Notice of Non-Candidacy

2021 WISCONSIN ACT 33

Wisconsin Act 33 requires local clerks to provide public notice that an incumbent local elected official is not seeking reelection on the clerk's or municipality's website, or if the municipality does not have a website, to post notices in three different locations within the jurisdiction. Prior law did not require public notice when an incumbent local elected official declined to seek reelection by filing a notification of non-candidacy or failing to file a declaration of candidacy.

Effective date: The act first applies to the election on April 5, 2022.
