1993 WISCONSIN ACT 101

AN ACT to create 38.145 of the statutes, relating to: the responsibilities of students at vocational, technical and adult education schools.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 38.145 of the statutes is created to read:
38.145 Responsibilities of students. The students of each district, subject to the responsibilities and powers of the board, the state director, the district board, the district director and the faculty, shall be active participants in the immediate governance of and policy development for the district and may participate in all matters affecting student interests to the extent not in conflict with the terms of any collective bargaining agreement. As such, students have primary responsibility for the formulation and review of policies concerning student life and ser-

vices. Students in consultation with the district director and subject to the final confirmation of the district board have the responsibility for the disposition of student activity and incidental fees under s. 38.14 (9). The students of each district may organize themselves in a manner that they determine and select their representatives to participate in district governance. This section does not prohibit the board, the state director, the district board, the district director or the faculty from selecting students to participate in district governance but any students selected by those bodies or persons shall not be considered to be representatives of the students for the purposes of the students' right to select their representatives to participate in district governance.
