110.01 Motor vehicle department. (1) There is created a motor vehicle department in charge of a commissioner appointed by the governor with the advice and consent of the senate. On the effective date of this amendment (1951) the term of office of the incumbent commissioner shall expire and the office of commissioner shall be vacant. Thereupon appointment shall be made of a successor commissioner for a term commencing on the date of appointment and ending January 21, 1953. Thereafter successor commissioners shall be appointed for terms of 6 years. Each commissioner shall continue to hold office until his successor is appointed and qualified.

(2) There shall be within the motor vehicle department the following divisions:

- (a) Registration and licensing;
- (b) Inspection and enforcement;
- (c) Highway safety promotion.

(3) Each such division shall be in charge of a director who shall be paid the annual salary determined for such positions by the bureau of personnel.

(4) The commissioner shall allocate the powers, duties and functions transferred and vested in the motor vehicle department to the respective divisions as is appropriate and in the interest of highest efficiency and economy.

(5) The motor vehicle department shall have an official seal, with the words Motor Vehicle Department of Wisconsin engraved thereon, which shall be used to authenticate all papers requiring authentication.

(6) The commissioner of the motor vehicle department, and the directors of the divisions, shall each take and file the official oath and file a bond in such sum and with such sureties as the governor shall prescribe. The premiums on such bonds shall be paid out of the appropriation to the department.

(7) The commissioner and directors shall, in addition to their salary, be paid all amounts actually and necessarily incurred by them in the performance of their official duties.

(8) The commissioner and directors shall be appointed on the basis of recognized interest, training and experience and possess a knowledge and understanding of the powers, duties and functions of their respective offices.

(10) The motor vehicle department shall keep its office at the capitol, and shall be provided with suitable rooms, furniture, stationery, books, maps and supplies by the director of purchases.

History: 1951 c. 97 s. 38; 1951 c. 319 s. 231.

Ch. 405, Laws 1949, in so far as it makes an allowance to the present commissioner of motor vehicles for performing additional duties imposed by ch. 85, Laws 1949 (passing upon applications of epileptics for drivers' licenses), is invalid because the new duties are germane to the office and the allowance would constitute an increase in compensation during his term of office. 38 Atty. Gen. 445.

110.02 Deputy commissioner. The commissioner shall appoint the director of the division of registration and licensing his deputy to act in his name, place and stead during his absence or disability.

110.05 Transfer of records, equipment and personnel. All records, books, papers, documents and equipment, and so much of the personnel now employed in the departments hereby transferred, as the commissioner may deem necessary to the efficient execution of the functions so transferred, shall automatically be transferred to and become the property and employes of the motor vehicle department as each such transfer is consummated.

[110.055 Stats. 1947 repealed by 1949 c. 52]

110.06 Rules and regulations. (1) The commissioner of the motor vehicle department shall have the power to make such reasonable and uniform orders, rules and regulations not inconsistent with law as he may deem necessary to the discharge of the powers, duties and functions vested in such department. Such orders, rules and regulations shall take effect 20 days after publication in the official state paper. (4) The orders and determinations, rules and regulations made by the commissioner shall be subject to review in the manner provided in chapter 227.

110.07 Traffic officers; powers and duties. (1) The commissioner of motor vehicles shall employ not to exceed 55 traffic officers to enforce and assist in the administration of the provisions of chapters 85, 110 and 194, or orders, rules or regulations issued pursuant thereto. Such traffic officers shall have the powers of sheriff in the enforcing of the above chapters and section and orders, rules or regulations issued pursuant thereto. Such traffic officers shall have authority to enter any place where vehicles subject to the provisions of chapters 85, 110 and 194 are stored or parked at any time to examine such vehicles, or to stop such vehicles while en route at any time upon the public highways to examine the same and make arrests for all violations thereof. Such traffic officers shall have the powers provided in subsection (1). Nothing in this section shall preclude the use of other traffic officers for the same functions nor the use of all or part of the traffic officers assigned to this unit for other functions enumerated in subsection (1), when, in the opinion of the commissioner, it is considered impractical to use such officers for the specific enforcement of the statutes relating to the licensing, size and safe operation of trucks.
