4 senior volunteer programs and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, the department of health and family services (DHFS) provides general purpose revenue to public agencies and nonprofit organizations to administer retired senior volunteer programs (RSVPs). Currently, the general purpose revenue supplements federal funding for these programs. RSVPs are designed to help individuals who are age 55 and older find opportunities to perform volunteer work in their communities.

This bill increases the funding for RSVPs in the 2000-01 fiscal biennium. The increase in funding will be used in part to provide grants of \$15,000 to each county RSVP in operation on the effective date of this act, grants of \$20,000 to each of five county RSVPs in operation on the effective date of this act for the expansion of the programs into a contiguous county and, for the establishment of a new RSVP, one grant of \$40,000 to a county that is not contiguous to a county in which an RSVP operates.
