

CHAPTER 51.

CARE OF MENTALLY ILL, INFIRM AND DEFICIENT PERSONS.

51.001	Definitions.	51.17	Private pay for patients.
51.01	Procedure to determine mental condition.	51.18	Family care; costs to state; to county.
51.02	Procedure to determine mental condition (continued)	51.19	Child born in hospital.
51.03	Jury trial.	51.20	Records of patients.
51.04	Temporary detention of persons.	51.21	Central state hospital.
51.05	Commitments.	51.215	Transfer of mentally ill children from schools for boys and girls.
51.06	Execution of commitment; expenses.	51.22	Colonies and training schools.
51.07	Fees of judges, examining physicians, witnesses; expenses of proceedings.	51.23	Mentally deficient; examinations; commitments.
51.08	Maintenance.	51.235	Wisconsin psychiatric institute.
51.09	Inebriates and drug addicts.	51.24	Milwaukee hospital for mental diseases.
51.10	Voluntary admissions.	51.25	County hospitals.
51.11	Re-examination of patients.	51.27	Tuberculous patients; segregation; transfers; state aid; free care.
51.12	Transfer and discharge of patients; mentally ill veterans.	51.30	Records closed.
51.125	Transfer for better placement.	51.31	Mentally infirm or deficient persons, general provision.
51.13	Conditional release of patients; presumption of competency and discharge by lapse of time.	51.32	Nonresident escaped patients.
51.14	Superintendent's reports to county judge; record.	51.35	Communications and packages.
51.15	State hospitals; districts.	51.37	Sexual psychopaths.
51.16	Superintendent's oath and duties; subpoenas on.	51.40	Alcohol studies.
		51.41	Duties of the department.
		51.42	Establishment of local facilities.
		51.50	Short title.

51.001 Definitions. As used in this chapter:

- (1) Mental illness is synonymous with insanity; mental infirmity with senility; and mental deficiency with feeble-mindedness.
- (2) County hospital means a hospital for mental disturbances.

51.01 Procedure to determine mental condition. (1) **APPLICATION TO JUDGE.** (a) Written application for the mental examination of any person (herein called "patient") believed to be mentally ill, mentally infirm or mentally deficient or epileptic, and for his commitment, may be made to the county or district judge of the county in which the patient is found, by at least 3 adult residents of the state, one of whom must be a person with whom the patient resides or at whose home he may be or a parent, child, spouse, brother, sister or friend of the patient, or the sheriff or a police officer or public welfare or health officer. However, if the patient is under 18 years of age, the application shall be made to the judge of the juvenile court of the county in which such minor is found.

(b) If the county judge or the district judge is not available, the judge of any court of record of the county may act on the application. If no such judge is available, any court commissioner of the county may act.

(2) **APPOINTMENT OF EXAMINING PHYSICIANS.** (a) On receipt of the application the judge shall appoint 2 duly licensed reputable physicians to personally examine the patient, one of whom, if available, must have had 2 years' practice of his profession or one year of practice in a hospital for the mentally ill, and who are so registered by the judge on a list kept in his office, and neither of whom is related by blood or marriage to the patient or has any interest in his property.

(b) The examining physicians shall personally observe and examine the patient and satisfy themselves as to his mental condition and report the result to the judge, in writing, at the earliest possible time or the time fixed by the judge.

(3) **FORMS.** The department shall prescribe forms for the orderly administration of chapter 51, and furnish such forms to the county judges and to the several institutions. Until such forms are so furnished, the interrogatories in section 51.01, statutes of 1945, and other forms in common use continue in force. A substantial compliance with prescribed forms is sufficient.

(4) **REPORT OF EXAMINING PHYSICIANS.** The examining physicians, as part of their report, shall make and file substantially the following affidavit:

We, and, the examining physicians, being severally sworn, do certify that we have with care personally examined [insert name of person examined] now at in said county, and as a result of such examination we hereby certify that he is mentally ill and a proper subject for custody and treatment [or, he is mentally infirm, or mentally deficient, or epileptic, and a proper subject for custody and

treatment; or, he is not mentally ill or infirm or deficient or epileptic]; that our opinion is based upon the history of his case and our examination of him; that the facts stated and the information contained in this certificate and our report are true to the best of our knowledge and belief. We informed the patient that he was examined by us as to his mental condition, pursuant to an application made therefor, and of his right to be heard by the judge.

[51.015 created by 1947 c. 459 renumbered section 51.37 by 43.08 (2)]

51.02 Procedure to determine mental condition (continued). (1) NOTICE OF HEARING. (a) On receipt of the application or of the report of the examining physicians, the judge shall appoint a time and place for hearing the application and shall cause notice thereof to be served upon the patient in the manner prescribed in section 262.08 (1), which notice shall state that application has been made for an examination into his mental condition (withholding the names of the applicants) and that such application will be heard at the time and place named in the notice; but if it appears to the satisfaction of the judge that the notice would be injurious or without advantage to the patient by reason of his mental condition, the service of notice may be omitted. The judge may, in his discretion, cause notice to be given to such other persons as he deems advisable. If the notice is served the judge may proceed to hold the hearing at the time and place specified therein; or, if it is dispensed with, at any time.

(b) The judge shall determine whether the patient is a war veteran. If he is, the judge shall promptly notify the state department of veterans' affairs, and in the event of commitment, he shall notify the nearest United States Veterans' Administration facility of the commitment.

(2) HEARING. At the hearing any party in interest may examine the physicians and other witnesses, on oath, before the judge and may offer evidence. At the opening of the hearing the judge shall state to the patient, if present, in simple, nontechnical language the purpose of the examination and his right to be heard and to protest and oppose the proceedings and his commitment; but where it is apparent to the judge that the mentality of the patient is such that he would not understand, he may omit such statement. The hearing may be had in the court room or elsewhere and shall be open only to persons in interest and their attorneys and witnesses. Before making his decision the judge shall personally observe the patient.

(3) DISTRICT ATTORNEY TO HELP. If requested by the judge, the district attorney shall assist in conducting proceedings under this chapter.

(4) APPOINTMENT OF GUARDIAN AD LITEM. At any stage of the proceedings, the judge may, if he thinks the best interest of the patient requires it, appoint a guardian ad litem for him.

(5) JUDGE'S DECISION. At the conclusion of the hearing the judge may:

- (a) Discharge the patient if satisfied that he is not mentally ill or infirm or deficient or epileptic, so as to require care and treatment, or
- (b) Order him detained for observation if in doubt as to his mental condition, or
- (c) Order him committed if satisfied that he is mentally ill or infirm or deficient or epileptic and that he is a proper subject for custody and treatment, or
- (d) In case of trial by jury, order him discharged or committed in accordance with the jury verdict.

51.03 Jury trial. If a jury is demanded by the alleged mentally ill, infirm, deficient or epileptic patient or by a relative or friend in his behalf, before commitment, the judge shall direct that a jury be summoned to appear before him to determine the mental condition of the patient. The procedure shall be substantially like a jury trial in a civil action before a justice of the peace, and the 6 jurors shall be selected as in justice court. The judge may instruct the jurors in the law. No verdict shall be valid or received unless agreed to and signed by at least 5 of the jurors. At the time of ordering a jury to be summoned, the judge shall fix the date of the hearing, which date shall be not less than 30 days nor more than 40 days after the demand for a jury is made. In the meantime the judge may order the patient temporarily detained in a designated public institution, until the date of hearing, for observation. The judge shall submit to the jury the following form of verdict:

STATE OF WISCONSIN }
.... County }ss
Members of the Jury:

(1) Do you find from the evidence that the patient (insert his name) is mentally ill or mentally infirm or mentally deficient or epileptic?* Answer "Yes" or "No".

Answer:

(2) If you answer the first question "Yes", then do you further find from the evidence that said patient is a proper subject for custody and treatment? Answer "Yes" or "No".

Answer:

(Signatures of jurors who agree)

* Note: Strike out mental condition not involved, so as to submit only that condition or conditions as to which evidence has been taken. If more than one is submitted, add a further question. Which?

51.04 Temporary detention of persons. (1) **EMERGENCY PROVISIONS.** The sheriff or any other police officer may take into temporary custody any person who is violent or who threatens violence and who appears irresponsible and dangerous. This is an emergency provision intended for the protection of persons and property. Such person may be kept in custody until regular proceedings are instituted to cope with the case, but not exceeding 3 days.

(2) **FOR SAFETY.** If it appears from the application for his mental examination or otherwise that safety requires it, the judge may order the sheriff or other police officer who has such person in custody to confine him in a designated place for a specified time, not exceeding 10 days.

(3) **MEDICAL OBSERVATION.** Upon receipt of the report of the physicians the judge may order his detention in a designated institution for a stated period not exceeding 30 days. Upon the application of the superintendent of the institution or any interested person the judge may extend the detention period, but the temporary detention shall not exceed 90 days in all.

(4) **USE OF JAILS RESTRICTED.** No patient shall be detained in any jail or other place of confinement for criminals unless there is no other place of detention available which has been approved by the judge, or unless the patient is violent or dangerous and it is necessary to confine him in jail. If the patient is jailed, the officer shall immediately notify the county judge or district judge, or in their absence, the judge of any other court of record.

51.05 Commitments. (1) **TO INSTITUTION.** If the judge or jury finds that the patient is mentally ill or infirm and should be sent to a hospital for the mentally ill or infirm, the judge shall commit him to a hospital, stating in the commitment whether the notice specified in section 51.02 was served, and if not, the reasons. If the judge or a jury finds that the patient is mentally infirm, commitment may be to the facility mentioned in subsection (5). If it is found that the patient is mentally deficient or epileptic and should be committed, the commitment shall be to the northern colony and training school or the southern colony and training school.

(2) **TO WHAT DISTRICT.** Commitments of mentally ill or infirm persons from any county (other than a county having a population of 500,000) of persons whose mental illness has not become chronic, or who do not have legal settlement in the county, and commitments of chronic cases from a county not having a county hospital, shall be to the state hospital for the district in which the county is situated, unless the department consents to a different commitment.

(3) **LEGAL SETTLEMENT RULE.** If the patient has a legal settlement in a county which has a county hospital and the judge is satisfied that the mental illness or infirmity of the patient is chronic, he may commit him to the county hospital. If he has a legal settlement in a county having a population of 500,000, the commitment shall be to any of the county's hospitals for mental diseases, having due regard to the condition of the patient and the nature of his malady. If the patient has no legal settlement he shall be committed to a state hospital. The judge shall, in a summary manner, ascertain the place of the patient's legal settlement. The judge's finding shall be included in the order of commitment.

(4) **TO AWAIT LEGAL PAPERS.** If a patient is brought to or applies for admission to any hospital without a commitment or application or under a void or irregular commitment or application, the superintendent may detain him not exceeding 10 days to procure a valid commitment or application or for observation. If the patient needs hospitalization, in the opinion of the superintendent, he may make the application provided for in section 51.01; and thereafter the proceedings shall be as upon other applications. His signature to the application shall suffice. The superintendent's application shall be made in the county where the institution is located.

(5) **MENTALLY INFIRM FACILITY.** The county board may provide a facility in the county home or hospital for the care and treatment of mentally infirm persons. Section 46.17 shall apply to such facilities.

51.06 Execution of commitment; expenses. (1) The sheriff and such assistants as the judge deems necessary shall execute the commitment; but if any competent relative or friend of any patient so requests, the commitment may be delivered to and executed by him. For such execution he shall be entitled to his necessary expenses, not exceeding the fees and expenses allowed to sheriffs. The officer, unless otherwise ordered by the judge, shall on the day that a patient is adjudged mentally ill or infirm or deficient or epileptic, deliver him to the proper institution. Every female patient transported to a hospital shall be accompanied by a competent woman. The judge shall prescribe the kind of transportation to be used.

(2) Copies of the application for examination and of the report of the examining physicians and the adjudication and the commitment shall be delivered to the person in charge of the institution to which the patient is committed.

51.07 Fees of judges, examining physicians, witnesses; expenses of proceedings.

(1) Except in Milwaukee county, the judge shall receive a fee of \$5 for the hearing of an application for commitment and all matters and papers connected therewith.

(2) Unless previously fixed by the county board of the county in which the examination is held, the examining physician shall receive a fee of not less than \$4 nor more than \$10, as fixed by the examining judge, for each day that he is required to attend, and 10 cents per mile for necessary travel.

(3) Witnesses subpoenaed before the judge shall be entitled to the same fees as witnesses before courts of record. Such fees and charges shall be paid by the county.

(4) Expenses of the proceedings, from the presentation of the application to the commitment or discharge of the patient, including a reasonable charge for a guardian ad litem, shall be allowed by the judge and paid by the county from which the patient is committed or discharged, in the manner that the expenses of a criminal prosecution in justice court are paid, as provided in section 59.77.

(5) If the patient has a legal settlement in a county other than the county from which he is committed or discharged, that county shall reimburse the county from which he was committed or discharged all such expenses. The county clerk on July 1 shall submit evidences of payments of all such proceedings on nonresident payments to the department, which shall certify such expenses for reimbursement in the form of giving credits to the committing or discharging county and assessing such costs against the county of legal settlement or against the state at the time of the annual audit.

51.08 Maintenance. (1) The expense of maintenance, care and treatment of each patient in any state hospital shall be at the rate of \$4 per week, and in any county hospital or facility for the mentally infirm at the rate of \$8 per week. For each such patient in any county hospital maintained at public charge elsewhere than in the county of his legal settlement the whole rate shall be charged to the state and one-half charged over by the state against the county of his legal settlement. For other patients maintained in any county hospital at public charge one-half of said rate shall be charged to the state and one-half to the county of their legal settlement. When any patient is temporarily transferred from any state or county hospital to a hospital for surgical and medical care or both, the state charges or aid provided for in this subsection shall continue during the period of such transfer. Such charge shall be adjusted as provided in section 46.106, but nothing herein shall prevent the collection of the actual per capita cost of maintenance or a part thereof by the department or by a county having a population of 500,000. This amendment (1949) shall be effective so as to apply to the cost of county operation of hospitals beginning July 1, 1948.

[51.09 Stats. 1945 repealed by 1947 c. 485]

51.09 Inebriates and drug addicts. (1) **HEARING.** If it appears to any judge of a court of record, by an application of 3 reputable adult residents of the county, that a resident of the county or person temporarily residing therein is an inebriate or a narcotic drug addict and in need of confinement or treatment, the judge shall fix a time and place for hearing the application, on reasonable personal notice to the person in question, requiring him to appear at the hearing, and shall summarily hear the evidence. The judge may require notice to be given to known relatives of the person. At such hearing if the judge finds that such person is an inebriate or a narcotic drug addict, and requires confinement or treatment, or that it is necessary for the protection of himself or the public or his relatives that he be committed, he may be committed to the county hospital or to Winnebago or Mendota state hospital. At the hearing the judge shall determine the person's legal settlement, and the county of such settlement shall be liable over for his maintenance and treatment. The provisions against detaining patients in jails shall not apply to inebriates or drug addicts except in case of acute illness.

(2) **COMMITMENT.** The commitment of an inebriate or a drug addict shall be for such period of time as in the judgment of the superintendent of the institution may be necessary to enable him to take care of himself. He shall be released upon the certificate of the superintendent that he has so recovered. When he has been confined 6 months and has been refused such a certificate he may obtain a hearing upon the question of his recovery in the manner and with the effect provided for a re-examination under section 51.11.

(3) **VOLUNTARY PATIENTS.** Any adult resident of this state who believes himself to be an inebriate or a drug addict may make a signed application to the presiding judge of a court of record of the county where he resides to be committed to a hospital. His application must be accompanied by the certificate of a resident physician of the county that confinement and treatment of the applicant are advisable for his health and for the public welfare. The judge may act summarily upon the application and may take testimony. If he finds that the applicant satisfies the conditions of this section, he shall commit him as he would had there been an application under subsection (1), including a finding as to legal settlement.

(4) **CONDITIONAL RELEASE.** A conditional release may be granted to the inebriate or drug addict under the provisions of section 51.13.

(5) **TREATMENT OF DRUG ADDICTS.** The department shall provide treatment for drug addicts at the state institutions to which they are committed; and counties having a population of 500,000 shall provide treatment of drug addicts in local institutions to which they are committed. For each drug addict treated in such local institutions the county shall receive the same allowance from the state as it receives for the care of other patients in the same institutions.

51.10 Voluntary admissions. (1) Any resident adult of this state, believing himself to be suffering from any mental disorder, upon his written application stating his condition, supported by the certificate of his physician, based upon personal examination, may be admitted as a voluntary patient to any suitable state or county institution without an order of the judge and in the discretion of the superintendent. Any resident minor or incompetent may be admitted upon application signed by parent, spouse or legal guardian, supported by a like certificate.

(2) The superintendent shall forward to the county judge of the patient's residence a copy of his application. The judge shall determine the patient's legal settlement and certify the same to the superintendent. The county of his legal settlement (if he has one) shall be charged with his care, unless his care is privately paid for. A voluntary patient shall be subject to the same laws, rules and regulations as a regularly committed patient, except that he may leave at any time if, in the judgment of the superintendent, he is in fit condition, on 5 days' written notice to the superintendent of his intention to leave, given by the patient or his guardian. The patient shall not be detained over 35 days after such notice is given. If, in the opinion of the superintendent, the patient needs further hospitalization, he may make application in the county where the institution is located, as provided in section 51.01; and thereafter proceedings shall be as upon other applications. The superintendent's signature on the application shall suffice.

(3) If a voluntary patient is found to be a nonresident of this state and does not apply for a discharge, the superintendent shall make application for commitment to the county judge of the county where the institution is located, as provided in section 51.01. The application of the superintendent alone is sufficient.

(4) If at any stage of an inquiry under this chapter, the patient prefers to enter an institution voluntarily, the judge may permit him to become a voluntary patient pursuant to subsection (1) upon his signing an application therefor in the presence of the judge; and the judge may continue the hearing or dismiss the proceedings and shall notify the institution of his action.

51.11 Re-examination of patients. (1) Except as otherwise provided in sections 51.21, 357.11 and 357.13, any person adjudged mentally ill or infirm or deficient or epileptic, or restrained of his liberty because of alleged mental illness or infirmity or deficiency or epilepsy, may on his own verified petition or that of his guardian or some relative or friend have a re-examination before the judge of any court of record, either of the county from which he was committed or in which he is detained.

(2) The petition shall state the facts necessary to jurisdiction, the name and residence of the patient's general guardian, if he has one, and the name, location and superintendent of the institution, if the person is detained.

(3) The judge shall thereupon appoint 2 disinterested physicians, each having the qualifications prescribed in section 51.01, to examine and observe the patient and report their findings in writing to the judge. For the purpose of such examination and observation the judge may order the patient confined in a convenient place as provided in section 51.04.

(3a) If the patient is under commitment to a hospital, a notice of the appointment of the examining physicians and a copy of their report shall be furnished to such hospital by the judge.

(4) Upon the filing of the report the judge shall fix a time and place of hearing and cause reasonable notice to be given to the petitioner and to the hospital and to the general guardian of the patient, if he has one, and may notify any known relative of the patient. The provisions of section 51.02, so far as applicable, shall govern the procedure.

(5) If the judge determines that the patient is sane he shall enter judgment to that effect and order his discharge; if he shall not so determine, he shall order him returned under the original commitment, except that if he is at large on conditional release or leave, the judge may permit him so to continue. If a jury trial is demanded, the procedure shall, as near as may be, be the same as in section 51.03, and the judge's order or determination shall be in accordance with the jury's verdict.

(6) All persons who render services in such proceedings shall receive the same compensation and all expenses of such proceedings shall be paid and adjusted as provided in section 51.07.

(7) When a proceeding for retrial or re-examination is not pending in a court of record and a jury trial is not desired by the persons authorized to commence such proceeding, the department may, on application, determine the mental condition of any patient committed to any institution under this chapter, and its determination shall be recorded in the county court of the county in which the patient resides or from which he was committed, and such determination shall have the same effect as though made by the county judge. The department may also, with or without application, if it has reason to doubt the mental illness or infirmity of any such patient, require the judge of the county from which he was committed or in which he is detained to determine his mental condition pursuant to this section.

(8) Subsequent re-examinations may be had at any time in the discretion of the judge but may be compelled after one year of the preceding one.

51.12 Transfer and discharge of patients; mentally ill veterans. (1) Patients may be transferred by the department from any state hospital or county hospital or facility to any other state hospital or county hospital or facility when the transfer would be for the best interest of the patient or for the benefit of other patients or to prevent the exclusion of patients whose cases are of a more hopeful character. This subsection shall not apply to veterans who are patients in the Wisconsin memorial hospital.

(2) The department may, if any county has not provided for the proper care of its mentally ill or infirm, direct their removal to the hospital or facility of any other county possessing suitable accommodations; and such removal shall be made at the expense of the county from which such patients are removed.

(3) The department may, with the approval of the committing court, transfer to any county hospital any inmate of the central state hospital committed under section 357.11 or 357.13, and may, without such approval, transfer to a county hospital any patient transferred to the central state hospital whose term has expired, if, in its opinion, the mental condition of such inmate or patient is chronic and he can be properly cared for in a county hospital.

(4) The superintendent of any state hospital, with the approval of the department, may at any time discharge any patient (including those on conditional release) who in his judgement is recovered, or who is not recovered but whose discharge will not be detrimental to the public welfare or injurious to the patient.

(5) When the department has notice that any person is entitled to receive care and support in a veterans' administration facility, it shall, in co-operation with the department of veterans' affairs, procure his admission to said facility.

(6) If the department, acting under section 51.11, determines that any person in any state or county institution under its jurisdiction is mentally deficient or epileptic, it may transfer him to an institution mentioned in section 51.22.

(7) The department shall advise the department of veterans' affairs of the transfer or discharge or conditional release of any veteran.

51.125 Transfer for better placement. (1) If it appears to the department at any time that a patient should have been committed to a different institution, it may transfer him thereto. The department shall notify the committing judge of such transfer.

(2) If a change in the patient's condition makes it advisable that he be transferred to a different institution, the department may transfer him.

51.13 Conditional release of patients; presumption of competency and discharge by lapse of time. (1) The superintendent of the Mendota state hospital and of the Winnebago state hospital and of the Milwaukee county hospitals for mental diseases may grant any patient a conditional release if in his opinion it is proper to do so. If within one year

after such release it becomes unsafe or improper to allow him to remain at large, the superintendent shall require his return to the hospital. If the superintendent so requests, the sheriff shall return the patient, and the costs incident to such return shall be paid out of the hospital's operating funds and be charged back to the county of the patient's legal settlement.

(2) The superintendent of any county hospital or home may, upon the written recommendation of the visiting physician, grant any patient a conditional release for such time and under such conditions as the physician directs, except patients transferred from the central state hospital, who may not be released without the consent of the department, and in the case of those committed under sections 357.11 and 357.13, without also having the approval of the committing court.

(3) Upon the expiration of one year from the granting of a conditional release the authority of the superintendent to require the patient's return shall end, and the patient shall be presumed competent and his civil rights thereby restored.

[51.134 Stats. 1945 renumbered section 51.18 by 1947 c. 485]

51.14 Superintendent's reports to county judge; record. When any person is committed to any hospital or home from any county other than the county of his legal settlement, the superintendent of such hospital or home shall immediately notify the county judge of the county of his legal settlement. The superintendent shall also notify such judge whenever any patient dies, is discharged, transferred, escapes, is conditionally released or returns from such release. The judge shall keep a record of the facts so reported.

51.15 State hospitals; districts. The hospital for the mentally ill located at Mendota is known as the "Mendota State Hospital" and the state hospital located at Winnebago is known as the "Winnebago State Hospital." The department shall divide the state by counties into 2 districts, and from time to time may change the bounds of these districts, arranging them with reference to the number of patients supposed to be in them and the capacity of the hospitals and the convenience of access to them.

51.16 Superintendent's oath and duties; subpoenas on. (1) The superintendent of each said hospital shall take and file the official oath, and shall devote all his time and attention to his official duties.

(2) The superintendent shall not be compelled to obey the subpoena of any court in any case, civil or criminal, if he shall file with the magistrate or clerk his affidavit that to obey the same would be seriously detrimental and hazardous to the welfare of the hospital under his charge, except when an accusation of murder is to be tried; nor in such case unless the judge shall make a special order therefor, and the subpoena, with a memorandum thereof indorsed thereon, be served one week before the time when he shall be required to appear; but no superintendent shall be entitled in any case to make and file such affidavit, who shall, upon tender of the usual fees of witnesses in courts of record, refuse to be present and to give his deposition at his office, usual place of business, or usual place of abode; and any superintendent so present and giving his deposition who shall be detained 4 hours from the time fixed for the taking thereof or from the time to which the taking of the same may have been adjourned may make affidavit that further detention would be seriously detrimental or hazardous to the welfare of the persons or business in his charge whereupon the officer before whom such deposition is being given shall adjourn further proceedings thereon to a future day.

51.17 Private pay for patients. Any person may pay (in whole or in part) for the maintenance and clothing of any mentally ill or infirm or deficient person or epileptic or inebriate or drug addict, at any institution for the treatment of persons so afflicted; and his account shall be credited with the sums paid. He may also be likewise provided with such special care or attendant as is agreed upon with the superintendent, upon monthly payment in advance of the charges therefor.

[51.18 Stats. 1945 repealed by 1947 c. 485]

51.18 Family care; costs to state; to county. The department may place any state hospital patient in a suitable family boarding home upon such terms and conditions as it determines, if it considers that such course would benefit the patient. The cost to the state of the supervision and maintenance of any patient so boarded out shall not exceed the average per capita cost of his maintenance in the state hospital. Bills for his board shall be payable monthly out of the operating funds of such state hospital and shall be audited as are other bills. The county of his legal settlement shall be charged with the rates and expenses provided under section 51.08 and such charges shall be adjusted in the same manner as if the patient were at the hospital. The department may visit and investigate such home and may return the patient to the hospital or place him in another home when deemed advisable. Such placement shall not be considered a conditional release.

51.19 Child born in hospital. A child born in any state or county hospital or state colony and training school shall be promptly removed therefrom by the mother's friends or by the county of her legal settlement. The superintendent shall petition the juvenile judge of the county in which the institution is located to make such removal, and until the child is removed the superintendent shall make suitable provision for its care and comfort, and charge all expenses to the county of the mother's legal settlement, to be adjusted as provided in section 46.106. The judge shall notify the juvenile judge of the county of the mother's legal settlement of the filing of such petition.

51.20 Records of patients. The superintendent of each state hospital shall keep such records and make such reports as the rules and regulations of the department require.

51.21 Central state hospital. (1) **PURPOSE.** The state hospital at Waupun is known as the "Central State Hospital"; and shall be used for the custody, care and treatment of persons committed or transferred thereto pursuant to this section and sections 357.11 and 357.13.

(2) **TRANSFERS.** The department may transfer to the central state hospital any male patient confined in a state or county hospital or the northern or southern colony and training school, if his or the public welfare requires it or if he is dangerous to himself or others or to property; and it may return him to the institution from which he came if in its judgment he has recovered sufficiently to warrant his return.

(3) **REMOVALS.** (a) When the physician of any state prison or home for women or state reformatory or county jail or a psychiatrist of the department reports in writing to the officer in charge thereof that any prisoner is, in his opinion, mentally ill or infirm or deficient or epileptic, such officer shall make a written report to the department. Thereupon the department may transfer the prisoner (if male) to the central state hospital or (if female) to the Winnebago state hospital; and if the prisoner's term has not expired, the department may order his return in the event that it is satisfied that he has recovered.

(b) The superintendent of the hospital shall receive the prisoner and shall, within a reasonable time before his sentence expires, make a written application to the judge of the county court where the hospital is located for an inquiry as to the prisoner's mental condition. Thereafter the proceeding shall be as upon an application made under section 51.01, but no physician connected with the prison, reformatory, home for women, Winnebago or central state hospital or county jail shall be appointed as an examiner. If the judge is satisfied that the prisoner is not mentally ill or infirm or deficient or epileptic, he may dismiss the application and order the prisoner returned to the institution from which transferred. If the judge finds that the prisoner is mentally ill or infirm or deficient or epileptic, he may commit the prisoner to the central state hospital or commit her to the Winnebago state hospital.

(c) The provisions of section 51.07 relating to fees and costs shall apply.

(d) When such prisoner is found mentally ill or infirm or deficient or epileptic, the superintendent of the institution shall retain him until he is legally discharged or removed.

(e) The provisions of section 51.11 relating to re-examination shall apply to such prisoner if found to be mentally ill or infirm or deficient or epileptic, except that the application shall be made to the judge of the court which made such finding. If upon such rehearing he is found not to be mentally ill or infirm or deficient or epileptic, he shall be returned to the prison unless his term has expired. If his term has expired he shall be discharged. The time spent at the central state hospital or Winnebago state hospital shall be included as part of the sentence already served.

(f) Should the prisoner remain at the hospital after expiration of his term he shall be subject to the same laws as any other patient.

(4) **STATUTES APPLICABLE.** All statutes relating to state hospitals, except section 51.12 (1), (2), (4) and (5), are applicable to the central state hospital. Sections 51.13 (1) and (3) and 51.22 (4) are applicable only to patients whose prison sentences have expired.

(5) **OTHER PRISONERS SUBJECT TO RULES.** Persons required to be committed or transferred to the central state hospital, but who remain in any other state hospital because sufficient provision has not been made for them at the central state hospital, shall be subject to the statutes governing patients of the central state hospital.

(6) **PAROLES.** If in the judgment of the superintendent of the central or Winnebago state hospital any person committed under section 357.11 or 357.13 is not in such condition as warrants his return to the court but is in a condition to be paroled under supervision, the superintendent shall report to the department and the committing court his reasons for his judgment. If the court does not file objection to the parole within 60 days of the date of the report, the superintendent may, with the approval of the department, parole him to a legal guardian or other person, subject to the rules and regulations of the department.

(7) **TRANSFER FOR MEDICAL CARE.** In order to expeditiously provide hospitalization or emergency surgery and also proper security of the person, the department is given authority, regardless of any statutory provision to the contrary, to temporarily remove any patient or prisoner in need of hospitalization or emergency surgery to the hospital ward of the Wisconsin state prison. As soon as practical after completion of such necessary hospitalization or emergency surgery, the department shall return any such patient or prisoner to the central state hospital. The state charges shall continue during the period of such transfer.

51.215 Transfer of mentally ill children from schools for boys and girls. (1) When the physician of the Wisconsin school for boys or of the Wisconsin school for girls, or a psychiatrist of the department, reports in writing to the superintendent of the school that any person confined therein is, in his opinion, mentally ill, the superintendent shall make a written report to the department. Thereupon the department may transfer the person to a state hospital for the mentally ill. The department may order the return of the person to the school in the event that, before the expiration of his commitment, it is satisfied that he has recovered.

(2) Within a reasonable time before the expiration of such person's commitment, if he is still in the hospital, the superintendent of the hospital shall make an application under section 51.01 to the judge of the county in which the hospital is located, for an inquiry into the person's mental condition, and thereafter the proceedings shall be as in other applications under said section. The application of the superintendent of the hospital alone is sufficient.

[51.22 Stats. 1945 renumbered 51.21 (2) by 1947 c. 485 s. 31]

51.22 Colonies and training schools. (1) **PURPOSE.** The purpose of the Northern Colony and Training School and of the Southern Colony and Training School is to care for, train and have the custody of mentally deficient and epileptic persons.

(2) **SCHOOL ACTIVITIES.** Each institution shall maintain a school department for the educable grades or classes; and a custodial facility for the helpless and lower types; and such other facilities as the welfare of the patients requires. The department shall establish vocational training therein.

(3) **TRANSFERS.** If any person is committed to either colony and training school, the department may transfer him to the other school or to a county hospital; and any person so transferred may be returned.

(4) **TEMPORARY DISCHARGE.** The superintendent of either colony and training school may grant any patient a temporary discharge if, in his opinion, it is proper to do so. The superintendent of any county hospital may, upon the written recommendation of the visiting physician, grant any patient a temporary discharge.

(5) **PERMANENT DISCHARGE.** The superintendent of either school, with the approval of the department, or the superintendent of any county hospital, with the approval of the visiting physician, may permanently discharge from custody (which shall not be considered a legal restoration of competency) any mentally deficient or epileptic person who has been on a temporary discharge for one year or more, and who has continued to demonstrate fitness to be at large. Notice of such permanent discharge shall be filed with the committing judge by the superintendent. After permanent discharge, if it becomes necessary for such person to have further institutional care and treatment, a new commitment must be obtained, following the procedure for original commitment.

(6) **TRANSFER TO WISCONSIN CHILD CENTER.** If it appears that the best interests of a patient of either training school will be served, the department may transfer him to the Wisconsin child center. The department may likewise return him to the school from which he was transferred or release him under such conditions as may be prescribed.

[51.225 Stats. 1945 renumbered 51.21 (3) by 1947 c. 485 s. 32]

[51.23 Stats. 1945 renumbered 51.21 (4) and (5) by 1947 c. 485 s. 33]

51.23 Mentally deficient; examinations; commitments. Sections 51.01 to 51.11, 51.125, 51.14, 51.16, 51.17 and 51.19 shall govern the examination and commitment of mentally deficient and epileptic persons to such colony and training schools, so far as may be applicable. In cases of alleged mental deficiency, one of the examiners under section 51.01 (2) may be a clinical psychologist who has a doctorate degree in psychology and who has had 3 years of experience in clinical psychology. This amendment (1947) shall be effective as of July 1, 1946.

[51.234 Stats. 1945 renumbered 51.21 (6) by 1947 c. 485 s. 34]

51.235 Wisconsin psychiatric institute. (1) The psychiatric institute formerly at Mendota is designated as the Wisconsin Psychiatric Institute.

(2) The statutes relating to the commitment, custody, transfer, conditional release and discharge of mentally ill persons in state hospitals for the mentally ill are applicable to the Wisconsin psychiatric institute.

51.24 Milwaukee hospital for mental diseases. (1) Any county having a population of 500,000 may, pursuant to section 46.17, establish and maintain a hospital for mental diseases, for the detention and care of drug addicts, inebriates and mentally ill persons whose mental illness is acute. Such hospital shall be governed pursuant to section 46.21.

(2) The state shall compensate the county for the care and maintenance at the hospital of persons mentioned in subsection (1) who are maintained at public expense, at the rate of \$5 per week for each acute case and \$4 per week for each chronic case. Such compensation shall be paid on June 30 and December 31 of each year. When a patient is temporarily transferred from the hospital for mental diseases to the county hospital for physical or acute mental illness or surgical or medical care or all of them, such state compensation shall be paid for the period of such transfer.

(3) The department shall determine the number of weeks that patients have been maintained and the compensation shall be based upon such determination.

(4) The superintendent of the hospital shall, promptly after the expiration of each computation period, prepare a statement giving the name of each person maintained at public expense at the hospital during that period and the number of weeks maintained during said period, and the aggregate of such weeks for all persons so maintained and the amount of compensation to be made by the state, which statement shall be verified by the superintendent and approved by the board of administration of said hospital as correct and true in all respects and delivered to the department.

(5) The department shall attach to the statement its certificate showing the number of weeks' maintenance furnished to acute patients and to chronic patients, and shall file the same with the director of budget and accounts, who shall draw his warrant in favor of the county for the compensation specified in the certificate and deliver the warrant to the state treasurer, who shall thereupon pay the same.

(6) The county shall not be entitled to compensation from the state for the care of any person who is not a public charge.

51.25 County hospitals. (1) **ESTABLISHED; TRUSTEES; STAFF.** Any county may establish a hospital or facilities for the detention and care of chronic mentally ill persons, mentally infirm persons, inebriates, drug addicts and chronic invalids; and in connection therewith a hospital or facility for the care of chronic cases afflicted with pulmonary tuberculosis. In counties having a population of 500,000, the institution shall be governed pursuant to section 46.21. In other counties it shall be governed pursuant to sections 46.18, 46.19 and 46.20. The trustees shall appoint the superintendent. With the approval of the trustees, he shall appoint a visiting physician. The compensation of the trustees shall be fixed by the county board under section 59.15. The salaries of the superintendent and visiting physician shall be fixed by the county board.

(2) **COST OF NONRESIDENT PATIENTS.** The cost of maintaining nonresident patients shall be adjusted on the basis prescribed in section 51.08.

[51.26 Stats. 1945 renumbered 51.25 (2), 51.17 and 51.09 by 1947 c. 485]

51.27 Tuberculous patients; segregation; transfers; state aid; free care. (1) The department shall make provision for the segregation of tuberculous patients in the state hospitals, and for that purpose may set apart one ward for male patients and one for female patients in said hospitals and equip said wards for the care and treatment of such patients. The department shall transfer from other parts of such hospitals patients who are likely to spread tuberculosis.

(2) If any county operates a separate hospital or facility for the chronic tuberculous mentally ill or infirm or adult mentally deficient or epileptic, the department may transfer thereto any mentally ill or infirm person or adult mentally deficient or epileptic in any state or county hospital who is afflicted with pulmonary tuberculosis. The state shall be charged at the rate of \$7.50 per week for each patient whose legal settlement is in the county which maintains the hospital and \$15 per week for each other patient; and of the latter rate \$7.50 for each patient shall be charged over to the county of his legal settlement. Such charges shall be adjusted as provided in section 46.106. This amendment (1949) shall be effective as of July 1, 1948.

(3) The provisions of section 50.03 as to free care of patients apply to tuberculous mentally ill or infirm patients or adult mentally deficient or epileptics, who satisfy the conditions of subsections (1) and (2).

[51.28 Stats. 1945 renumbered section 155.02 by 1947 c. 485 s. 54]

[51.30 Stats. 1933 repealed by 1935 c. 336]

51.30 Records closed. The files and records of the judge and the court in proceedings under this chapter shall be kept in locked files and shall not be open to inspection except upon the specific permission of the judge. In any action or special proceeding in a court of record, such files and records shall be made available by special order of such court, if they are relevant to the issue and competent.

51.31 Mentally infirm or deficient persons, general provision. The provisions for commitment, rehearing, transfer, removal and discharge of mentally ill persons shall, so far as applicable, govern in the matter of mentally infirm and mentally deficient and epileptics.

51.32 Nonresident escaped patients. The county judge may, upon written request of the department, order the detention of any nonresident person who escaped from some mental institution of another state. Such detention shall be for a period not to exceed 30 days and may be extended by the judge for an additional period if it is necessary to consummate the deportation of the escaped person.

51.35 Communications and packages. (1) **COMMUNICATIONS.** All communications addressed by a patient to the governor, attorney-general, judges of courts of record, district attorneys, the department or licensed attorneys, shall be forwarded at once to the addressee without examination. Communications from such officials and attorneys shall be delivered to the patient.

(2) **PACKAGES AND COMMUNICATIONS TO PATIENTS.** Communications and packages for or addressed to a patient may be examined before delivery; and delivery may be withheld if there is any good reason therefor in the opinion of the superintendent of the institution.

51.37 Sexual psychopaths. (1) **DEFINITION.** The term "sexual psychopaths" as used in this section and in section 351.66 means any person suffering from such conditions of emotional instability or impulsiveness of behavior, or lack of customary standards of good judgment, or failure to appreciate the consequences of his acts, or a combination of any such conditions, as to render such person irresponsible for his conduct with respect to sexual matters and thereby dangerous to himself and to other persons.

(2) **PETITION FOR COMMITMENT; HEARING.** Whenever facts are presented to the district attorney which satisfy him that good cause exists for judicial inquiry as to whether a person is a sexual psychopath, he shall prepare a petition setting forth such facts and requesting a court to conduct an inquiry into the condition of such person. The petition shall be executed and verified by a person having knowledge of the facts upon which it is based. The petition shall be filed with the county court or with a court of record of the county in which such alleged sexual psychopath has his legal settlement or in which such person is present, except that where such alleged sexual psychopath is under the age of 18 the petition shall be filed with the juvenile court of such county. The court shall set a time for examination of the alleged sexual psychopathic person and for hearing. The court may, at its discretion, exclude the general public from attendance at such hearing. The alleged sexual psychopathic person may be represented by counsel; and if the court determines that he is financially unable to obtain counsel, the court may appoint counsel for him. Such alleged sexual psychopathic person shall be entitled to have subpoenas issued out of said court to compel the attendances of witnesses in his behalf. The court shall appoint 2 physicians having the qualifications provided in section 51.01 (2) to assist in the examination of the alleged sexual psychopathic person. The proceedings had shall be reduced to writing and shall be part of the records of such court. The physicians shall file with the court their written findings as to whether or not the person under examination is a sexual psychopath. The court shall make an order determining whether or not the person under examination is a sexual psychopath. From such order, the person determined to be a sexual psychopath may appeal directly to the supreme court.

(3) **COMMITMENT.** Any person determined by the court to be a sexual psychopath shall be committed to an institution designated by the county board of supervisors of any county having a population of 500,000 or more, which shall make adequate provision at such institution to house such persons and for their medical care while at such institution. Provision shall be made for detention, housing, care and treatment of sexual psychopaths under 18 separately from those over that age. In making such commitment the court shall determine the legal settlement of the person found to be a sexual psychopath.

(4) **JURY TRIAL.** If a jury is demanded by the alleged sexual psychopathic person or by any relative or friend acting in his behalf, the court shall direct that a jury be summoned as provided in section 51.03 and the trial procedure shall be as provided in such statute, except that the issue shall be as to whether such person is or is not a sexual psychopath.

(5) **DETENTION PENDING INQUIRY.** On the receipt by a court of the application, the judge thereof may, if in his opinion the public safety requires it, deliver to the sheriff a written order requiring him forthwith to take and confine the person alleged to be a sexual psychopath, in some specified place until the proceedings provided for in this section can be had or until further order.

(6) **APPLICABILITY OF LAWS RELATING TO MENTALLY ILL PERSONS.** After commitment of any person found to be a sexual psychopath such provisions of chapter 51 as are not in conflict with the provisions of this section shall be applicable with respect to the care and custody of such sexual psychopath except that the re-examination as permitted by section 51.11 shall be had before the court making the original commitment of such person as a sexual psychopath; and except further that as to the right of parole provided by section 51.13 the superintendent of the institution to which commitment is made shall make written recommendation for parole to the court from which the person was committed. Such court after considering such recommendation may at its discretion free the person committed on parole.

(7) **PERSON EXECUTING PETITION FOR EXAMINATION EXEMPT FROM DAMAGES.** The person who, acting in good faith, executes the petition for examination specified in subsection (2) of this section shall not be liable in damages to any other person for such act.

(8) **PAYMENT FOR MAINTENANCE; REIMBURSEMENT.** The county from which a person found to be a sexual psychopath is committed, if not the county wherein such person has his legal settlement, shall pay the costs of maintenance, care and treatment of such person during his commitment excluding, however, any depreciation charges for building to the county wherein the institution of commitment is located but shall be reimbursed out of such person's estate, or if he be indigent, by the county of his legal settlement.

51.40 Alcohol studies. There is established within the division of mental hygiene of the state department of public welfare a program to combat alcoholism as prescribed in section 51.41. The director of the state department of public welfare shall employ such assistants for the division of mental hygiene as may be deemed necessary to carry out the purposes of sections 51.41 and 51.42.

51.41 Duties of the department. (1) It shall be the duty of the state department of public welfare:

(a) To co-operate with departments of the state, county and local government and with associations, organizations, groups, industries, professions and individuals, public or private, interested in the prevention and control of alcoholism or its treatment.

(b) To promote, conduct and finance, in full or in part, studies, investigations and research independently or in co-operation with universities, colleges, scientific organizations and state and federal government departments concerning matters pertaining to the causes, extent, prevention, control and treatment of alcoholism, and to make recommendations to the legislature pertaining thereto.

(c) To promote the establishment of facilities for the treatment and rehabilitation of alcoholics by the state or by counties, municipalities, or by nonprofit associations, hospitals or clinics.

(d) To establish standards for the treatment and rehabilitation of alcoholics.

(e) To give financial aid but not to exceed \$40,000 annually, out of the funds provided by section 20.17 (1) (a) for the maintenance and operation of county or municipal facilities for the treatment of alcoholics provided such facilities are operated in accordance with the standards prescribed by the department, are open to all regardless of ability to pay, and provided the county or municipality operating the facility supplies at least 50 per cent of the cost of maintenance and operation, except that the department may require a lesser amount of local financial participation for a period of not to exceed 2 years for the purpose of demonstrating the services of such a facility.

(2) The department and its director shall not participate in the enforcement of the laws pertaining to the taxing and sale of intoxicating liquors.

51.42 Establishment of local facilities. Any county, town, city or village may establish and maintain such facilities and employ such personnel as may be needed to implement and carry out the purposes and provisions of sections 51.40 to 51.42 and may co-operate with state agencies for such purposes.

51.50 Short title. This chapter shall be known as The State Mental Health Act.
