

1995 ASSEMBLY JOINT RESOLUTION 91

March 19, 1996 - Introduced by Representative Morris-Tatum. Referred to Committee on Rules.

1	Relating to: establishing a sister-state relationship with the Cap Vert Region of
2	Senegal.
3	Whereas, African American residents of Wisconsin are developing trade,
4	commerce and cultural ties with the Senegalese people; and
5	Whereas, Goree Island which is located in the Cap Vert Region of Senegal, was
6	the debarkation point for African slaves bound for American shores, which makes it
7	extremely likely that there are African Americans currently residing in Wisconsin
8	who are descendants of people from that region; and
9	Whereas, a sister-state relationship would benefit both Wisconsin and the Cap
10	Vert Region of Senegal by facilitating an exchange of information and ideas, by
11	promoting travel between the 2 regions and by increasing the number of exchange
12	programs between them; now, therefore, be it
13	Resolved by the assembly, the senate concurring, That the members of the
14	Wisconsin legislature encourage this state's executive branch to establish a
15	sister-state relationship between Wisconsin and the Cap Vert Region of Senegal.
