***Analysis by the Legislative Reference Bureau***

Under current law, an elector who, as a result of a disability, is unable to enter a polling place (“assisted elector”) may request to receive a ballot at the entrance of the polling place and may also request to receive assistance with marking that ballot from an assisting individual. The assisted elector must give his or her name and address to an election official and provide proof of residence if he or she would otherwise be required to provide proof of residence to receive a ballot. Unless the assisted elector is registering in person on the day of the election, an election official who receives a request from an assisted elector must verify that the assisted elector’s name and address conform to the elector’s name and address on the poll list. The election official must also, generally, require the elector to enter his or her signature on the poll list or on a separate list maintained for new, late, or same-day registrants. If the election official issues a ballot for the assisted elector, the election official must accompany the assisting individual to the entrance to the polling place. After the assisted elector or assisting individual has marked and folded the assisted elector’s

ballot, the assisting individual must immediately take the ballot into the polling place and give the ballot to an election official. The election official must announce in the polling place that he or she has a ballot offered by a person requiring assistance, and must ask whether anyone in the polling place objects to the issuance of a ballot for the elector. The ballots of challenged electors are marked and may be reviewed during the canvassing process. A ballot may be disqualified only if the municipal clerk, the board of election commissioners, or a challenging elector demonstrates beyond a reasonable doubt that the person does not qualify as an elector or is not properly registered.

Under current law, a Wisconsin voter may vote by absentee ballot, by mail, or in person for any election. This substitute amendment extends the accommodations available to electors who, as a result of a disability, are unable to enter a polling place on election day to electors who, as a result of a disability, are unable to enter a municipal clerk's office or alternate site used for the purpose of absentee voting in person. The responsibilities assigned to election officials under current law are assigned to the clerk or deputy clerk, or to a person designated by and under the employment or control of the clerk or deputy clerk, in this substitute amendment.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

1           **SECTION 1.** 6.86 (1) (ar) of the statutes is amended to read:

2           6.86 (1) (ar) Except as authorized in s. 6.875 (6), the municipal clerk shall not  
3 issue an absentee ballot unless the clerk receives a written application therefor from  
4 ~~a qualified~~ an elector of the municipality who qualifies under par. (a). The clerk shall  
5 retain each absentee ballot application until destruction is authorized under s. 7.23  
6 (1). Except as authorized in s. 6.79 (6) and (7), if ~~a qualified~~ an elector qualifying  
7 under par. (a) applies for an absentee ballot in person at the clerk's office, the clerk  
8 shall not issue the elector an absentee ballot unless the elector presents proof of  
9 identification. The clerk shall verify that the name on the proof of identification  
10 presented by the elector conforms to the name on the elector's application and shall  
11 verify that any photograph appearing on that document reasonably resembles the  
12 elector. The clerk shall then enter his or her initials on the certificate envelope  
13 indicating that the absentee elector presented proof of identification to the clerk.

1           **SECTION 2.** 6.86 (1) (au) of the statutes is created to read:

2           6.86 (1) (au) 1. An absentee elector who, as a result of a disability, is unable to  
3 enter the office of the municipal clerk, or an alternate site under s. 6.855 if applicable,  
4 may submit a written application for and elect to receive an absentee ballot at the  
5 entrance to the clerk's office or alternate site. When the municipal clerk or a deputy  
6 clerk authorized by the municipal clerk is informed that an absentee elector is at the  
7 entrance to the clerk's office or alternate site, the clerk or deputy clerk shall distinctly  
8 announce that "... (state the person's name), an elector who is applying in person to  
9 obtain an absentee ballot at this (office) (alternate absentee ballot site) and who, as  
10 a result of a disability, is unable to enter this (office) (absentee ballot site) without  
11 assistance, has asked to receive a ballot at the entrance to this (office) (absentee  
12 ballot site)." The clerk or deputy clerk shall then ask, "Does anyone object to the  
13 issuance of this ballot?" If an objection is made, the clerk or deputy clerk shall issue  
14 the ballot and shall receive the ballot under s. 6.95.

15           2. The municipal clerk or deputy clerk shall allow the absentee elector to be  
16 assisted in marking an absentee ballot by any individual selected by the elector,  
17 except the elector's employer or an agent of that employer or an officer or agent of a  
18 labor organization that represents the elector. The individual selected by the elector  
19 shall, except as authorized in s. 6.79 (6) and (7), present to the municipal clerk or  
20 deputy clerk proof of identification for the assisted absentee elector as specified  
21 under par. (ar), which proof of identification shall be verified by the clerk or deputy  
22 clerk in the manner provided under par. (ar). The clerk or deputy clerk shall then  
23 enter his or her initials on the certificate envelope indicating that the absentee  
24 elector presented proof of identification to the clerk. If the proof of identification does  
25 not constitute proof of residence under s. 6.34, the individual selected by the elector

1 shall also provide proof of residence under s. 6.34 for the assisted absentee elector,  
2 whenever required. The clerk shall then issue a ballot to the individual selected by  
3 the absentee elector and shall accompany the individual to the entrance to the clerk's  
4 office or alternate site where assistance to the elector is to be given. If the absentee  
5 elector requires assistance in marking the ballot, either the clerk or deputy clerk or  
6 the assisting individual may assist the absent elector, but the clerk or deputy clerk  
7 shall witness the ballot as provided in s. 6.87. The absentee elector or the individual  
8 selected by the elector shall secure the absentee ballot in its certificate envelope.

9 3. The clerk or deputy clerk or a person designated by and under the  
10 employment or control of the clerk or deputy clerk shall then immediately take the  
11 ballot into the clerk's office or alternate site and shall distinctly announce that he or  
12 she has "a ballot offered by .... (state the person's name), an elector who has voted  
13 in-person absentee and who, as a result of a disability, is unable to enter this (office)  
14 (alternate absentee ballot site) without assistance." The clerk or deputy clerk shall  
15 then ask, "Does anyone object to the reception of this absentee ballot?" If an objection  
16 is made, the clerk or deputy clerk shall receive the ballot under s. 6.95. If no objection  
17 is made, the clerk or deputy clerk shall proceed under s. 6.88. If the absentee elector  
18 received assistance under this paragraph, the clerk or deputy clerk shall note that  
19 fact on the list under s. 6.89 and shall enter the name and address of the person  
20 providing assistance to the absent elector.

21 **SECTION 3.** 6.87 (1) of the statutes is amended to read:

22 6.87 (1) Upon proper request made within the period prescribed in s. 6.86, the  
23 municipal clerk or a deputy clerk authorized by the municipal clerk shall write on  
24 the official ballot, in the space for official endorsement, the clerk's initials and official  
25 title. Unless application is made in person under s. 6.86 (1) (ar) or (au), the absent

1 elector is exempted from providing proof of identification under sub. (4) (b) 2. or 3.,  
2 or the applicant is a military or overseas elector, the absent elector shall enclose a  
3 copy of his or her proof of identification or any authorized substitute document with  
4 his or her application. The municipal clerk shall verify that the name on the proof  
5 of identification conforms to the name on the application. The clerk shall not issue  
6 an absentee ballot to an elector who is required to enclose a copy of proof of  
7 identification or an authorized substitute document with his or her application  
8 unless the copy is enclosed and the proof is verified by the clerk.

9 **SECTION 4.** 6.87 (2) of the statutes is amended to read:

10 6.87 (2) Except as authorized under sub. (3) (d), the municipal clerk shall place  
11 the ballot in an unsealed envelope furnished by the clerk. The envelope shall have  
12 the name, official title and post-office address of the clerk upon its face. The other  
13 side of the envelope shall have a printed certificate which shall include a space for  
14 the municipal clerk or deputy clerk to enter his or her initials indicating that if the  
15 absentee elector voted in person under s. 6.86 (1) (ar) or (au), the elector presented  
16 proof of identification to the clerk and the clerk verified the proof presented. The  
17 certificate shall also include a space for the municipal clerk or deputy clerk to enter  
18 his or her initials indicating that the elector is exempt from providing proof of  
19 identification because the individual is a military or overseas elector or is exempted  
20 from providing proof of identification under sub. (4) (b) 2. or 3. The certificate shall  
21 be in substantially the following form:

9 exhibited the enclosed ballot unmarked to the witness, that I then in (his) (her)

17 I, the undersigned witness, subject to the penalties of s. 12.60 (1) (b), Wis.

19 statements are true and the voting procedure was executed as there stated. I am not  
20 a candidate for any office on the enclosed ballot (except in the case of an incumbent  
21 municipal clerk). I did not solicit or advise the elector to vote for or against any  
22 candidate or measure.

23 ....(Name)

24 ....(Address)\*\*

1           \* — An elector who provides an identification serial number issued under s.

3           \*\* — If this form is executed before 2 special voting deputies under s. 6.875 (6),  
4 Wis. Stats., both deputies shall witness and sign.

5           **SECTION 5.** 6.87 (4) (b) 1. of the statutes is amended to read:

6           6.87 (4) (b) 1. Except as otherwise provided in s. 6.875, the elector voting  
7 absentee shall make and subscribe to the certification before one witness who is an  
8 adult U.S. citizen. The absent elector, in the presence of the witness, shall mark the  
9 ballot in a manner that will not disclose how the elector's vote is cast. The elector  
10 shall then, still in the presence of the witness, fold the ballots so each is separate and  
11 so that the elector conceals the markings thereon and deposit them in the proper  
12 envelope. If a consolidated ballot under s. 5.655 is used, the elector shall fold the  
13 ballot so that the elector conceals the markings thereon and deposit the ballot in the  
14 proper envelope. If proof of residence under s. 6.34 is required and the document  
15 enclosed by the elector under this subdivision does not constitute proof of residence  
16 under s. 6.34, the elector shall also enclose proof of residence under s. 6.34 in the  
17 envelope. Proof of residence is required if the elector is not a military elector or an  
18 overseas elector and the elector registered by mail and has not voted in an election  
19 in this state. If the elector requested a ballot by means of facsimile transmission or  
20 electronic mail under s. 6.86 (1) (ac), the elector shall enclose in the envelope a copy  
21 of the request which bears an original signature of the elector. The elector may  
22 receive assistance under sub. (5) or s. 6.86 (1) (au). The return envelope shall then  
23 be sealed. The witness may not be a candidate. The envelope shall be mailed by the  
24 elector, or delivered in person, to the municipal clerk issuing the ballot or ballots.  
25 If the envelope is mailed from a location outside the United States, the elector shall

1 affix sufficient postage unless the ballot qualifies for delivery free of postage under  
2 federal law. Failure to return an unused ballot in a primary does not invalidate the  
3 ballot on which the elector's votes are cast. Return of more than one marked ballot  
4 in a primary or return of a ballot prepared under s. 5.655 or a ballot used with an  
5 electronic voting system in a primary which is marked for candidates of more than  
6 one party invalidates all votes cast by the elector for candidates in the primary.

7 **SECTION 6.** 6.875 (6) (e) of the statutes is amended to read:

8 6.875 (6) (e) If a qualified an elector who is registered to vote whenever required  
9 and who qualifies under ss. 6.20 and 6.85 as an absent elector is not able to cast his  
10 or her ballot on 2 separate visits by the deputies to the home, facility, or complex, the  
11 deputies shall so inform the municipal clerk or executive director of the board of  
12 election commissioners, who may then send the ballot to the elector no later than 5  
13 p.m. on the Friday preceding the election.

14 **SECTION 7.** 6.97 (3) of the statutes is amended to read:

15 6.97 (3) (a) Whenever an elector who votes by provisional ballot under sub. (1)  
16 or (2) because the elector does not provide proof of identification under s. 6.79 (2) or  
17 6.86 (1) (ar) or (au) later appears at the polling place where the ballot is cast before  
18 the closing hour and provides the proof of identification, the inspectors shall remove  
19 the elector's ballot from the separate carrier envelope, shall note on the poll list that  
20 the elector's provisional ballot is withdrawn, and shall deposit the elector's ballot in  
21 the ballot box. If the inspectors have notified the municipal clerk or executive  
22 director of the board of election commissioners that the elector's ballot was cast  
23 under this section, the inspectors shall notify the clerk or executive director that the  
24 elector's provisional ballot is withdrawn.

1 (b) Whenever the municipal clerk or executive director of the municipal board  
2 of election commissioners is informed by the inspectors that a ballot has been cast  
3 under this section, the clerk or executive director shall promptly provide written  
4 notice to the board of canvassers of each municipality, special purpose district, and  
5 county that is responsible for canvassing the election of the number of ballots cast  
6 under this section in each ward or election district. The municipal clerk or executive  
7 director then shall determine whether each individual voting under this section is  
8 qualified to vote in the ward or election district where the individual's ballot is cast.  
9 If the elector is required to provide proof of identification under s. 6.79 (2) or 6.86 (1)  
10 (ar) or (au) and fails to do so, the elector bears the burden of correcting the omission  
11 by providing the proof of identification at the polling place before the closing hour or  
12 at the office of the municipal clerk or board of election commissioners no later than  
13 4 p.m. on the Friday after the election. The municipal clerk or executive director  
14 shall make a record of the procedure used to determine the validity of each ballot cast  
15 under this section. If, prior to 4 p.m. on the Friday after the election, the municipal  
16 clerk or executive director determines that the individual is qualified to vote in the  
17 ward or election district where the individual's ballot is cast, the municipal clerk or  
18 executive director shall notify the board of canvassers for each municipality, special  
19 purpose district and county that is responsible for canvassing the election of that  
20 fact.

21 (c) A ballot cast under this section by an elector for whom proof of identification  
22 is required under s. 6.79 (2) or 6.86 (1) (ar) or (au) shall not be counted unless the  
23 municipal clerk or executive director of the board of election commissioners provides  
24 timely notification that the elector has provided proof of identification under this  
25 section.
