### *Analysis by the Legislative Reference Bureau*

Under current law, the State Public Defender (SPD) provides indigent people legal representation for certain types of proceedings including criminal, commitment, protective placement, paternity, and juvenile delinquency proceedings. The SPD also provides children legal counsel in certain types of cases regardless of the child's economic status. The SPD must make indigency determinations with respect to persons who request appointment of counsel on the basis of indigency and must assign counsel for all people who are eligible for SPD representation. The SPD may assign cases to attorneys employed by the SPD or to private attorneys. The SPD reimburses private attorneys \$40 an hour for time spent related to a case, excluding travel time. (The SPD reimburses private attorneys \$25 an hour for out-of-county travel.)

This bill requires the SPD to make an indigency determination for a criminal defendant within one business day of the defendant's initial appearance, and requires the SPD to appoint counsel for a criminal defendant who is determined to be indigent within one business day of the indigency determination or two business

days of the initial appearance, whichever is later. If the SPD does not meet these deadlines, the circuit court judge may make the indigency determination and appoint counsel. The bill also increases the reimbursement rate for private attorneys from \$40 an hour to \$70 an hour.
