Analysis by the Legislative Reference Bureau

Under current law, the court assigned to exercise jurisdiction under the Juvenile Justice Code (juvenile court) may impose various dispositions on a juvenile who has been adjudged delinquent. Those dispositions include the imposition of a forfeiture on the juvenile and the juvenile's parents, a requirement that the juvenile participate in a supervised work program or other community service work, and, for certain violations, restriction or suspension of the juvenile's operating privilege (driver's license). This bill permits the juvenile court to impose, in addition to any other disposition that the juvenile court may impose under current law, any of the following dispositions on a juvenile who has been found to have made a bomb scare involving a school premises or to have possessed or discharged a firearm in a school zone:

1. Participation in anger management counseling or any other counseling ordered by the juvenile court.
2. Participation for 100 hours in a supervised work program or the performance of 100 hours of other community service work.
3. Restriction or suspension of the juvenile's driver's license for two years, if the juvenile used a motor vehicle to facilitate the commission of the violation.
