## Wisconsin Legislative Council ACT MEMO

Prepared by: Steve McCarthy, Senior Staff Attorney

February 8, 2022

2021 Wisconsin Act 125 [2021 Senate Bill 453] Eliminating Prior Authorization for Enteral Nutrition Products Administered by Tube

## 2021 WISCONSIN ACT 125

The act removes a requirement from administrative code promulgated by the Department of Health Services that a health care provider must receive prior authorization under the Medical Assistance program for any enteral nutrition products administered through a tube.

Effective date: February 6, 2022
