Analysis by the Legislative Reference Bureau

This bill requires the department of health and social services (DHSS) to request a waiver, if necessary, or seek federal legislation, if necessary, to allow the state to receive federal funding to operate a new public assistance program, called Wisconsin works, instead of aid to families with dependent children (AFDC). If the necessary waivers are granted, or the legislation is enacted, individuals who meet certain criteria will be eligible to participate in Wisconsin works. Unlike AFDC, however, Wisconsin works is not an entitlement program. A more detailed description of Wisconsin works follows.

TRANSFER OF ECONOMIC SUPPORT FROM HEALTH AND SOCIAL SERVICES TO INDUSTRY, LABOR AND JOB DEVELOPMENT

Under the 1995-97 biennial budget bill (1995 Wisconsin Act 27), the administration of economic support programs, such as AFDC, is transferred from DHSS (renamed the department of health and family services (DHFS)) to the department of industry, labor and job development (DILJD) (currently known as the department of industry, labor and human relations). Because Wisconsin works is an economic support program that begins no sooner than July 1, 1996, it will be administered by DILJD. If the bill is enacted before July 1, 1996, DHSS is required to seek any necessary waivers from the secretaries of the federal department of health and human services, the federal department of agriculture and the federal social security administration, or to seek enactment of federal legislation, if necessary to receive federal funding to operate Wisconsin works in lieu of the AFDC program. If the bill is enacted after July 1, 1996, DILJD is required to seek any necessary waivers or federal legislation.

APPLICABILITY

If the necessary waivers are granted or the necessary federal legislation is enacted and if DILJD determines that sufficient funding is available to operate Wisconsin works, DILJD may begin implementing Wisconsin works in lieu of the current AFDC program in certain counties or for certain groups no sooner than July 1, 1996, and is required to implement Wisconsin works statewide no later than September 1, 1997. AFDC, as well as existing pilot programs under the AFDC program, would sunset with the statewide implementation of Wisconsin works on January 1, 1999, whichever is sooner.

WISCONSIN WORKS AGENCY

This bill permits DILJD to enter into contracts with any person for the local administration of the Wisconsin works program (Wisconsin works agency). The Wisconsin works agency administers Wisconsin works in a geographical area determined by DILJD. The Wisconsin works agency determines the eligibility of the applicants for all of the components of the Wisconsin works program and provides job search and employment and financial planning services to participants.

EMPLOYMENT, TRAINING AND JOB ACCESS LOAN COMPONENTS

Eligibility

An individual is eligible to participate in the Wisconsin works employment, training and job access loan components, described below, if the individual has lived in this state for at least 60 consecutive days before applying for Wisconsin works; is the custodial parent of a dependent child; is at least 18 years old, with certain exceptions; is a member of a Wisconsin works group whose total income does not exceed 115% of the federal poverty line; is a member of a Wisconsin works group whose assets do not exceed \$2,500; and meets certain other nonfinancial eligibility requirements. With certain exceptions, an individual may not participate in the Wisconsin works employment component for more than 60 months which need not be consecutive. Participation in the job opportunities and basic skills program

(JOBS) after the date on which this bill becomes law counts toward the 60-month limit. JOBS is the current employment and training program for AFDC recipients.

A Wisconsin works agency may require an individual who applies for a trial job, community service job or transitional placement (employment position), described below, to participate in job orientation and job search activities while his or her application is being processed. When determining the appropriate placement for a participant, the Wisconsin works agency must give priority to placement of the participant in an unsubsidized job over placement in an employment position. A Wisconsin works agency may require a participant in an employment position to engage in training and job search activities as part of the participant's participation requirement.

Trial jobs

If the Wisconsin works agency determines that it cannot place an individual in an unsubsidized job, the agency may place the individual in a partially subsidized work placement, called a trial job. The individual may participate in any one trial job for a maximum of 6 months, with the opportunity for a 3-month extension under certain circumstances. An individual may participate in the trial job component for a maximum of 2 years, which may be extended if the Wisconsin works agency determines that local labor market conditions preclude a reasonable job opportunity in an unsubsidized job.

Under this component, the individual is considered an employe of the employer for purposes of worker's compensation coverage and receives minimum wage for each hour actually worked, not to exceed 40 hours per week.

Community service jobs

If the Wisconsin works agency determines that an individual is unable to obtain unsubsidized employment, and that a trial job is unavailable or inappropriate, the Wisconsin works agency may place the individual in a community service job. The community service job is one that DILJD determines would serve a useful public purpose or the cost of which is at least partially offset by the revenue generated by it. An individual may participate in any one community service job for a maximum of 6 months, with the opportunity for a 3-month extension under certain circumstances. An individual may participate in the community service job component for a maximum of 2 years, which may be extended if the Wisconsin works agency determines that local labor market conditions preclude a reasonable job opportunity in an unsubsidized job.

Under this component, the individual receives a grant equal to 75% of the minimum wage computed for one month of full-time employment. The grant is paid biweekly on a prorated basis. The Wisconsin works agency determines the number of hours the individual will be required to work, not to exceed 40 hours per week, based on criteria established by DILJD. For every hour that the individual fails to participate, his or her grant is reduced by an amount equal to 75% of the minimum wage computed for one hour.

Transitional placement

If the Wisconsin works agency determines that an individual has been incapacitated for a period of at least 60 days, is needed in the home because of the

illness or incapacity of any other member of the Wisconsin works group or is incapable of performing a trial job or community service job, the Wisconsin works agency may place that individual in a transitional placement. The Wisconsin works agency is required to assign an individual participating in a transitional placement to a work activity. The Wisconsin works agency may require an individual participating in this component to participate in training or education programs; volunteer activities; counseling or physical rehabilitation activities; or alcohol and other drug abuse evaluation, assessment and treatment. An individual may participate in the transitional placement component for a maximum of 2 years, which may be extended under certain circumstances.

Under this component, the individual receives a monthly grant equal to 70% of the minimum wage computed for one month of full-time employment. The Wisconsin works agency determines the number of hours the individual will be required to work, not to exceed 40 hours per week, based on criteria established by DILJD. For every hour that the individual fails to participate, his or her grant is reduced by an amount equal to 70% of the minimum wage computed for one hour.

Job access loans

The bill permits individuals who meet the financial and nonfinancial eligibility criteria to receive a job access loan if the loan is needed to address an immediate and discrete financial crisis and the loan is needed to obtain or continue employment. The financial crisis may not be the result of the individual's failure to accept a bona fide offer of employment or the individual's termination of a job without good cause. To receive the loan, the individual may not be in default with respect to any previous job access loan or repayment of any wage or grant overpayment. Under the bill, under certain conditions, a custodial parent who is under the age of 18 may obtain a job access loan if he or she will be 18 within 2 months of applying for the loan.

Sanctions

An individual who refuses to participate 3 times in any Wisconsin works employment component is ineligible to participate in that component. The bill specifies several actions for which a person is considered to refuse to participate, including failing to appear for an interview, voluntarily leaving employment without good cause and losing employment as a result of being discharged for cause.

Supplemental security income

A custodial parent who receives supplemental security income is not eligible to participate in a Wisconsin works employment position. He or she is instead eligible to receive an additional \$77 per month for each dependent child with respect to whom he or she is a custodial parent.

HEALTH CARE COVERAGE

Medical assistance

Under current federal law, states are required to provide health care coverage to persons who receive AFDC under the medical assistance (MA) program. In addition, states must provide MA to individuals who meet the requirements of AFDC but who do not actually receive AFDC. Pregnant women are eligible for MA if they meet the income and resource requirements of AFDC. Persons who are no longer

eligible for AFDC payments because of an increase in their income are eligible for MA for 12 months after they lose eligibility for AFDC. Finally, children covered by adoption assistance agreements and children in foster care are eligible for MA. Certain other persons who are known as optional categorically eligible are covered by MA in this state. They include children who are under age 18 who would be eligible for AFDC if they met the definition of dependent child, but who are in privately subsidized foster care or live in institutions; and certain other children and pregnant women who meet certain income requirements.

Health care coverage under Wisconsin works

Under this bill, persons described above will no longer be eligible for MA. Instead, they are eligible for health care coverage under Wisconsin works, if they meet the income and resource limitations.

A Wisconsin works group (which includes an individual, the dependent children of the individual, the dependent children of the individual's dependent children, the individual's spouse, if the spouse lives with the individual, or the nonmarital parent of the dependent children, if that person lives with the individual) is eligible for health care benefits and services if the income of the group is at or below 165% of the federal poverty line, the group meets certain asset limitations and the individuals of the group meet certain nonfinancial criteria. If the group is already receiving benefits under the health care provisions, the group may continue to receive the benefits if the income of the group is at or below 200% of the federal poverty line. A person in the group who receives supplemental security income is eligible for MA, rather than coverage under Wisconsin works.

A pregnant woman with no dependent children is eligible for health care benefits and services if her income is at or below 165% of the federal poverty line and if she meets certain asset and nonfinancial criteria.

A custodial parent who is under the age of 18 (minor) and the minor's dependent children are eligible for health care benefits and services only if the minor meets either of the following criteria:

1. The minor lives with his or her custodial parent and the income of that parent is at or below 165% of the federal poverty line.
2. The minor is in a court-ordered out-of-home placement or a supported living arrangement supervised by an adult and has an income of 165% of the federal poverty line.

If the child of a minor does not live with the minor, but lives with a relative who is eligible for payments under the kinship care program (described below) with respect to that child, the child is eligible for MA, rather than health coverage under Wisconsin works.

Health plan

Under the bill, DHFS is required to contract with a health maintenance organization (HMO) or other health provider to provide services under the Wisconsin works health plan. The health plan includes coverage of the care and services required under current federal law under the MA provisions. The health care plan does not include the following:

1. Nonpreventive dental care.

2. Eyeglasses.
3. Hearing aids.
4. Home health, private duty nursing and personal care services in excess of 40 visits per year.
5. Nursing home services in excess of 30 days.
6. Over-the-counter drugs.
7. Treatment of nervous or mental disorders and alcoholism or other drug abuse problems in excess of the minimum coverage required under current law.
8. Other nonmandatory services currently covered by MA.

Individuals are required to pay a monthly premium for the Wisconsin works health plan in accordance with criteria established by DILJD and based on income, resources and family size.

No individual is eligible for health care coverage under Wisconsin works in a month that the individual is eligible for employer-subsidized health care coverage. Employer-subsidized health care coverage is coverage for which the employer pays at least 50% of the cost of coverage for the employee, excluding dependent coverage.

To be eligible for health care coverage under Wisconsin works, the individual may not have had access to employer-subsidized health care coverage within the 18 months immediately preceding application for health care coverage under Wisconsin works, unless the individual lost access to the employer-subsidized health care coverage because the employer terminated the employment for a reason other than misconduct on the part of the employee or the employee terminated the employment for just cause.

CHILD CARE SUBSIDY

Low-income and at-risk child care; current law

Under current law, a parent who needs child care for a child under 13 years of age to be able to work, who is not receiving AFDC and who is at risk of becoming eligible for AFDC, is eligible for a subsidy for child care. A parent who receives the subsidy is liable for some portion of the cost of the child care received, payable on a sliding scale determined by DHSS. A parent who receives AFDC is also eligible for a child care subsidy if the cost of the child care exceeds the income disregard for child care. Finally, a parent who is gainfully employed who needs child care services and whose family income is not more than 75% of the state's median income is eligible for a child care subsidy and, if the parent's income is at least 50% of the state's median income, is liable for a portion of the child care costs. Currently, "gainfully employed" means working, seeking employment or participating in a training or educational program designed to lead directly to paid employment.

This bill makes several changes in the low-income and at-risk child care program. Under this bill, a parent who is gainfully employed and whose income is at or below 165% of the federal poverty line is eligible for a child care subsidy. Participation in a training and educational program does not qualify as being gainfully employed. All parents who receive a subsidy are liable for a portion of the cost of the child care on a sliding scale based on income and determined by DHSS. This bill also ends the low-income and at-risk child care program when Wisconsin works is implemented statewide.

Child care subsidy; Wisconsin works

Under Wisconsin works, a custodial parent of a child who is under the age of 10 is eligible for a child care subsidy if the parent is a member of a Wisconsin works group whose income is at or below 165% of the federal poverty line and if the child care is needed for the custodial parent to attend school as required under the learnfare program, work, seek work or, under specified circumstances, attend an employment training program approved by the Wisconsin works agency.

A person who, under kinship care, is providing care and maintenance for a child under the age of 10, who needs child care services to work, seek work or attend employment training approved by the Wisconsin works agency is also eligible for a child care subsidy.

Any person who receives a child care subsidy, is liable for a portion of the cost of the child care on a sliding scale based on income and determined by DILJD.

TRANSPORTATION SUBSIDY

Under the bill, the Wisconsin works agency determines eligibility, in accordance with rules promulgated by DILJD, for subsidies for transportation costs associated with transporting a child to and from a child care provider.

WISCONSIN WORKS AGENCY CONTRACTS

This bill allows DILJD (or, before July 1, 1996, DHSS) to contract with a person to administer Wisconsin works. DILJD must award the contract on the basis of a competitive process that is approved by the department of administration (DOA); however, if DOA finds that it is in the best interest of the state to do so, DILJD may award the contract on the basis of a noncompetitive process. If no acceptable provider in a given geographical area is selected under either process, DILJD may administer Wisconsin works directly in that geographical area, or may require the county or counties that comprise that geographical area to administer Wisconsin works for up to 12 months succeeding the statewide implementation of the program. A county, in turn, may contract with any person to administer the program without going through a competitive process. Under current law, state contractual services contracts are supervised and administered by DOA or state agencies to which DOA delegates its authority. Currently, state contractual service contracts are subject to rules of DOA governing conflicts of interest and requirements concerning evaluations of contractors, and are subject to approval by the secretary of employment relations. DOA must report annually to the governor and legislature concerning contractual services procurements. The bill allows the secretary of DOA to exempt Wisconsin works contracts from these requirements. The bill also allows the secretary of DOA to exempt these contracts from preferences for certain procurements and from certain requirements relating to solid waste, recycling and historic preservation. Under the bill, Wisconsin works contracts are, however, subject to requirements for nondiscrimination in state contracting.

Under each contract, the Wisconsin works agency is required to establish a community steering committee to facilitate training and employment opportunities for participants. The Wisconsin works agency is also required to establish a children's services network to provide information about community services available to the children in a Wisconsin works group.

OTHER

Kinship care

Under current law, a parent or guardian may place a child in the home of a relative without the relative having to be licensed to operate a foster home. Currently, however, a relative who is providing care and maintenance for a child may request a license to operate a foster home for the child and, if the license is granted, may receive an age-related monthly foster care rate, plus supplemental payments, for the care and maintenance of the child.

This bill requires a county department of human services or social services (county department) to make payments, as determined by DHFS, to a relative of a child, other than the child's parent or stepparent, who is providing care and maintenance for the child (kinship care) if all of the following conditions apply:

1. The relative applies for kinship care payments and the county department determines that there is a need for the child to be placed with the relative and that the placement with the relative benefits the child.

2. The county department determines that the child meets one or more of the criteria under which a court assigned to exercise jurisdiction under the children's code (juvenile court) may exercise jurisdiction over a child in need of protection or services or that the child would be at risk of meeting one or more of those criteria if the child were to remain in his or her home.

3. The county department determines, through an assessment, that the child will be safe in the relative's home.

4. The county department conducts a background investigation of the relative and any other adult residing in the relative's home to determine if the relative or other adult has any arrests or convictions that could adversely affect the child or the relative's ability to care for the child.

5. The relative cooperates with the county department in the application process, including applying for other forms of assistance for which the relative may be eligible.

If a county department makes kinship care payments to a relative of a child, the county department must refer to the attorney responsible for child support enforcement the name of the child's parent or parents and require the parent or parents to initiate or continue health care insurance coverage for the child or, if the parent or parents are unable to do so, require the kinship care relative to initiate or continue that coverage. Under the bill, a relative who is receiving kinship care payments may not also receive foster care payments.

Under current law, if the court assigned to exercise jurisdiction under the children's code (juvenile court) terminates the parental rights of both of a child's parents or of a child's only living parent, the juvenile court may transfer guardianship and custody of the child pending adoptive placement to a relative of the child with whom the child resides, if the relative has filed a petition to adopt the child, or, if the juvenile court finds that it is unlikely that the child will be adopted or that adoption is not in the best interests of the child, the juvenile court may place the child under sustaining care in the home of a foster parent or treatment foster parent. This bill permits a juvenile court to place a child in the home of a kinship care relative

pending adoption or to place a child under sustaining care in the home of a kinship relative.

Appropriations

This bill consolidates the state general purpose revenue appropriations for public assistance and local aids. Under the new appropriation, DILJD (or, before July 1, 1996, DHSS) must allocate specified amounts for specified purposes, such as income maintenance payments and low-income and at-risk child care subsidies. The department is permitted to use up to 30% of the money allocated for any one purpose under the appropriation for any other purpose under the appropriation.

Job opportunities and basic skills program

Under current law, certain recipients of AFDC are required to participate in the job opportunities and basic skills program (JOBS). JOBS has several components including work supplementation, in which participation is voluntary, and postsecondary education and vocational skills training. This bill makes participation in work supplementation mandatory. In addition, the bill eliminates postsecondary education and vocational skills training from the components of JOBS.

Currently, the department may require an eligible adult caretaker of a child who is at least one year old to participate full-time in JOBS. This bill requires DHSS to request a waiver to require an eligible adult caretaker of a child who is at least 12 weeks old to participate in JOBS full-time.

The community work experience program (CWEP) is a component of JOBS. Currently, no person may be required to work more than 32 hours per week in CWEP. With certain exceptions, no person may be required to work more than 16 weeks in CWEP in a 12-month period. This bill requires DHSS to seek a waiver to require persons to participate in CWEP up to 40 hours per week and up to 6 months in a 12-month period.

Food stamps

This bill permits DILJD to contract with a Wisconsin works agency to administer the food stamp program for recipients who are Wisconsin works employment position participants and for recipients who are eligible to participate in a Wisconsin works employment position, but do not participate. This bill allows DILJD, to the extent permitted by waiver or federal law, to require all able-bodied food stamp recipients aged 18 to 64, who are eligible to participate in a Wisconsin works employment position to participate in a Wisconsin works employment position instead of the food stamp employment and training program. The bill also allows the DILJD, to the extent permitted by federal law or waiver, to provide food stamps to recipients who are required to work on the basis of the number of hours worked. The number of hours that a recipient would be required to work would be determined by dividing the amount of food stamps received by the federal minimum wage. Every hour that the recipient failed to work would result in a reduction in food stamps in an amount equal to the federal minimum wage.

Tax

This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to this bill.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 13.101 (6) (a) of the statutes is amended to read:

2 13.101 **(6)** (a) As an emergency measure necessitated by decreased state
3 revenues and to prevent the necessity for a state tax on general property, the
4 committee may reduce any appropriation made to any board, commission,
5 department, the university of Wisconsin system or to any other state agency or
6 activity by such amount as it deems feasible, not exceeding 25% of the
7 appropriations, except appropriations made by ss. 20.255 (2) (ac), (bc), (bh), (bm), (cg)
8 and (cr), 20.395 (1), (2) (cq), (eq) to (ex) and (gq) to (gx), (3), (4) (aq) to (ax) and (6) (aq)
9 and (ar), 20.435 (4) (a), ~~(d)~~ (dz) and (e), (6) (a) and (7) (da) or for forestry purposes
10 under s. 20.370 (1), or any other moneys distributed to any county, city, village, town
11 or school district. Appropriations of receipts and of a sum sufficient shall for the
12 purposes of this section be regarded as equivalent to the amounts expended under
13 such appropriations in the prior fiscal year which ended June 30. All functions of
14 said state agencies shall be continued in an efficient manner, but because of the
15 uncertainties of the existing situation no public funds should be expended or
16 obligations incurred unless there shall be adequate revenues to meet the
17 expenditures therefor. For such reason the committee may make reductions of such
18 appropriations as in its judgment will secure sound financial operations of the

1 administration for said state agencies and at the same time interfere least with their
2 services and activities.

3 **SECTION 2.** 13.101 (6) (a) of the statutes, as affected by 1995 Wisconsin Acts 27
4 and ... (this act), is repealed and recreated to read:

9 activity by such amount as it deems feasible, not exceeding 25% of the
10 appropriations, except appropriations made by ss. 20.255 (2) (ac), (bc), (bh), (bm), (cg)
11 and (cr), 20.395 (1), (2) (cq), (eq) to (ex) and (gq) to (gx), (3), (4) (aq) to (ax) and (6) (aq)

15 shall for the purposes of this section be regarded as equivalent to the amounts
16 expended under such appropriations in the prior fiscal year which ended June 30.
17 All functions of said state agencies shall be continued in an efficient manner, but
18 because of the uncertainties of the existing situation no public funds should be
19 expended or obligations incurred unless there shall be adequate revenues to meet the
20 expenditures therefor. For such reason the committee may make reductions of such
21 appropriations as in its judgment will secure sound financial operations of the
22 administration for said state agencies and at the same time interfere least with their

9 to an independent annual audit paid for by the Wisconsin works agency.

10 **(5) REQUESTS FOR INFORMATION.** (a) In accordance with rules promulgated by
11 the department, a Wisconsin works agency may request from any person any
12 information that it determines appropriate and necessary for the administration of
13 Wisconsin works. Any person in this state shall provide this information within 7
14 days after receiving a request under this paragraph. The Wisconsin works agency
15 may disclose information obtained under this paragraph only in the administration
16 of Wisconsin works.

17 (b) The department may request from any Wisconsin works agency any

4 smaller than one county. A geographical area may include more than one county.
5 The department need not establish the geographical areas by rule.

6 **SECTION 70.** 49.145 of the statutes is created to read:

7 **49.145 Wisconsin works; eligibility for employment positions. (1)**

8 **GENERAL ELIGIBILITY.** In order to be eligible for Wisconsin works employment
9 positions and job access loans for any month, an individual shall meet the eligibility
10 requirements under subs. (2) and (3). The department may promulgate rules
11 establishing additional eligibility criteria and specifying how eligibility criteria are
12 to be administered. The department may promulgate rules establishing payment
13 and reporting periods as needed to administer this subsection.

14 **(2) NONFINANCIAL ELIGIBILITY REQUIREMENTS.** An individual is eligible for a
15 Wisconsin works employment position and a job access loan in a month only if all of
16 the following nonfinancial eligibility requirements are met:

17 (a) The individual is a custodial parent.

18 (b) The individual has attained the age of 18.

19 (c) The individual is a U.S. citizen or a qualifying alien, as defined by the
20 department by rule.

21 (d) The individual has resided in this state for at least 60 consecutive days prior
22 to applying under s. 49.141 (3) and has demonstrated an intent to continue to reside
23 in this state. This paragraph does not apply to a migrant worker, unless the migrant
24 worker is applying for a job access loan.

1 (f) The individual fully cooperates in efforts directed at establishing the
2 paternity of the dependent child and obtaining support payments or any other
3 payments or property to which that individual and the dependent child may have
4 rights. Such cooperation shall be in accordance with federal law and regulations and
5 rules promulgated by the department applicable to paternity establishment and
6 collection of support payments.

7 (g) The individual furnishes the Wisconsin works agency with any relevant
8 information that the Wisconsin works agency determines is necessary, consistent
9 with rules promulgated by the department, within 7 working days after receiving a
10 request for the information from the Wisconsin works agency.

11 (h) The individual has made a good faith effort, as determined by the Wisconsin
12 works agency on a case-by-case basis, to obtain employment and has not refused any

25 the total number of months in which the individual has participated in the job

1 opportunities and basic skills program under s. 49.193 or has participated in a
2 Wisconsin works employment position or both does not exceed 60 months. The
3 months need not be consecutive. Participation in the job opportunities and basic
4 skills program under s. 49.193 counts toward the 60-month limit beginning on the
5 effective date of this paragraph [revisor inserts date]. A Wisconsin works agency
6 may waive the requirements under this paragraph if the Wisconsin works agency
7 determines, in accordance with rules promulgated by the department, that unusual
8 circumstances exist that warrant an extension of the participation period.

9 (p) If the individual has applied for Wisconsin works within the 180 days
10 immediately preceding the current application, the individual has cooperated with
11 the efforts of a Wisconsin works agency to assist the individual in obtaining
12 employment.

13 (q) No other individual in the Wisconsin works group is a participant in a

15 individual applying for a job access loan.

16 **(3) FINANCIAL ELIGIBILITY REQUIREMENTS.** An individual is eligible for a
17 Wisconsin works employment position and a job access loan only if all of the following
18 financial eligibility requirements are met:

19 (a) *Resource limitations.* The individual is a member of a Wisconsin works

23 serves as the homestead for the Wisconsin works group.

24 (b) *Income limitations.* The individual is a member of a Wisconsin works group

4 received under section 32 of the internal revenue code, as defined in s. 71.01 (6), any
5 amount received under s. 71.07 (9e), any payment made by an employer under
6 section 3507 of the internal revenue code, as defined in s. 71.01 (6), and any

8 2. Child support payments received on behalf of a child who is a member of the
9 Wisconsin works group.

10 3. The income of a nonmarital coparent or of the individual's spouse, if the

12 stepparent of the individual's dependent child, the income of the spouse does not
13 include any amount of court-ordered support actually paid for anyone who does not
14 reside in the home.

15 **(4) REVIEW OF ELIGIBILITY.** A Wisconsin works agency shall periodically review
16 an individual's eligibility. The individual remains eligible under sub. (3) until the

19 at least 2 consecutive months.

20 **SECTION 71.** 49.146 of the statutes is created to read:

21 **49.146 Employer criteria.** The department shall establish by rule criteria
22 that an employer providing a Wisconsin works employment position must meet in
23 order to employ a participant under s. 49.147 (3) to (5). An employer that does not
24 meet the criteria established under this section is ineligible to receive any subsidy
25 for any position provided to a participant.

1 **SECTION 72.** 49.147 of the statutes is created to read:

2 **49.147 Wisconsin works; work programs and job access loans. (1)**

3 GENERAL PROVISIONS. (a) *Definition.* In this section, “unsubsidized employment”
4 means employment for which the Wisconsin works agency provides no wage subsidy
5 to the employer.

6 (b) *Required hours.* The Wisconsin works agency shall determine the
7 maximum number of hours a participant may be required to work in a community
8 service job or transitional placement in accordance with criteria established by the
9 department by rule, not to exceed 40 hours per week.

10 **(2) UNSUBSIDIZED EMPLOYMENT.** (a) *Job search, orientation and training*
11 *activities.* 1. An individual who applies for a Wisconsin works employment position
12 may be required by the Wisconsin works agency to search for unsubsidized
13 employment during the period that his or her application is being processed as a
14 condition of eligibility. A participant in a Wisconsin works employment position shall
15 search for unsubsidized employment throughout his or her participation. The
16 department shall define by rule satisfactory search efforts for unsubsidized
17 employment.

18 2. A Wisconsin works agency may require an applicant for a Wisconsin works
19 employment position to participate in job orientation during the period that his or
20 her application is being processed as a condition of eligibility. A Wisconsin works
21 agency may require a participant in a Wisconsin works employment position to
22 engage in training activities in accordance with rules promulgated by the
23 department as part of the participant’s participation requirements.

24 (b) *Job search assistance.* A Wisconsin works agency shall assist a participant
25 in his or her search for unsubsidized employment. In determining an appropriate

1 placement for a participant, a Wisconsin works agency shall give priority to
2 placement in unsubsidized employment over placements under subs. (3) to (5).

3 **(3) TRIAL JOBS.** (a) *Administration.* A Wisconsin works agency shall administer
4 a trial job program as part of its administration of the Wisconsin works program. In
5 determining an appropriate placement for a participant, a Wisconsin works agency
6 shall give priority to placement under this subsection over placements under subs.
7 (4) and (5). The Wisconsin works agency shall pay a wage subsidy, determined by the
8 department by rule, to an employer that employs a participant under this subsection.

9 (b) *Worker's compensation.* The employer shall provide the participant with
10 worker's compensation coverage.

11 (c) *Time-limited participation.* A participant under this subsection may
12 participate in a trial job for a maximum of 6 months, with an opportunity for a
13 3-month extension under circumstances determined by the department. A
14 participant may participate in more than one trial job, but may not exceed a total of
15 24 months of participation under this subsection. The months need not be
16 consecutive. The department or, with the approval of the department, the Wisconsin
17 works agency may grant an extension of the 24-month limit if the participant has
18 made all appropriate efforts to find unsubsidized employment and has been unable
19 to find unsubsidized employment because local labor market conditions preclude a
20 reasonable job opportunity for that participant, as determined by a Wisconsin works
21 agency and approved by the department.

22 **(4) COMMUNITY SERVICE JOB.** (a) *Administration.* A Wisconsin works agency
23 shall administer a community service job program as part of its administration of
24 Wisconsin works to improve the employability of individuals who are not otherwise
25 able to obtain employment, as determined by the Wisconsin works agency, by

1 providing work experience and training to assist them to move promptly into
2 unsubsidized public or private employment or a trial job. In determining an
3 appropriate placement for a participant, a Wisconsin works agency shall give
4 placement under this subsection priority over placements under sub. (5).
5 Community service jobs shall be limited to projects that the department determines
6 would serve a useful public purpose or projects the cost of which is partially or wholly
7 offset by revenue generated from such projects. After each 6 months of an
8 individual's participation under this subsection and at the conclusion of each
9 assignment under this subsection, a Wisconsin works agency shall reassess the
10 individual's employability.

11 (b) *Time-limited participation.* An individual may participate in a community
12 service job for a maximum of 6 months, with an opportunity for a 3-month extension
13 under circumstances approved by the department. An individual may participate
14 in more than one community service job, but may not exceed a total of 24 months of
15 participation under this subsection. The months need not be consecutive. The
16 department or, with the approval of the department, the Wisconsin works agency
17 may grant an extension to the 24-month limit if the Wisconsin works agency
18 determines that the individual has made all appropriate efforts to find unsubsidized
19 employment and has been unable to find unsubsidized employment because local
20 labor market conditions preclude a reasonable employment opportunity in
21 unsubsidized employment for that participant, as determined by a Wisconsin works
22 agency and approved by the department, and if the Wisconsin works agency
23 determines, and the department agrees, that no trial job opportunities are available
24 in the specified local labor market.

1 (c) *Worker's compensation.* A participant under this subsection is an employe
2 of the Wisconsin works agency for purposes of worker's compensation coverage,
3 except to the extent that the person for whom the participant is performing work
4 agrees to provide worker's compensation coverage.

5 (5) TRANSITIONAL PLACEMENT. (a) *Additional eligibility criteria.* An individual
6 is eligible to participate in a transitional placement under this subsection if, in
7 addition to meeting the eligibility requirements under s. 49.145, any of the following
8 conditions is met with respect to the individual:

9 1. The Wisconsin works agency determines, on the basis of an independent
10 assessment by the division of vocational rehabilitation or similar agency or business,
11 that the individual has been incapacitated for a period of at least 60 days.

12 2. The Wisconsin works agency determines that the individual is needed in the
13 home because of the illness or incapacity of another member of the Wisconsin works
14 group.

15 3. The Wisconsin works agency determines that the individual is incapable of
16 performing a trial job or community service job.

17 (b) *Administration.* 1. The Wisconsin works agency shall assign a participant
18 under this subsection to work activities such as a sheltered workshop, a job similar
19 to a community service job or a volunteer activity. A Wisconsin works agency may
20 require a participant under this subsection to participate in any of the following:

21 a. An alcohol and other drug abuse evaluation, assessment and treatment
22 program.

23 b. A training or education program, as defined by the department by rule.

24 c. Mental health activities, as defined by the department by rule.

25 d. Counseling or physical rehabilitation activities.

1 e. Other activities that the Wisconsin works agency determines are consistent
2 with the capabilities of the individual.

3 2. An individual may participate in a transitional placement for a maximum
4 of 24 months. The months need not be consecutive. This period may be extended on
5 a case-by-case basis by the department or by the Wisconsin works agency with the
6 approval of the department.

7 (c) *Worker's compensation.* A participant under this subsection is an employe
8 of the Wisconsin works agency for purposes of worker's compensation coverage,
9 except to the extent that the person for whom the participant is performing work
10 agrees to provide worker's compensation coverage.

11 **(6) JOB ACCESS LOAN.** (a) *Additional eligibility criteria.* An individual is eligible
12 to receive a job access loan if, in addition to meeting the eligibility requirements
13 under s. 49.145, all of the following conditions are met with respect to the individual:

14 1. The individual needs the loan to address an immediate and discrete financial
15 crisis. The crisis may not be the result of the individual's failure to accept a bona fide
16 offer of employment or the individual's termination of a job without good cause.

17 2. The individual needs the loan to obtain or continue employment.

18 3. The individual is not in default with respect to the repayment of any previous
19 job access loan or repayment of any grant or wage overpayments under this section.

20 (b) *Terms.* The department shall promulgate rules establishing the terms of
21 any job access loan, including all of the following:

22 1. The maximum and minimum loan amounts in any 12-month period.

23 2. The method of loan disbursement.

24 3. The terms of repayment.

25 4. The interest, if any, to be paid on the loan.

1 (c) *Distribution and administration.* From the appropriation under s. 20.445
2 (3) (dz), the department shall distribute funds for job access loans to a Wisconsin
3 works agency, which shall administer the loans in accordance with rules
4 promulgated by the department.

5 (d) *Minor custodial parents.* An individual who would be eligible for a job access
6 loan under par. (a), except that the individual has not attained the age of 18, is
7 eligible under this paragraph if the individual meets the following requirements:

8 1. The individual is in an out-of-home placement or independent living
9 arrangement supervised by an adult, as defined by the department.

10 2. The individual has graduated from high school or has met the standards
11 established by the secretary of education for the granting of a declaration of
12 equivalency of high school graduation under s. 115.29 (4).

13 3. The individual will be 18 years old within 2 months after applying for the
14 job access loan.

21 required training activities under s. 49.147 (2) (a) 2., not to exceed 40 hours per week
22 paid by the employer.

23 (b) *Community service jobs.* 1. For a participant in a community service job,
24 a grant equal to 75% of the minimum wage computed for one month of full-time

17 for more than 75% of the required hours without good cause. Good cause shall be
18 determined by the financial and employment planner in accordance with rules
19 promulgated by the department.

20 (2) **BENEFIT REVIEW.** Notwithstanding sub. (1), the department may promulgate
21 rules establishing benefit levels for participants in Wisconsin works employment
