**ASSEMBLY SUBSTITUTE AMENDMENT 1,
TO ASSEMBLY BILL 360**

November 7, 2019 - Offered by Representative GUNDRUM.

- 1 **AN ACT** *to create* 33.30 (5) of the statutes; **relating to:** elections to a lake
2 protection and rehabilitation district board of commissioners.

Analysis by the Legislative Reference Bureau

Under current law, a lake protection and rehabilitation district (district) may be created to carry out a program of lake protection and rehabilitation. Under current law, a district is governed by a board of governors, elected by secret ballot at an annual meeting for staggered three-year terms. This bill establishes certain procedures for such an election, including requiring ballots to be counted and results read immediately at the annual meeting, allowing any candidate or a designee to be present to observe the counting of ballots, and authorizing any elector or candidate to request a recount.

If a recount is requested, the bill requires the board secretary to note the request in meeting minutes and requires the recount to be conducted using the same procedure as the original count. Under the bill, the recount is final if the total number of votes cast is fewer than 100 when two successive recounts yield identical results or, if the total number of votes cast is 100 or more, after one recount. If the latter applies, the runner-up candidate may request another recount, in which case the bill requires that the secretary note the request in the meeting minutes and the ballots be enclosed in a container sealed with a tamper-evident seal and delivered to the clerk of the most populous town, village, or city in the district. The bill requires that clerk to conduct a recount within two weeks of receiving the ballots, after

notifying candidates of the time and location, and allows any candidate or a designee to be present to observe such a recount. The bill allows the clerk to charge the actual cost of conducting the recount to the district.

Under the bill, no recount may be requested after the meeting at which the election is held has been adjourned.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

7 to those attending the meeting, including the total number of ballots cast and the
8 number of votes each candidate received. Any candidate for the district board or his

10 (c) After the procedure under par. (b) is complete, any elector or candidate may
11 request a recount. If a recount is requested, the secretary shall note the request in
