

1995 ASSEMBLY BILL 132

February 14, 1995 - Introduced by Representatives BAUMGART, WILDER, LORGE, R. POTTER and BOYLE. Referred to Committee on Natural Resources.

1 **AN ACT to amend** 27.01 (10) (d) (intro.); and **to create** 27.01 (10) (i) of the
2 statutes; **relating to:** camping fees for nonprofit youth organizations.

Analysis by the Legislative Reference Bureau

Under current law, camping fees for state parks and state forests are established by statute. These fees range, for resident camping parties, from \$6 to \$8 a night. Additionally the department of natural resources may charge fees that are greater than those established by statute. Currently, group camping fees are established by administrative rule and range from \$30 per night for a group of up to 20 persons to a maximum of \$300 per night. This bill establishes a limit of 50 cents per person per night for a group campsite if the group contains 4 or more residents who are less than 18 years old and who are members of the same nonprofit youth organization and if the group is camping as an activity conducted by that organization.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 27.01 (10) (d) (intro.) of the statutes is amended to read:
4 27.01 (10) (d) *Camping fees.* (intro.) Except as provided under pars. (f) and,
5 (h) and (i):
6 **SECTION 2.** 27.01 (10) (i) of the statutes is created to read:
