- 1 **AN ACT to create** 118.135 of the statutes; **relating to:** surveys, analyses and
2 evaluations of pupils and providing a penalty.

Analysis by the Legislative Reference Bureau

This bill requires school boards to make available to their pupils' parents or guardians all instructional material that will be used in connection with any survey, analysis or evaluation of pupils. The bill also prohibits any official, employe or agent of a school board from conducting any survey, analysis or evaluation of pupils that may reveal information with respect to a pupil or the pupil's family about political affiliations, mental or psychological problems, sexual behavior or attitudes, illegal or antisocial behavior, critical appraisals of family members, privileged relationships, income or religious beliefs or practices, without the pupil's written consent if he or she is an adult or emancipated minor, or without the written consent of the pupil's parent or guardian if the pupil is an unemancipated minor.

The bill directs each school board to annually notify the pupils enrolled in the school district and their parents or guardians of the above provisions. The bill provides a civil forfeiture for those school board officers, employes or agents who require pupils to participate in a survey, analysis or evaluation that may reveal the information specified above without the required consent, and also provides an enforcement mechanism.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
