1 **AN ACT** *to create* 20.370 (1) (fq), 20.370 (6) (dd) and 23.22 (2) (g) of the statutes;
2 **relating to:** grants to map, control, eradicate, monitor, and minimize the
3 spread of wild parsnip; funding for the Bureau of Natural Heritage
4 Conservation; granting rule-making authority; and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Natural Resources, under its statewide program to control invasive species, to award up to \$100,000 in each fiscal year in the 2021-23 fiscal biennium in grants to local governments or American Indian tribes or bands that have declared wild parsnip to be a noxious weed for projects on public or private land to map, control, eradicate, monitor, and minimize the spread of wild parsnip. The bill allows a grant recipient to collaborate with a regional conservation organization on a project funded by the grant.

The bill appropriates \$50,000 in each fiscal year in the 2021-23 fiscal biennium to the Bureau of Natural Heritage Conservation.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
