**2021 Assembly Bill 400**

**Assembly  
Amendment 1**

### 2021 ASSEMBLY BILL 400

Under current law, if an adult-at-risk agency<sup>1</sup> has reason to believe that an adult at risk<sup>2</sup> has been the subject of abuse, financial exploitation, neglect, or self-neglect, the adult-at-risk agency **may** respond, including by conducting an investigation to determine whether the adult at risk is in need of protective services. Among other changes, 2021 Assembly Bill 400 **requires** the adult-at-risk agency to respond by either conducting an investigation or referring the report to another agency for investigation if it has reason to believe an adult at risk has been the subject of abuse, financial exploitation, neglect, or self-neglect or if it receives a **report of alleged abuse**.

### ASSEMBLY AMENDMENT 1

Assembly Amendment 1 retains the provisions of the bill and adds the requirement that the adult-at-risk agency must respond if it receives a report of alleged financial exploitation, neglect, or self-neglect of an adult at risk. Thus, under the amendment, if the adult-at-risk agency receives a **report of alleged abuse, financial exploitation, neglect, or self-neglect** of an adult at risk, the adult-at-risk agency must respond either by conducting an investigation or referring the report to another agency for investigation.

### BILL HISTORY

Assembly Amendment 1 was introduced by Representative Rozar on September 15, 2021. On September 22, 2021, the Assembly Committee on Criminal Justice and Public Safety recommend adoption of the amendment and passage of the bill, as amended, on votes of Ayes, 14; Noes, 0.
