### *Analysis by the Legislative Reference Bureau*

This bill creates an appropriation in the Department of Transportation (DOT) for the purpose of issuing and renewing identification cards without charge, and provides for the transfer to this appropriation account of up to \$250,000 per fiscal year of federal Help America Vote Act funds. Under the bill, DOT must certify to the Elections Board (board) its costs incurred in issuing identification cards without charge, and the board must certify to DOT the amount of costs that the board determines to be correct. The provisions of the bill are contingent upon the enactment of 2005 Assembly Bill 63 or 2005 Senate Bill 42.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
