2 **and to create** 9.10 (4) (b) and (c) of the statutes; **relating to:** establishing a
3 requirement that a petition for the recall of a city, village, town or school district
4 officer include a statement of the grounds that constitute cause for the recall.

Analysis by the Legislative Reference Bureau

Under current law, a petition for the recall of a city, village, town or school district officer, in addition to other requirements, must state a reason for the recall that is related to the official responsibilities of the officer. Current law also provides for the removal of elected village, town and school district officers and certain elected city officers, for cause, after notice and a hearing. Under current law, inefficiency, neglect of duty, official misconduct or malfeasance in office constitute cause for removal from office.

This bill requires a petition for the recall of a city, village, town or school district officer to contain a statement of the grounds that constitute each cause for the recall. Under the bill, "cause" has the same meaning as under the current provisions dealing with removal from office. Upon finding that a petition is valid on its face, the body to which a petition has been submitted must file the petition with the circuit court. The court must then determine, after a hearing, whether the grounds stated in the petition, if true, would constitute cause for the recall. If the court determines that the grounds, if true, would constitute cause for the recall, then the court must issue

SENATE BILL 514

a certificate directing the city, village, town or school district to hold a recall election. If the court determines otherwise, no recall election is held.
