Analysis by the Legislative Reference Bureau

Under current law, the department of natural resources (DNR) and the agents that DNR appoints (issuing agents) may issue annual fishing licenses to state residents who have certain disabilities (disabled persons). An issuing agent may keep 50 cents of each fishing license fee.

This bill provides that, upon receipt of an application for an annual fishing license for a disabled person, an issuing agent must forward the application to DNR and issue the person a temporary fishing license valid for 14 days. DNR must grant or deny the application within this 14-day period. Finally, the bill provides that an issuing agent may keep 75 cents of the fishing license fee.
