CHAPTER 174, LAWS OF 1967

AN ACT to amend 204.30 (5) of the statutes, relating to uninsured motorist coverage limits.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

204.30 (5) of the statutes is amended to read:

204.30 (5) (a) No automobile liability or motor vehicle liability policy of insurance insuring against loss resulting from liability imposed by law for bodily injury or death suffered by any person arising out of the ownership, maintenance or use of a motor vehicle shall be delivered or issued for delivery in this state with respect to any motor vehicle registered or principally garaged in this state unless coverage is provided therein or supplemental thereto in limits for bodily injury or death in the amount of *at least* \$10,000 per person and \$20,000 per accident under provisions approved by the commissioner of insurance, for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness or disease, including death resulting therefrom. The named insured has the right to reject such coverage. Unless the named insured requests such coverage in writing, such coverage need not be provided in or supplemental to a renewal policy where the named insured has rejected the coverage in connection with a policy previously issued to him by the same insurer. *The uninsured motorist bodily injury coverage limits provided in an automobile liability or motor vehicle liability policy of insurance may be made available to the insured up to the bodily injury coverage limits provided in the remaining portions of the policy.*

Approved November 4, 1967.
