### *Analysis by the Legislative Reference Bureau*

This bill creates a sales tax and use tax exemption for clothing and shoes, for human consumption, the value of which is less than \$100. The exemption applies between August 1 and September 15 of each year. The exemption does not apply, however, to a sales and use tax imposed by a county, a local professional baseball park district, or a professional football stadium district (local governmental unit) unless a county enacts an ordinance or a baseball or football district adopts a resolution that applies the exemption to the taxes imposed by that local governmental unit.

This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to this bill.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
