

1995 ASSEMBLY BILL 1099

May 7, 1996 - Introduced by COMMITTEE ON ASSEMBLY ORGANIZATION. Referred to Calendar.

1 **AN ACT to amend** 29.09 (9m) (b); and **to create** 29.092 (2) (ky) and 29.1075 (2m)
2 of the statutes; **relating to:** issuing bonus deer hunting permits to certain
3 landowners and granting rule-making authority.

Analysis by the Legislative Reference Bureau

Under current law, the department of natural resources (DNR) may issue bonus deer hunting permits to residents and nonresidents who hold licenses that authorize the hunting of deer. This allows the holder to kill an additional deer of the sex or type authorized by DNR. Under current law, applicants for these permits must pay a fee for the permit, plus an application processing fee. Under this bill, if DNR determines that the number of bonus deer hunting permits available for a deer management area in a season will exceed the number of applications submitted for the permits, DNR by rule may authorize the issuance of additional bonus deer hunting permits for free to residents of this state who own at least 50 acres of land that are located in whole or in part in the deer management area and who have been already been issued and have paid the fees for one such permit for that season.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 additional processing fee if the person has already applied for a hunter's choice deer

4 more than one bonus deer hunting permit to a person in a single season under s.
5 29.1075 (2) or (2m), the person is exempt from paying an additional processing fee
6 for an application for the 2nd or subsequent bonus deer hunting permit.

16 resident without the resident having to pay any fee, including any processing fee, if
17 the resident meets all of the following requirements:
