2023 Wisconsin Act 83 [2023 Senate Bill 434]

Prior Authorization Requirements Under Medicaid for Repair of Complex Rehabilitation Technology

2023 Wisconsin Act 83 specifies that, under the Medical Assistance program, the Department of Health Services is prohibited from requiring a prescription or prior authorization to repair complex rehabilitation technology if the complex rehabilitation technology itself was prescribed and reimbursed under the program. The prohibition does not apply to repair of complex rehabilitation technology for an individual enrolled in a managed care organization.

Effective date: December 8, 2023
