2 **to create** 36.13 of the statutes; **relating to:** faculty tenure and probationary
3 appointments at University of Wisconsin System institutions and granting
4 rule-making authority.

Analysis by the Legislative Reference Bureau

This bill restores the tenure and probationary appointment provisions for faculty of the University of Wisconsin System that were in effect just prior to enactment of the 2015-17 biennial budget act (2015 Act 55).

Prior to 2015 Act 55, the statutes specifically authorized the Board of Regents of the UW System to grant to a ranked faculty member a tenure appointment for an unlimited period if certain conditions were met, including that the chancellor of the applicable UW institution and, with an exception, the faculty member's academic department both affirmatively recommended the tenure appointment. A tenured faculty member could be dismissed only for just cause. The statutes also specifically authorized the Board of Regents to make faculty probationary appointments for a period preceding a decision on tenure. A faculty member having a probationary appointment could be dismissed prior to the end of the contract term only for just cause.

This bill restores the tenure and probationary appointment provisions for UW System faculty that existed just prior to enactment of 2015 Act 55.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

6 appointment.

7 (b) “Tenure appointment” means an appointment for an unlimited period
8 granted to a ranked faculty member by the board.

9 **(2) APPOINTMENTS.** (a) Except as provided under par. (b), the board may grant
10 a tenure appointment only upon the affirmative recommendation of the appropriate
11 chancellor and the appropriate academic department or its functional equivalent.
12 Neither the chancellor nor the academic department or its functional equivalent may
13 base a tenure recommendation upon impermissible factors, as defined by the board
14 by rule.

15 (b) The board may grant a tenure appointment without the affirmative
16 recommendation of the appropriate academic department or its functional
17 equivalent if all of the following apply:

19 chancellor.

20 2. A faculty committee authorized by the board by rule to review the negative
21 recommendation of the academic department or its functional equivalent finds that

13 by rule.

15 holds or will hold a half-time appointment or more. The proportion of time provided
16 for in the appointment may not be diminished nor increased without the mutual
