## 2015 ASSEMBLY BILL 587

December 10, 2015 – Introduced by Representatives HEBL, WACHS, BERCEAU, JOHNSON, KESSLER, KOLSTE, OHNSTAD, POPE, SPREITZER, SUBECK, C. TAYLOR and ZEPNICK, cosponsored by Senators RINGHAND, L. TAYLOR and VINEHOUT. Referred to Committee on Judiciary.

1 AN ACT to renumber and amend 757.91; and to create 757.91 (2) of the 2 statutes; relating to: equally divided determinations of the Wisconsin 3 Supreme Court on matters of judicial discipline or permanent disability.

## Analysis by the Legislative Reference Bureau

Under current law, the Judicial Commission (commission) must investigate any possible misconduct or permanent disability of a judge or circuit or supplemental court commissioner. If, after the investigation, the commission finds probable cause that the judge or court commissioner has engaged in misconduct or has a permanent disability, the commission must file a petition with the Wisconsin Supreme Court and prosecute the case against the judge or court commissioner. The case is heard either by a panel of judges or, when requested by the commission, by a jury. Also under current law, the supreme court must review the findings of fact, conclusions of law, and recommendations made by the panel of judges and determine appropriate discipline of the judge or court commissioner in cases of misconduct and appropriate action in cases of permanent disability.

This bill provides that, in cases where the supreme court is equally divided on the question of appropriate discipline or action, the findings of fact, conclusions of law, and recommendations of the panel of judges are binding on the disciplined or disabled judge or court commissioner. The bill also clarifies that, in those cases of discipline or permanent disability that are heard by a jury, the supreme court must review the jury verdict and recommendations of the presiding judge. If the supreme court is equally divided on the question of appropriate discipline or action in a case
