### *Analysis by the Legislative Reference Bureau*

Under current law, with certain exceptions including an exception for residents under the age of 16, no person may fish in this state unless the person has a valid approval that authorizes fishing. The Department of Natural Resources (DNR) issues various fishing licenses including resident and nonresident annual fishing licenses, two-day sports fishing licenses for both residents and nonresidents, 15-day fishing licenses for nonresidents, and four-day fishing licenses for nonresidents. This bill requires DNR to also issue one-day fishing licenses to residents and nonresidents. The bill also provides that a person who holds a one-day fishing license may pay a reduced fee for an annual license that is issued during the same year for which the one-day license is valid.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
