- 1 **AN ACT** *to create* 59.10 (2) (d) of the statutes; **relating to:** the size of the county
2 board of supervisors in populous counties.

Analysis by the Legislative Reference Bureau

Current law requires each county board to redistrict its supervisory districts once every ten years based on the results of the decennial federal census. This bill permits the board of supervisors of any county with a population of at least 500,000 (currently, only Milwaukee County) to decrease the number of supervisors on the board and adopt a new redistricting plan during the ten-year period between the adoption of decennial redistricting plans. Under the bill, the board may make such a change only once every four years. The bill requires the redistricting plan to satisfy certain criteria that also apply to decennial redistricting plans. For example, the bill requires the districts created under the redistricting plan to be substantially equal in population and in as compact a form as possible, and requires each district to contain whole contiguous municipalities or contiguous parts of the same municipality. The bill further requires the districts to consist of contiguous whole wards in existence at the time at which the redistricting plan is adopted and requires the original numbers of the districts in their geographic outlines, to the extent possible, to be retained. Under the bill, supervisors are elected from the districts created under the redistricting plan at the next spring election when supervisors would normally be elected.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SENATE BILL 42**SECTION 1**

1 **SECTION 1.** 59.10 (2) (d) of the statutes is created to read:

6 of supervisory districts, so that the number of districts equals the number of

14 subdivision, the original numbers of the districts in their geographic outlines, to the
15 extent possible, shall be retained. The chairperson of the board shall file a certified
16 copy of any redistricting plan adopted under this subdivision with the secretary of
17 state.

18 2. 'Election; term.' Except as otherwise provided in this subdivision, any
19 redistricting plan enacted under subd. 1. that becomes effective before November 15
20 preceding the expiration of the term of office of supervisors in the county first applies
