

# State of Wisconsin

2017 Senate Joint Resolution 23

---

## ENROLLED JOINT RESOLUTION

---

**Relating to:** declaring April to be Health and Wellness Month.

Whereas, April is Health and Wellness Month within the Milwaukee Public Schools, where health education and physical activity are an important part of the curriculum; and

Whereas, the schools also encourage collaboration with farms and local food producers so children learn where their food comes from, have access to fresh food, and support local growers; and

Whereas, access to healthy food resources can be affected by socioeconomic status; and

Whereas, heart disease, cancer, stroke, and diabetes are leading causes of death for African Americans in the United States, according to the Centers for Disease Control and Prevention; and

Whereas, the CDC has reported on health disparities for African Americans in premature death from stroke and coronary heart disease, infant mortality, diabetes prevalence, and obesity prevalence; and

Whereas, health disparities by socioeconomic status exist and persist in the City of Milwaukee; and

Whereas, innovative and collaborative efforts with communities can be used to promote health and wellness across the state; now, therefore, be it

***Resolved by the senate, the assembly concurring, That*** April is declared Health and Wellness Month in Wisconsin.
