### *Analysis by the Legislative Reference Bureau*

This bill ratifies the interstate insurance receivership compact (compact). The main purposes of the compact are to promote and develop orderly, efficient, cost-effective and uniform insurer receivership laws and operations and to coordinate interaction between insurer receivership and guaranty fund operations. Any state may join in the compact by ratifying it by statute. The functions under the compact are performed by the interstate insurance receivership commission (commission), which is created by the compact. The commission is composed of members who represent the compacting states. Each compacting state has one member, and one vote, on the commission. The commissioner of insurance, or his or her designee, is the commission member representing this state.

The commission is a body corporate of each compacting state and has the usual corporate powers, such as to elect or appoint officers, employes or attorneys, to borrow money, to accept donations and grants of money, to prescribe bylaws for its operation, to establish a budget and make expenditures, to lease or purchase real or personal property, to sell or mortgage real or personal property, to bring or prosecute legal proceedings, to establish and maintain offices and to purchase insurance and bonds. In addition, the commission has the power to promulgate rules that are binding on the compacting states and to enforce those rules, to oversee, supervise and coordinate the activities of receivers in compacting states, to monitor the activities and functions of guaranty funds in the compacting states, to act as a receiver of insurers, to provide advice and training regarding receiverships in the compacting states and to provide for dispute resolution among compacting states and receivers.

The primary functions of the commission are the oversight of receiverships in the compacting states and the promulgation of rules related to the operation of receiverships. To aid the commission in the first primary function, each compacting state must keep the commission informed of receiverships in the state by providing notice to the commission of those receiverships and by submitting certain reports regarding those receiverships. Receivers in the compacting states must submit to the commission reports and other information requested by the commission. The commission will analyze the information received and may make recommendations to a compacting state for improving the performance of its receivers. The commission may act as receiver of any insurer in a compacting state upon the request of the commissioner of the compacting state or if the commissioner, while acting as receiver, fails to comply with commission rules or operating procedures. With regard to the 2nd primary function, within 3 years after ratification of the compact by at least 2 states, the commission is required to promulgate uniform provisions for the operation of receiverships among the compacting states. The uniform provisions will become law in the compacting states upon legislative enactment in a majority of the compacting states. A compacting state, however, may exempt itself from the application of a uniform provision if the state expressly rejects the provision by legislative enactment.

The expenses of the commission are to be paid through annual assessments against each compacting state and each insurer authorized to do business, and writing direct insurance, in a compacting state. The commission is exempt from taxation in the compacting states.

Any compacting state may withdraw from the compact by repealing the state's statute that ratifies the compact. A compacting state may also be terminated from the compact if it defaults in any of its obligations under the compact and fails to cure the default within the time specified by the commission. The entire compact dissolves if membership is at any time reduced to one state.

Current law provides for the grounds, and procedures to be followed, for the rehabilitation and liquidation of insurers doing business in this state, actions in which the insurers are subject to receivership.

This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to this bill.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

2 occurred, or that such person had a reasonable basis for believing occurred within  
3 the scope of commission employment, duties or responsibilities; provided, that  
4 nothing in this paragraph shall be construed to protect any such person from suit or  
5 liability for any damage, loss, injury or liability caused by the intentional or wilful  
6 and wanton misconduct of any such person, or to protect the commission acting as  
7 receiver under sub. (9).

8 (g) The commission shall defend any commissioner of a compacting state, or his  
9 or her representatives or employes, or the commission's representatives or employes,  
10 in any civil action seeking to impose liability, arising out of or relating to any actual  
11 or alleged act, error or omission that occurred within the scope of commission  
12 employment, duties or responsibilities, or that such person had a reasonable basis  
13 for believing occurred within the scope of commission employment, duties or  
14 responsibilities; provided, that the actual or alleged act, error or omission did not  
15 result from gross negligence or intentional wrongdoing on the part of such person.

16 (h) The commission shall indemnify and hold the commissioner of a compacting  
17 state, or his or her representatives or employes, or the commission's representatives  
18 or employes, harmless in the amount of any settlement or judgment obtained against  
19 such person arising out of or relating to any actual or alleged act, error or omission  
20 that occurred within the scope of commission employment, duties or responsibilities,  
21 or that such person had a reasonable basis for believing occurred within the scope  
22 of commission employment, duties or responsibilities; provided, that the actual or

24 wrongdoing on the part of such person.

1           (i) The costs and expenses of defense and indemnification of the commission  
2 acting as receiver of an estate shall be paid as administrative expenses from the  
3 assets of that estate unless such costs and expenses are covered by insurance  
4 maintained by the commission.

5           **(6) ARTICLE VI — MEETINGS AND ACTS OF THE COMMISSION.** (a) The commission  
6 shall meet and take such actions as are consistent with the provisions of this  
7 compact.

8           (b) Except as otherwise provided in this compact and unless a greater  
9 percentage is required by the bylaws, in order to constitute an act of the commission,  
10 such act shall have been taken at a meeting of the commission and shall have  
11 received an affirmative vote of a majority of the members.

12           (c) Each member of the commission shall have the right and power to cast a vote  
13 to which that compacting state is entitled and to participate in the business and  
14 affairs of the commission. A member shall vote in person and may not delegate his  
15 or her vote to another member. The bylaws may provide for members' participation  
16 in meetings by telephone or other means of telecommunication.

17           (d) The commission shall meet at least once during each calendar year. The  
18 chairperson of the commission may call additional meetings at any time and, upon  
19 the request of a majority of the members, shall call additional meetings.

20           (e) The commission's rules shall establish conditions and procedures under  
21 which the commission shall make its information and official records available to the  
22 public for inspection or copying. The commission may exempt from disclosure any  
23 information or official records to the extent disclosure would adversely affect  
24 personal privacy rights or proprietary interests. In promulgating such rules, the  
25 commission may consider any special circumstances pertaining to insurer

1 insolvencies, but shall be guided by the principles embodied in state and federal  
2 freedom of information laws. The commission may promulgate additional rules  
3 under which it may make available to law enforcement agencies records and  
4 information otherwise exempt from disclosure, and may enter into agreements with  
5 law enforcement agencies to receive or exchange information or records subject to  
6 nondisclosure and confidentiality provisions.

7 (f) Public notice shall be given of all meetings and all meetings shall be open  
8 to the public, except as set forth in the rules or as otherwise provided in this compact.  
9 The commission shall promulgate rules consistent with the principles contained in  
10 the government in sunshine act, 5 USC 552b. The commission and any of its  
11 committees may close a meeting to the public if it determines by two-thirds vote that  
12 an open meeting would likely do any of the following:

13 1. Relate solely to the commission's internal personnel practices and  
14 procedures.

15 2. Disclose matters specifically exempted from disclosure by statute.

16 3. Disclose trade secrets or commercial or financial information which is  
17 privileged or confidential.

18 4. Involve accusing any person of a crime or formally censuring any person.

19 5. Disclose information of a personal nature where disclosure would constitute  
20 a clearly unwarranted invasion of personal privacy.

21 6. Disclose investigatory records compiled for law enforcement purposes.

22 7. Disclose information contained in or related to examination, operating or  
23 condition reports prepared by, or on behalf or for the use of, the commission with  
24 respect to a regulated entity for the purpose of regulation or supervision of such  
25 entity.

1           8. Disclose information, the premature disclosure of which would significantly  
2 endanger the stability of a regulated entity.

3           9. Specifically relate to the commission's issuance of a subpoena or its  
4 participation in a civil action or proceeding.

5           (g) For every meeting closed under par. (f), the commission's chief legal officer  
6 shall publicly certify that, in his or her opinion, the meeting may be closed to the  
7 public, and shall reference each relevant exemptive provision. The commission shall  
8 keep minutes which shall fully and clearly describe all matters discussed in any  
9 meeting and shall provide a full and accurate summary of any actions taken, and the  
10 reasons therefor, including a description of each of the views expressed on any item  
11 and the record of any rollcall vote, reflected in the vote of each member on the  
12 question. All documents considered in connection with any action shall be identified  
13 in the minutes.

14           **(7) ARTICLE VII — RULE-MAKING FUNCTIONS OF THE COMMISSION.** (a) The  
15 commission shall promulgate rules and operating procedures in order to effectively  
16 and efficiently achieve the purposes of this compact; provided, that the commission  
17 shall not promulgate any rules directly relating to guaranty associations, including,  
18 but not limited to, rules governing coverage, funding or assessment mechanisms; or  
19 altering the statutory priorities for distributing assets out of an estate, except  
20 pursuant to rules promulgated under par. (c).

21           (b) Rule making shall occur according to the criteria set forth in this subsection  
22 and the rules and operating procedures promulgated pursuant thereto. Such rule  
23 making shall substantially conform to the principles of the federal administrative  
24 procedure act, 5 USCS 551, et seq., and the federal advisory committee act, 5 USCS  
25 app. 2, section 1, et seq.

1 (c) Other than the promulgation of such rules as are necessary for the orderly  
2 operation of the commission, the first rule to be considered by the commission shall  
3 be uniform provisions governing insurer receiverships including, but not limited to,  
4 provisions requiring compacting states to implement, execute and administer in a  
5 fair, just, effective and efficient manner rules and operating procedures relating to  
6 receiverships. The commission shall, within 3 years after the adoption of this  
7 compact by 2 or more states, promulgate such uniform provisions through the  
8 rule-making process. Such uniform provisions shall become law in all of the  
9 compacting states upon legislative enactment in a majority of the compacting states.

10 (d) All rules and amendments shall become binding as of the date specified in  
11 the rule or amendment; provided, that if a compacting state expressly rejects a rule  
12 or amendment through legislative enactment as of the expiration of the 2nd full  
13 calendar year after the rule is promulgated, the rule or amendment shall have no  
14 further force or effect in the rejecting compacting state. If a majority of compacting  
15 states reject a rule, then the rule shall have no further force or effect in any  
16 compacting state.

17 (e) When promulgating a rule or operating procedure, the commission shall do  
18 all of the following:

19 1. Publish the proposed rule or operating procedure, stating with particularity  
20 the text of the rule or operating procedure which is proposed and the reason for the  
21 proposed rule or operating procedure.

22 2. Allow persons to submit written data, facts, opinions and arguments, which  
23 information the commission shall make publicly available.

24 3. Provide an opportunity for an informal hearing.

1           4. Promulgate a final rule or operating procedure and its effective date, if  
2 appropriate, based on the rule-making record.

3           (f) Not later than 60 days after a rule or operating procedure is promulgated,  
4 any interested person may file a petition in a court of competent jurisdiction where  
5 the commission's principal office is located for judicial review of the rule or operating  
6 procedure. If the court finds that the commission's action is not supported by  
7 substantial evidence in the rule-making record, the court shall hold the rule  
8 unlawful and set it aside.

9           **(8) ARTICLE VIII — OVERSIGHT AND DISPUTE RESOLUTION BY THE COMMISSION.** (a)  
10 The commission shall oversee the administration and operations of receiverships in  
11 compacting states, and shall monitor receiverships being administered in  
12 noncompacting states which may significantly affect compacting states.

13           (b) To aid its monitoring, oversight and coordination responsibilities, the  
14 commission shall establish operating procedures requiring each member to submit  
15 to the commission the following written reports:

16           1. An initial report upon a finding or other official action by the compacting  
17 state that grounds exist for receivership of an insurer doing business in more than  
18 one state. Thereafter, reports shall be submitted periodically and as otherwise  
19 required pursuant to the commission's operating procedures. The commission shall  
20 be entitled to receive notice of, and shall have standing to appear in, compacting  
21 states' receiverships.

22           2. An initial report of the status of an insurer within a reasonable time after  
23 the initiation of a receivership.

24           (c) The commission shall promulgate operating procedures requiring receivers  
25 to submit to the commission periodic written reports and such additional

1 information and documentation as the commission may reasonably request. Each  
2 compacting state's receivers shall establish the capability to obtain and provide all  
3 records, data and information required by the commission in accordance with the  
4 commission's operating procedures.

5 (d) Except as to privileged records, data and information, the laws of any  
6 compacting state pertaining to confidentiality or nondisclosure shall not relieve any  
7 compacting state commissioner of the responsibility to disclose any relevant records,  
8 data or information to the commission; provided, that disclosure to the commission  
9 shall not be deemed to waive or otherwise affect any confidentiality requirement; and  
10 further provided, that the commission shall be subject to the compacting state's laws  
11 pertaining to confidentiality and nondisclosure with respect to all such records, data  
12 and information in its possession.

13 (e) The courts and executive agencies in each compacting state shall enforce  
14 this compact and shall take all actions necessary and appropriate to effectuate the  
15 compact's purposes and intent. In any receivership or other judicial or  
16 administrative proceeding in a compacting state pertaining to the subject matter of  
17 this compact which may affect the powers, responsibilities or actions of the  
18 commission, the commission shall be entitled to receive all service of process in any  
19 such proceeding, and shall have standing to intervene in the receivership or  
20 proceeding for all purposes.

21 (f) The commission shall analyze and correlate records, data, information and  
22 reports received from receivers and guaranty associations, and shall make  
23 recommendations for improving their performance to the compacting states. The  
24 commission shall include summary information and data regarding its oversight  
25 functions in its annual report.

1           (g) The commission shall attempt, upon the request of a member, to resolve any  
2       disputes or other issues which are subject to this compact and which may arise  
3       among compacting states and noncompacting states.

4           (h) The compacting states shall report to the commission on issues or activities  
5       of concern to them, and cooperate with and support the commission in the discharge  
6       of its duties and responsibilities.

7           (i) The commission shall promulgate an operating procedure providing for  
8       binding dispute resolution for disputes among receivers.

9           (j) The commission shall facilitate voluntary dispute resolution for disputes  
10      among guaranty associations and receivers.

11          **(9) ARTICLE IX — RECEIVERSHIP FUNCTIONS OF THE COMMISSION.** (a) The  
12      commission has authority to act as receiver of any insurer domiciled, engaged in or  
13      doing business in a compacting state upon the request of the commissioner of such  
14      compacting state, or as otherwise provided in this compact. As receiver, the  
15      commission shall have all powers and duties pursuant to the receivership laws of the  
16      domiciliary state. The commission shall maintain accounts of receipts and  
17      disbursements of the estates for which it is acting as receiver, consistent with the  
18      accounting practices and procedures set forth in the bylaws. The commission shall  
19      cause an annual audit of each estate for which it is acting as receiver to be conducted  
20      by an independent certified public accountant. The costs and expenses of such audit  
21      shall be paid as administrative expenses from the assets of the estate. The  
22      commission may not cause an annual audit to be conducted of any estate which lacks  
23      sufficient assets to pay the costs and expenses of such audit. The commission as  
24      receiver may delegate its receivership duties and functions, and may contract with  
25      others for that purpose.

1           (b) The commission shall act as receiver of any insurer domiciled or doing  
2 business in a compacting state in the event that the member acting as receiver in that  
3 compacting state fails to comply with duly promulgated commission rules or  
4 operating procedures. The commission shall notify the member in writing of his or  
5 her noncompliance with commission rules or operating procedures. If the member  
6 acting as receiver fails to remedy the noncompliance within 10 days after receipt of  
7 the notification, the commission may petition the supervising court before which the  
8 receivership is pending for an order substituting and appointing the commission as  
9 receiver of the estate.

10           (c) The commission may not act as receiver of an estate that appears to lack  
11 sufficient assets to fund such receivership unless the compacting state makes  
12 provisions for the payment of the estate's administrative expenses satisfactory to the  
13 commission.

14           (d) The commission may act as deputy receiver for any insurer domiciled or  
15 doing business in a noncompacting state in accordance with that state's laws, upon  
16 request of that noncompacting state's commissioner and approval of the commission.

17           (e) With respect to receiverships pending in a compacting state on the effective  
18 date of this paragraph .... [revisor inserts date], all of the following apply:

19           1. The commission may act as receiver of an insurer upon the request of that  
20 compacting state's member and approval of the commission.

21           2. The commission shall oversee, monitor and coordinate the activities of all  
22 receiverships pending in that compacting state regardless of whether the  
23 commission is acting as receiver of estates in that state.

24           **(10) ARTICLE X — FINANCE.** (a) The commission shall pay or provide for the  
25 payment of the reasonable expenses of its establishment and organization.

1           (b) Except as otherwise provided in this compact or by act of the commission,  
2 the costs and expenses of each compacting state shall be the sole and exclusive  
3 responsibility of the respective compacting state. The commission may pay or  
4 provide for actual and necessary costs and expenses for attendance of its members  
5 at official meetings of the commission or its designated committees.

6           (c) The commission shall levy on and collect an annual assessment from each  
7 compacting state and each insurer authorized to do business, and writing direct  
8 insurance, in a compacting state to cover the cost of the internal operations and  
9 activities of the commission and its staff in a total amount sufficient to cover the  
10 commission's annual budget. With respect to the assessments, all of the following  
11 apply:

12           1. The aggregate annual assessment amount shall be allocated 75% to insurers  
13 and 25% to compacting states. The insurers' portion shall be allocated to each  
14 insurer by the percentage derived from a fraction, the numerator of which shall be  
15 the gross direct written premium received on that insurer's business in all  
16 compacting states and the denominator of which shall be the gross direct written  
17 premium received by all insurers on business in all compacting states. The  
18 compacting states' portion shall be allocated to each compacting state by the  
19 percentage derived from a fraction, the numerator of which shall be the gross direct  
20 written premium received by all insurers on business in that compacting state and  
21 the denominator shall be the gross direct written premium received by all insurers  
22 on business in all compacting states. Each compacting state's portion shall be funded  
23 as designated by that state's legislature. In no event shall an insurer's assessment  
24 be less than \$50 or more than \$25,000; provided, that affiliated insurers' combined  
25 assessments shall not exceed \$50,000. Upon the request of an insurer, the

1 commission may exempt or defer the assessment of any insurer, if such assessment  
2 would cause the insurer's financial impairment.

3 2. These assessments may not be used to pay any costs or expenses incurred  
4 by the commission and its staff acting as receiver of estates. Such costs and expenses  
5 shall be paid as administrative expenses from the assets of the estates as provided  
6 by law, except as otherwise provided in this compact.

7 3. Each insurer authorized to do business in a compacting state shall timely pay  
8 assessments to the commission. Failure to pay such assessments shall not be  
9 grounds for the revocation, suspension or denial of an insurer's authority to do  
10 business, but shall subject the insurer to suit by the commission for recovery of any  
11 assessment due, attorneys fees and costs, together with interest from the date the  
12 assessment is due at a rate of 10% per year, and to civil forfeiture in an amount to  
13 be determined by the commissioner of that compacting state in which the insurer  
14 received the greatest premium in the year next preceding the first year for which the  
15 insurer is delinquent in payment of assessments.

16 (d) The commission shall be reimbursed in the following manner for the costs  
17 and expenses incurred by the commission and its staff acting as receiver of estates  
18 to the extent that an insurer's assets may be insufficient for the effective  
19 administration of its estate:

20 1. If the insurer is domiciled in a compacting state, the estate shall be closed  
21 unless that compacting state makes provisions for reimbursing the commission.

22 2. If the insurer is unauthorized to do business in a compacting state or if the  
23 insurer is domiciled in a noncompacting state and subject to ancillary receivership,  
24 the commission and such state shall make provisions for reimbursing the  
25 commission prior to the commission becoming receiver of such insurer.

1           (e) To fund the cost of the initial operations of the commission until its first  
2 annual budget is adopted and related assessments have been made, contributions  
3 from compacting states and others may be accepted and a one-time assessment on  
4 insurers doing a direct insurance business in the compacting states may be made not  
5 to exceed \$450 per insurer.

6           (f) The commission's adopted budget for a fiscal year may not be approved until  
7 it has been subject to notice and comment as set forth for rules and operating  
8 procedures in sub. (7) (e). The budget shall determine the amount of the annual  
9 assessment. The commission may accumulate a net worth not to exceed 30% of its  
10 then annual cost of operation to provide for contingencies and events not  
11 contemplated. These accumulated funds shall be held separately and may not be  
12 used for any other purpose. The commission's budget may include a provision for a  
13 contribution to the commission's net worth.

14           (g) The commission shall be exempt from all taxation in and by the compacting  
15 states.

16           (h) The commission may not pledge the credit of any compacting state, except  
17 by and with the appropriate legal authority of that compacting state.

18           (i) The commission shall keep complete and accurate accounts of all its internal  
19 receipts, including grants and donations, and disbursements of all funds, other than  
20 receivership assets, under its control. The internal financial accounts of the  
21 commission shall be subject to the accounting procedures established under its  
22 bylaws. The financial accounts and reports including the system of internal controls  
23 and procedures of the commission shall be audited annually by an independent  
24 certified public accountant. Upon the determination of the commission, but no less  
25 frequently than every 3 years, the review of such independent auditor shall include

1 a management and performance audit of the commission. The report of such  
2 independent audit shall be made available to the public and shall be included in and  
3 become part of the annual report of the commission to the governors and legislatures  
4 of the compacting states. The commission's internal accounts, any workpapers  
5 related to any internal audit and any workpapers related to the independent audit,  
6 shall be confidential; provided, that such materials shall be made available in  
7 compliance with the order of any court of competent jurisdiction, pursuant to such  
8 reasonable rules as the commission shall promulgate and to any commissioner or  
9 governor of a compacting state, or their duly authorized representatives.

10 (j) No compacting state shall have any claim to or ownership of any property  
11 held by or vested in the commission or the commission acting as receiver or to any  
12 other commission funds held pursuant to the provisions of this compact.

13 **(11) ARTICLE XI — COMPACTING STATES, EFFECTIVE DATE AND AMENDMENT.** (a) Any  
14 state is eligible to become a compacting state.

15 (b) The compact shall become effective and binding upon legislative enactment  
16 of the compact into law by 2 compacting states. Thereafter, it shall become effective  
17 and binding as to any other compacting state upon enactment of the compact into law  
18 by that state.

19 (c) Amendments to the compact may be proposed by the commission for  
20 enactment by the compacting states. No amendment shall become effective and  
21 binding upon the commission and the compacting states unless and until it is enacted  
22 into law by unanimous consent of the compacting states.

23 **(12) ARTICLE XII — WITHDRAWAL, DEFAULT AND TERMINATION.** (a) Once effective,  
24 the compact shall continue in force and remain binding upon each and every

1 compacting state; provided, that a compacting state may withdraw from the compact  
2 by repealing the statute which enacted the compact into law.

3 (b) The effective date of withdrawal is the effective date of the repeal; provided,  
4 that the repeal shall not apply to any receiverships for which the commission is  
5 acting as receiver that are pending on the date of the repeal except by mutual  
6 agreement of the commission and the withdrawing state.

7 (c) The withdrawing state shall immediately notify the chairperson of the  
8 commission in writing upon the introduction of legislation repealing this compact in  
9 the withdrawing state.

10 (d) The commission shall notify the other compacting states of the withdrawing  
11 state's intention to withdraw within 60 days after its receipt of the notice under par.

12 (c).

13 (e) The withdrawing state is responsible for all assessments, obligations and  
14 liabilities incurred through the effective date of withdrawal, including any  
15 obligations, the performance of which extend beyond the effective date of  
16 withdrawal, except to the extent those obligations may have been released or  
17 relinquished by mutual agreement of the commission and the withdrawing state.  
18 Notwithstanding the foregoing, the withdrawing state is responsible for the costs  
19 and expenses of its estates subject to this compact that are pending on the date of  
20 repeal; the commission and the other estates subject to this compact shall not bear  
21 any costs or expenses related to the withdrawing state's estates unless otherwise  
22 mutually agreed upon between the commission and the withdrawing state.

23 (f) Reinstatement following withdrawal of any compacting state shall occur  
24 upon the withdrawing state reenacting the compact or upon a later date determined  
25 by the commission.

1           (g) If the commission determines that any compacting state has at any time  
2 defaulted in the performance of any of its obligations or responsibilities under this  
3 compact, the bylaws or duly promulgated rules, all rights, privileges and benefits  
4 conferred by this compact and any agreements entered into pursuant to this compact  
5 shall be suspended from the effective date of default as fixed by the commission. The  
6 grounds for default include, but are not limited to, failure of a compacting state to  
7 perform such obligations or responsibilities and any other grounds designated in  
8 commission rules. The commission shall immediately notify the defaulting state in  
9 writing of the defaulting state's suspension pending a cure of the default. The  
10 commission shall stipulate the conditions and the time period within which the  
11 defaulting state must cure its default. If the defaulting state fails to cure the default  
12 within the time period specified by the commission, the defaulting state shall be  
13 terminated from the compact upon an affirmative vote of a majority of the  
14 compacting states and all rights, privileges and benefits conferred by this compact  
15 shall be terminated from the effective date of termination.

16           (h) Within 60 days after the effective date of termination of a defaulting state,  
17 the commission shall notify the governor and the majority and minority leaders of  
18 the defaulting state's legislature of such termination.

19           (i) The termination of a defaulting state shall apply to all receiverships for  
20 which the commission is acting as receiver that are pending on the effective date of  
21 termination except by mutual agreement of the commission and the defaulting state.

22           (j) The defaulting state is responsible for all assessments, obligations and  
23 liabilities incurred through the effective date of termination, and is responsible for  
24 the costs and expenses relating to its estates subject to this compact that are pending  
25 on the date of the termination. The commission and the other estates subject to this

1 compact shall not bear any costs or expenses relating to the defaulting state's estates  
2 unless otherwise mutually agreed upon between the commission and the defaulting  
3 state.

4 (k) Reinstatement following termination of any compacting state requires both  
5 a reenactment of the compact by the defaulting state and the approval of the  
6 commission pursuant to the rules.

7 (L) The compact dissolves effective upon the date of the withdrawal or the  
8 termination by default of the compacting state which reduces membership in the  
9 compact to one compacting state.

10 (m) Upon the dissolution of this compact, the compact becomes null and void  
11 and shall be of no further force or effect, and the business and affairs of the  
12 commission shall be wound up and any surplus funds shall be distributed in  
13 accordance with the bylaws.

14 **(13) ARTICLE XIII — SEVERABILITY AND CONSTRUCTION.** (a) The provisions of this  
15 compact shall be severable, and if any phrase, clause, sentence or provision is  
16 declared unenforceable by a court of competent jurisdiction, the remaining  
17 provisions of the compact shall be enforceable.

18 (b) The provisions of this compact shall be liberally construed to effectuate its  
19 purposes.

20 **(14) ARTICLE XIV — BINDING EFFECT OF COMPACT AND OTHER LAWS.** (a) Nothing  
21 herein prevents the enforcement of any other law of a compacting state that is not  
22 inconsistent with this compact. All compacting states' laws conflicting with this  
23 compact are superseded to the extent of the conflict.

24 (b) All lawful actions of the commission, including all rules and operating  
25 procedures promulgated by the commission, are binding upon the compacting states.

1 All agreements between the commission and the compacting states are binding in  
2 accordance with their terms. Upon the request of a party to a conflict over meaning  
3 or interpretation of commission actions, and upon a majority vote of the compacting  
4 states, the commission may issue advisory opinions regarding such meaning or  
5 interpretation.

6 (c) In the event any provision of this compact exceeds the constitutional limits  
7 imposed on the legislature of any compacting state, the obligations, duties, powers  
8 or jurisdiction sought to be conferred by such provision upon the commission shall  
9 be ineffective and such obligations, duties, powers or jurisdiction shall remain in the  
10 compacting state and shall be exercised by the agency thereof to which such  
11 obligations, duties, powers or jurisdiction are delegated by law in effect at the time  
12 this compact becomes effective.
