

building loans, and the difference so determined shall be divided by the average daily attendance for the given year, but in no case shall the amount of the claim per week exceed the difference between the amount of state aid per week and \$3 per week, *except that for the duration of the present war between the United States and her enemies and for one full school year thereafter the amount of the claim per week shall not exceed the difference between the amount of state aid per week and \$3.50 per week.* Before July in each year the school clerk shall file with the clerk of each municipality from which any tuition pupil was admitted, except pupils defined by section 40.21 (2) and (2a), the claim for which indigent pupils shall be filed as provided for under those subsections, a sworn statement of claim against the municipality setting forth the residence, name, age, date of entrance and the number of weeks' attendance, during the preceding school year, of each person admitted from such municipality, the average daily attendance of the high school for the year, the statement of the cost of operation and maintenance of the high school as computed in accordance with the provisions of this section, the amount of tuition which the district is entitled to for each pupil, and the aggregate sum for tuition due the district from the municipality. This statement shall be rendered on a form prescribed by the state superintendent of public instruction. The school district clerk shall file certified copies of all tuition bills with the state superintendent of public instruction before July of each year.

Approved February 11, 1944.
