3 disabled persons.

Analysis by the Legislative Reference Bureau

Under current law, a person may obtain a special registration plate or temporary certification that allows the person to park in spaces reserved for disabled drivers if the person provides the Department of Transportation with certification from a physician, an advanced practice nurse licensed to practice nursing in any state, a physician assistant licensed or certified to practice in any state, a chiropractor licensed to practice chiropractic in any state, or a Christian Science practitioner stating that the person has a disability that limits his or her ability to walk. This bill allows a public health nurse to provide the necessary certification to enable a person to obtain a special registration plate or temporary certification for disabled drivers.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
