**43.55 Citizenship day.** To redirect the attention of the citizens of Wisconsin (particularly those who are about to exercise the franchise for the first time) to the fundamentals of American government and to American traditions, any county, municipal or school board may annually provide for and appropriate funds for a program of citizenship education which stresses, through free and frank discussion of a nonpolitical, nonsectarian and nonpartisan nature, the doctrine of democracy, the duties and responsibilities of elective and appointive officers, the responsibilities of voters in a republic and the organization, functions and operation of government. This program should culminate in a ceremony of induction to citizenship for those who have been enfranchised within the past year. Any county may determine to conduct such ceremony either on or within the octave of the day designated by congress or proclaimed by the president of the United States as Citizenship Day. The board may carry out this function in such manner as it determines. The secretary of state, department of public instruction and other state officers and departments shall cooperate with the participating units of government by the dissemination of available information which will stimulate interest in the government of Wisconsin and its subdivisions.
