1 **AN ACT to amend** 74.11 (7), 74.12 (7) and 74.12 (8); and **to create** 74.01 (8) of the
2 statutes; **relating to:** late payments of property tax installments.

Analysis by the Legislative Reference Bureau

Under current law, installment payments of property taxes that are paid after the due date are delinquent and are, therefore, subject to interest and penalties. Under this bill, installment payments of property taxes that are paid within five working days from the due date are not delinquent, but are subject to interest at the rate of 1% per month or fraction of a month, calculated from the due date to the date on which the payments are paid.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.
