Analysis by the Legislative Reference Bureau

Current law prohibits a person from carrying a concealed and dangerous weapon. With certain exceptions, current law also prohibits a person from carrying a handgun on the premises of a tavern. A person who violates either of these prohibitions may be fined not more than \$10,000 or imprisoned for not more than nine months or both. In addition, current law prohibits a person from carrying any firearm in a building owned or leased by the state or any political subdivision of the state. A person who violates this prohibition may be fined not more than \$1,000 or imprisoned for not more than 90 days or both. None of these prohibitions apply to a peace officer, who is any person vested by law with a duty to maintain public order or to make arrests for crime.

This bill provides that these three weapons-related prohibitions do not apply to a probation, extended supervision, and parole agent whose primary duty is to locate persons who have absconded from probation, parole, or extended supervision (absconder agent) and who goes armed while acting in his or her official capacity.

The bill requires the department of corrections (DOC) to select the type of firearm that absconder agents may use and requires DOC to provide ammunition for the firearm to them. The absconder agent, however, is responsible for purchasing the

firearm and the holster. In addition, under the bill, DOC must provide training regarding firearm safety and use to absconder agents.

The bill also requires DOC to provide credentials and a badge to each absconder agent.
