

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2013 Senate Bill 334	Senate Amendment 1
<i>Memo published: October 22, 2013</i> <i>Contact: Michael Queensland, Staff Attorney (266-3810)</i>	

Under **current law**, the Higher Educational Aids Board (HEAB) administers the Academic Excellence Higher Education Scholarship Program under which HEAB awards scholarships to certain scholars, designated on the basis of grade point average, who enroll, on a full-time basis, in a public or private institution of higher education in Wisconsin. Under the program, HEAB pays the institution of higher education attended by a scholar up to \$1,125 per academic year and the institution must match the amount paid to the institution by HEAB.

2013 Senate Bill 334 creates a Technical Excellence Higher Education Scholarship Program under which HEAB awards scholarships to certain scholars, designated on the basis of level of proficiency in technical education subjects, who enroll, on a full-time basis, in a technical college district school. Under the Technical Excellence Higher Education Scholarship Program, the number and amounts of scholarships awarded, the duration for which a scholarship may be awarded, the conditions for continued receipt of a scholarship, and the institutional match requirement are the same as under the Academic Excellence Higher Education Scholarship Program.

Senate Amendment 1 provides that a person may not receive both an Academic Excellence Higher Education Scholarship and a Technical Excellence Higher Education Scholarship.
