Notwithstanding any other provisions of law, all city treasurers, and town and village treasurers, except where the information has already been placed in the receipt by the county, shall enter in each receipt given by him for the payment of taxes the name of the person, firm, company or corporation paying the same, the date thereof, the description of the property, the valuation and the aggregate amount of taxes paid, *the total of the rates from which the total amount of the tax was computed* and in separate and distinct columns labeled as herein provided the several amounts paid respectively for state taxes, county taxes, town, city or village taxes, and all other taxes, if any, appearing on the tax roll opposite the valuations to be charged therewith. In the alternative the governing body of any city, village, or town may by ordinance direct that while such ordinance is in effect the aggregate amount of state, county, local, school and other taxes shall be carried in a single column on the tax receipt, in which case there shall be printed or stamped on the tax receipt the separate proportion or rate of taxes levied for state, county, local, school and other purposes.
