1 **AN ACT to amend** 71.05 (6) (b) 22. of the statutes; **relating to:** changing the
2 individual income tax deduction eligibility requirements for certain
3 adoption-related expenses.

Analysis by the Legislative Reference Bureau

Under this bill, an adoptive parent may claim the state income tax deduction for certain adoption expenses if a final adoption order has been entered by a court in this state related to a foreign adoption or by a court of any other state. Currently, the deduction may be claimed only for expenses related to the domestic adoption of a child for whom a final order of adoption is entered by a Wisconsin court. This bill expands the types of adoptions for which a deduction may be claimed.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
