### ***Analysis by the Legislative Reference Bureau***

Current law restricts where certain persons who have been convicted of first or second degree sexual assault, first or second degree sexual assault of a child, repeated sexual assault of a child, incest with a child, or child enticement (a “serious sex offense”) may reside if they are living in the community. First, no person who has been convicted of a serious sex offense (a “sex offender”) may be paroled to any county where there is a correctional institution that has a specialized sex offender treatment program, unless that county was the person’s county of residence at the time of the

**ASSEMBLY BILL 738**

person's offense. (Presently, this provision only applies to Winnebago County.) Second, any sex offender who is released to extended supervision must agree, as a condition of extended supervision, to live in a residence that the department of corrections (DOC) has approved. Current law also imposes certain obligations on DOC with respect to where sex offenders reside. DOC must work to minimize, to the greatest extent possible, the residential population density of sex offenders who are on probation, parole, or extended supervision or who are placed on supervised release after having been committed for treatment as sexually violent persons.

This bill places additional restrictions on where child sex offenders -- defined as a person who has been convicted of child enticement, attempted child enticement, or, if the victim or the intended victim was under 18, any other serious sex offense -- may reside. Under the bill, a child sex offender who is being placed in the community under the supervision of DOC (through parole, extended supervision, or probation) may not reside within 1,000 feet of any of the following places: 1) a state, county, city, village, or town park; 2) a multiunit public housing project; 3) a public swimming pool; 4) a child care facility; 5) a youth center; 6) a community center; or 7) any private or public school premises. The bill imposes the same restriction on: 1) any person being placed in the community on conditional release after having been found not guilty by reason of mental disease or defect of child enticement, attempted child enticement, or, if the victim or the intended victim was under 18, any other serious sex offense; and 2) any person placed on supervised release after having been committed for treatment as a sexually violent person, regardless of the offense or offenses that provided a basis for his or her commitment.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

6 **SECTION 20.** 971.17 (3) (a) of the statutes is amended to read:

7 971.17 (3) (a) An order for commitment under this section shall specify either  
8 institutional care or conditional release. The court shall order institutional care if  
9 it finds by clear and convincing evidence that conditional release of the person would  
10 pose a significant risk of bodily harm to himself or herself or to others or of serious  
11 property damage. ~~If or that the person is a child sex offender who refuses to comply~~  
12 ~~with sub. (4f). Otherwise, the court does not make this finding, it shall order~~  
13 ~~conditional release. In determining whether commitment shall be for institutional~~  
14 ~~care or conditional release~~ the person would pose a significant risk of bodily harm to  
15 himself or herself or to others or of serious property damage, the court may consider,  
16 without limitation because of enumeration, the nature and circumstances of the  
17 crime, the person's mental history and present mental condition, where the person  
18 will live, how the person will support himself or herself, what arrangements are  
19 available to ensure that the person has access to and will take necessary medication,  
20 and what arrangements are possible for treatment beyond medication.

21 **SECTION 21.** 971.17 (3) (e) of the statutes is amended to read:

22 971.17 (3) (e) An order for conditional release places the person in the custody  
23 and control of the department of health and family services. A conditionally released  
24 person is subject to the conditions set by the court and, to the rules of the department  
25 of health and family services, and, if applicable, to sub. (4f). Before a person is

**ASSEMBLY BILL 738**

1 conditionally released by the court under this subsection, the court shall so notify the  
2 municipal police department and county sheriff for the area where the person will  
3 be residing. The notification requirement under this paragraph does not apply if a  
4 municipal department or county sheriff submits to the court a written statement  
5 waiving the right to be notified. If the department of health and family services  
6 alleges that a released person has violated any condition or rule, or that the safety  
7 of the person or others requires that conditional release be revoked, he or she may  
8 be taken into custody under the rules of the department. The department of health  
9 and family services shall submit a statement showing probable cause of the  
10 detention and a petition to revoke the order for conditional release to the committing  
11 court and the regional office of the state public defender responsible for handling  
12 cases in the county where the committing court is located within 48 hours after the  
13 detention. The court shall hear the petition within 30 days, unless the hearing or  
14 time deadline is waived by the detained person. Pending the revocation hearing, the  
15 department of health and family services may detain the person in a jail or in a  
16 hospital, center or facility specified by s. 51.15 (2). The state has the burden of  
17 proving by clear and convincing evidence that any rule or condition of release has  
18 been violated, or that the safety of the person or others requires that conditional  
19 release be revoked. If the court determines after hearing that any rule or condition  
20 of release has been violated, or that the safety of the person or others requires that  
21 conditional release be revoked, it may revoke the order for conditional release and  
22 order that the released person be placed in an appropriate institution under s. 51.37  
23 (3) until the expiration of the commitment or until again conditionally released  
24 under this section.

25 **SECTION 22.** 971.17 (4) (d) of the statutes is amended to read:

**ASSEMBLY BILL 738**

1           971.17 (4) (d) The court, without a jury, shall hear the petition within 30 days  
2 after the report of the court-appointed examiner is filed with the court, unless the  
3 petitioner waives this time limit. Expenses of proceedings under this subsection  
4 shall be paid as provided under s. 51.20 (18). The court shall grant the petition unless  
5 it finds by clear and convincing evidence that the person would pose a significant risk  
6 of bodily harm to himself or herself or to others or of serious property damage if  
7 conditionally released. In making this determination or that the person is a child sex  
8 offender who refuses to comply with sub. (4f). In determining whether the person  
9 would pose a significant risk of bodily harm to himself or herself or to others or of  
10 serious property damage, the court may consider, without limitation because of  
11 enumeration, the nature and circumstances of the crime, the person's mental history  
12 and present mental condition, where the person will live, how the person will support  
13 himself or herself, what arrangements are available to ensure that the person has  
14 access to and will take necessary medication, and what arrangements are possible  
15 for treatment beyond medication.

16           **SECTION 23.** 971.17 (4f) of the statutes is created to read:

17           971.17 (4f) RESIDENCY OF CHILD SEX OFFENDERS ON CONDITIONAL RELEASE. A child  
18 sex offender who is conditionally released under sub. (3) or (4) (e) may not, as a  
19 condition of the person's release, reside within 1,000 feet of any state, county, city,  
20 village, or town park, a multiunit public housing project, a swimming pool open to  
21 members of the public, a child care facility, as defined in s. 302.116 (1) (ad), a youth  
22 center, a community center, or any private or public school premises.

2 order under sub. ~~(1)~~ (1d), the department of health and family services shall notify  
3 all of the following:

4           **SECTION 25.** 971.17 (6) (b) of the statutes is amended to read:

5           971.17 (6) (b) Upon the expiration of a commitment order under sub. ~~(1)~~ (1d),  
6 the court shall discharge the person, subject to the right of the department of health  
7 and family services or the appropriate county department under s. 51.42 or 51.437  
8 to proceed against the person under ch. 51 or 55. If none of those departments  
9 proceeds against the person under ch. 51 or 55, the court may order the proceeding.

13 probation, from residing within 1,000 feet of any state, county, city, village, or town  
14 park, a multiunit public housing project, a swimming pool open to members of the

15 declines to prepare a plan, the department may arrange for another county to

17 living in that county. If the department is unable to arrange for another county to  
18 prepare a plan, the court shall designate a county department to prepare the plan,  
19 order the county department to prepare the plan, and place the person on supervised  
20 release in that county, except that the court may not so designate the county

24 **SECTION 34.** 980.08 (6m) of the statutes is amended to read:

**ASSEMBLY BILL 738****SECTION 34**

1           980.08 (6m) An order for supervised release places the person in the custody  
2 and control of the department. The department shall arrange for control, care, and  
3 treatment of the person in the least restrictive manner consistent with the  
4 requirements of the person and in accordance with the plan for supervised release  
5 approved by the court under sub. (5) (d). A person on supervised release is subject  
6 to the conditions set by the court and to the rules of the department. Before a person  
7 is placed on supervised release by the court under this section, the court shall so  
8 notify the municipal police department and county sheriff for the municipality and  
9 county in which the person will be residing. The notification requirement under this  
10 subsection does not apply if a municipal police department or county sheriff submits  
11 to the court a written statement waiving the right to be notified. If the department  
12 alleges that a released person has violated any condition or rule, or that the safety  
13 of others requires that supervised release be revoked, he or she may be taken into  
14 custody under the rules of the department. The department shall submit a  
15 statement showing probable cause of the detention and a petition to revoke the order  
16 for supervised release to the committing court and the regional office of the state  
17 public defender responsible for handling cases in the county where the committing  
18 court is located within 72 hours after the detention, excluding Saturdays, Sundays,  
19 and legal holidays. The court shall hear the petition within 30 days, unless the  
20 hearing or time deadline is waived by the detained person. Pending the revocation  
21 hearing, the department may detain the person in a jail or in a hospital, center, or  
22 facility specified by s. 51.15 (2). The state has the burden of proving by clear and  
23 convincing evidence that any rule or condition of release has been violated, or that  
24 the safety of others requires that supervised release be revoked. If the court  
25 determines after hearing that any rule or condition of release has been violated, or

**ASSEMBLY BILL 738**

1 that the safety of others requires that supervised release be revoked, it may revoke  
2 the order for supervised release and order that the released person be placed in an  
3 appropriate institution until the person is discharged from the commitment under  
4 s. 980.09 or until again placed on supervised release under this section.
