approved July 3, 1931.
