

2007 ASSEMBLY BILL 441

July 3, 2007 – Introduced by Representatives MURSAU and NYGREN. Referred to Committee on Education.

- 1 **AN ACT relating to:** eligibility for the public school Open Enrollment Program
2 for certain residents of the Marinette School District.

Analysis by the Legislative Reference Bureau

Currently, under the full-time Open Enrollment Program, a pupil may apply to attend a public school in a school district other than the pupil's resident school district if certain conditions are met. The deadline for submitting an application to the nonresident school district that a pupil wishes to attend is the third Friday following the first Monday in February in the school year preceding the school year of attendance.

In May 2007, the Marinette School District voted to close Porterfield Elementary School at the end of the 2006-07 school year.

This bill allows the parents of a pupil who would have been eligible to attend Porterfield Elementary School in the 2007-08 school year to apply, within five days after the effective date of this bill, to attend a public school in a nonresident school district under the Open Enrollment Program.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
