### *Analysis by the Legislative Reference Bureau*

Under current law, school boards may enter into contracts with individuals, groups, businesses, or governmental bodies to establish charter schools, which operate with fewer constraints than traditional public schools. Current law also permits the University of Wisconsin-Milwaukee, the University of Wisconsin-Parkside, the Milwaukee Area Technical College, and the city of Milwaukee to operate charter schools (independent charter schools) directly or to contract for the operation of charter schools. Only pupils who reside in the school district in which an independent charter school is located may attend the charter school.

This bill allows a pupil who resides outside the Milwaukee school district to attend an independent charter school located in the Milwaukee school district. The bill also explicitly authorizes a school board to transport pupils to and from a charter school. If a school board elects to do so, it receives state transportation aid.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
