(5) (a) To conduct such investigations, hold such public meetings and attend or be represented at such meetings, conferences and conventions inside or outside of the state as may, in its judgment, tend to better the execution of its functions.

(b) For the purpose of making any investigation with regard to any employment or place of employment or public building, the commission may appoint, by an order in writing, any commissioner, any deputy who is a citizen of the state, or any other competent person as an agent whose duties shall be prescribed in such order.

(c) In the discharge of his duties such agent shall have every power whatsoever of an inquisitorial nature granted in this act to the commission, and the same powers as a court commissioner with regard to the taking of depositions; and all powers granted by law to a court commissioner relative to depositions are hereby granted to such agent.

(d) The commission may conduct any number of such investigations contemporaneously through different agents, and may delegate to

such agent the taking of all testimony bearing upon any investigation or hearing. The decision of the commission shall be based upon its examination of all testimony and records. The recommendations made by such agents shall be advisory only and shall not preclude the taking of further testimony if the commission so order nor further investigation.

(e) The commission may direct any deputy who is a citizen to act as special prosecutor in any action, proceeding, investigation, hearing or trial relating to the matters within its jurisdiction.

(f) Upon the request of the commission, the department of justice or district attorney of the county in which any investigation, hearing or trial had under ss. 101.01 to 101.25 is pending, shall aid therein and prosecute under the supervision of the commission, all necessary actions or proceedings for the enforcement of those sections and all other laws of this state relating to the protection of life, health, safety and welfare, and for the punishment of all violations thereof.

(6) (a) All orders of the department in conformity with law shall be in force, and shall be prima facie lawful; and all such orders shall be valid and in force, and prima facie reasonable and lawful until they are found otherwise upon judicial review thereof pursuant to ch. 227 or until altered or revoked by the department.

(c) The department shall, upon application of any employer or owner, grant such time as may be reasonably necessary for compliance with any order.

(d) Any person may petition the department for an extension of time, which the department shall grant if it finds such an extension of time necessary.

(e) Any employer or other person interested either because of ownership in or occupation of any property affected by any such order, or otherwise, may petition for a hearing on the reasonableness of any order of the department in the manner provided in ss. 101.01 to 101.25.

(f) Such petition for hearing shall be by verified petition filed with the department, setting out specifically and in full detail the order upon which a hearing is desired and every reason why such order is unreasonable, and every issue to be considered by the department on the hearing. The petitioner shall be deemed to have finally waived all objections to any irregularities and illegalities in the order upon which a hearing is sought other than those set forth in the petition. All hearings of the department shall be open to the public.

(g) Upon receipt of such petition, if the issues raised in such petition have theretofore been adequately considered, the department shall determine the same by confirming without hearing its previous determination, or if such hearing is necessary to determine the issues raised, the department shall order a hearing thereon and consider and determine the matter or matters in question at such times as shall be prescribed. Notice of the time and place of such hearing shall be given to the petitioner and to such other persons as the department may find directly interested in such decision.

(h) Upon such investigation, if it shall be found that the order complained of is unjust or unreasonable the department shall substitute therefor such other order as shall be just and reasonable.

(i) Whenever at the time of the final determination upon such hearing it shall be found that further time is reasonably necessary for compliance with the order of the department, the department shall grant such time as may be reasonably necessary for such compliance.

(7) (a) Nothing contained in ss. 101.01 to 101.25 shall be construed to deprive the common council, the board of aldermen, the board of trustees or the village board of any village or city, or the board of health of any municipality of any power or jurisdiction over or relative to any place of employment or public building, provided that, whenever the department shall, by an order, fix a standard of safety or any hygienic condition for employments or places of employment or public buildings, such order shall, upon the filing by the department of a copy thereof with the clerk of the village or city to which it may apply, be held to amend or modify any similar conflicting local order in any particular matters governed by said order. Thereafter no local officer shall make or enforce any order contrary thereto.

(b) Any person affected by any local order in conflict with an order of the department, may in the manner provided in s. 101.02 (6) (e) to (i), petition the department for a hearing on the ground that such local order is unreasonable and in conflict with the order of the department. The petition for such hearing shall conform to the requirements set forth for a petition in s. 101.02 (6) (e) to (i).

(c) Upon receipt of such petition the department shall order a hearing thereon, to consider and determine the issues raised by such appeal, such hearing to be held in the village, city or municipality where the local order appealed from was made. Notice of the time and place of such hearing shall be given to the petitioner and

such other persons as the department may find directly interested in such decision, including the clerk of the municipality or town from which such appeal comes. If upon such investigation it shall be found that the local order appealed from is unreasonable and in conflict with the order of the department, the department may modify its order and shall substitute for the local order appealed from such order as shall be reasonable and legal in the premises, and thereafter the said local order shall, in such particulars, be void and of no effect.

(8) (a) No action, proceeding or suit to set aside, vacate or amend any order of the department or to enjoin the enforcement thereof, shall be brought unless the plaintiff shall have applied to the department for a hearing thereon at the time and as provided in s. 101.02 (6) (e) to (i), and in the petition therefor shall have raised every issue raised in such action.

(b) Every order of the department shall, in every prosecution for violation thereof, be conclusively presumed to be just, reasonable and lawful, unless prior to the institution of prosecution for such violation a proceeding for judicial review of such order shall have been instituted, as provided in ch. 227.

(9) A substantial compliance with the requirements of ss. 101.01 to 101.25, shall be sufficient to give effect to the orders of the department, and they shall not be declared inoperative, illegal or void for any omission of a technical nature in respect thereto.

(10) Orders of the commission under sections 101.01 to 101.25 shall be subject to review in the manner provided in ch. 227.

(11) Proof by any person, firm or corporation employing a contractor to construct, repair, alter or improve any building or structure, that such contractor in performing such work has failed to comply with any applicable order or regulation of the department promulgated under this chapter shall constitute a defense to any action for payment by such contractor to the extent that it shall bar recovery for any part of the work which fails to comply. Advancements paid to the contractor for work which fails to comply as well as any reasonable amount expended to effectuate compliance with any applicable order or regulation may be recovered from such contractor by way of counterclaim or in a separate action. This section shall not apply where plans or specifications were prepared by an architect or engineer licensed to do business in this state and the contract performed in accordance therewith.

(12) Every day during which any person, persons, corporation or any officer, agent or employe thereof, shall fail to observe and comply with any order of the department or to perform any duty enjoined by ss. 101.01 to 101.25, shall constitute a separate and distinct violation of such order, or of said sections as the case may be.

(13) (a) If any employer, employe, owner, or other person violates ss. 101.01 to 101.25, or fails or refuses to perform any duty lawfully enjoined, within the time prescribed by the department, for which no penalty has been specifically provided, or fails, neglects or refuses to obey any lawful order given or made by the department, or any judgment or decree made by any court in connection with ss. 101.01 to 101.25, for each such violation, failure or refusal, such employer, employe, owner or other person shall forfeit and pay into the state treasury a sum not less than \$10 nor more than \$100 for each such offense.

(b) It shall be the duty of all officers of the state, the counties and municipalities, upon request of the department, to enforce in their respective departments, all lawful orders of the department, insofar as the same may be applicable and consistent with the general duties of such officers.

(14) (a) The commission, or any member thereof, or any examiner appointed thereby, may hold hearings and take testimony.

(b) Each witness who shall appear before the commission by its order shall receive for his attendance the fees and mileage now provided for witnesses in civil cases in courts of record, which shall be audited and paid by the state in the same manner as other expenses are audited and paid, upon the presentation of properly verified vouchers approved by the chairman of the commission, and charged to the proper appropriation for the department. But no witness subpoenaed at the instance of parties other than the commission shall be entitled to compensation from the state for attendance or travel unless the commission shall certify that his testimony was material to the matter investigated.

(c) The department or any party may in any investigation cause the depositions of witnesses residing within or without the state to be taken in the manner prescribed by law for like depositions in civil actions in circuit courts. The expense incurred by the state in the taking of such depositions shall be charged against the proper appropriations for the department.

(d) A full and complete record shall be kept of all proceedings had before the department on any investigation and all testimony shall be taken down by the stenographer appointed by the department.

(15) (a) The department has such supervision of every employment, place of employment and public building in this state as is necessary adequately to enforce and administer all laws and all lawful orders requiring such employment, place of employment or public building to be safe, and requiring the protection of the life, health, safety and welfare of every employe in such employment or place of employment and every frequenter of such place of employment, and the safety of the public or tenants in any such public building; provided, however, that this paragraph shall not apply to rural school buildings.

(c) Upon petition, after January 1, 1912, by any person that any employment or place of employment or public building is not safe, the department shall proceed with or without notice, to make such investigation as may be necessary to determine the matter complained of.

(d) After such hearing as may be necessary, the department may enter such order relative thereto as may be necessary to render such employment or place of employment or public building safe.

(e) Whenever the department shall learn that any employment or place of employment or public building is not safe it may of its own motion, summarily investigate the same, with or without notice, and enter such order as may be necessary relative thereto.

(f) To investigate, ascertain and determine such reasonable classifications of persons, employments, places of employment and public buildings, as shall be necessary to carry out the purposes of ss. 101.01 to 101.25.

(g) Any commissioner or deputy of the department may enter any place of employment or public building, for the purpose of collecting facts and statistics, examining the provisions made for the health, safety and welfare of the employes, frequenters, the public or tenants therein and bringing to the attention of every

(h) To investigate, ascertain, declare and prescribe what safety devices, safeguards or other means or methods of protection are best adapted to render the employes of every employment and place of employment and frequenters of every place of employment safe, and to protect their welfare as required by law or lawful orders.

(l) Any employer receiving from the department any blanks calling for information required by it to carry into effect ss. 101.01 to 101.25, with directions to fill the same, shall cause the same to be properly filled out so as to answer fully and correctly each question therein propounded, and in case he is unable to answer any question, he shall give a good and sufficient reason for such failure, and said answer shall be verified under oath by the employer, or by the president, secretary or other managing officer of the corporation, if the employer is a corporation, and returned to the department at its office within the period fixed by the department.

101.22 Equal rights. (1) **INTENT.** It is the intent of this act to render unlawful discrimination in housing. It is the declared policy of this state that all persons shall have an equal opportunity for housing regardless of race, color, religion, national origin or ancestry and it is the duty of the local units of government to assist in the orderly prevention or removal of all discrimination in housing through the powers granted under s. 66.433. The legislature hereby extends the state law governing equal housing opportunities to cover single-family residences which are owner-occupied. The legislature finds that the sale and rental of single-family residences constitute a significant portion of the housing business in this state and should be regulated. This section shall be deemed an exercise of the police powers of the state for the protection of the welfare, health, peace, dignity and human rights of the people of this state.

(1m) **DEFINITIONS.** In this section unless the context requires otherwise:

(a) "Housing" means any improved property, including any mobile home as defined in s. 66.058, which is used or occupied, or is intended, arranged or designed to be used or occupied, as a home or residence.

(b) "Discriminate" and "discrimination" mean to segregate, separate, exclude or treat any person unequally only because of race, color, religion, national origin or ancestry. It is intended that the factors set forth herein shall be the sole bases for prohibiting discrimination.

(c) "Unimproved residential lot" means any residential lot upon which no permanent building or structure containing living quarters has been constructed.

(2) **DISCRIMINATION PROHIBITED.** It is unlawful for any person to discriminate:

(a) By refusing to sell, lease, finance or contract to construct housing or by refusing to discuss the terms thereof.

(b) By refusing to permit inspection or exacting different or more stringent price, terms or conditions for the sale, lease or rental of housing.

(c) By refusing to finance or sell an unimproved residential lot or to construct a home or residence upon such lot.

(2m) **REPRESENTATIONS DESIGNED TO INDUCE PANIC SALES.** It is unlawful to induce or

attempt to induce any person to sell, rent or lease any dwelling by representations regarding the present or prospective entry into the neighborhood of a person or persons of a particular race, color, religion, national origin or economic status, or by representations to the effect that such present or prospective entry will or may result in: a) the lowering of real estate values in the area concerned; b) a deterioration in the character of the area concerned; c) an increase in criminal or antisocial behavior in the area concerned; or d) a decline in the quality of the schools or other public facilities serving the area.

(3) **DEPARTMENT TO ADMINISTER.** This section shall be administered by the department through its division of equal rights. (4) **POWERS.** (a) The department may receive and investigate complaints charging violations of this section. A complaint shall be a written statement of the essential facts constituting the discrimination charged, and shall be verified.

(b) In carrying out this section the department and its duly authorized agents may hold hearings, subpoena witnesses, take testimony and make investigations as provided in this chapter.

(c) If the department finds probable cause to believe that any discrimination has been or is being committed in violation of this section, it shall immediately endeavor to eliminate such discrimination by conference, conciliation and persuasion. If the department determines that such conference, conciliation and persuasion has not eliminated the alleged discrimination, the department shall issue and serve a written notice of hearing, specifying the nature and acts of discrimination which appear to have been committed, and requiring the person named, hereinafter called the "respondent" to answer the complaint at a hearing before the department. The notice shall specify a time of hearing, not less than 10 days after service of the complaint, and a place of hearing within the county in which the act of discrimination is alleged to have occurred. The testimony at the hearing shall be recorded by the department. In all hearings, except those for determining probable cause, before the department the burden of proof shall be on the party alleging discrimination. If, after the hearing, the department finds by a fair preponderance of the evidence that the respondent has engaged in discrimination in violation of this section, the department shall make written findings and

recommend such action by the respondent as will effectuate the purpose of this section and shall serve a certified copy of its findings and recommendations on the respondent and complainant together with an order requiring the respondent to comply with the recommendations, the order to have the same force as other orders of the department and be enforced as provided in this section except that the enforcement of such order shall automatically be stayed upon the filing of a petition for review with the circuit court for the county in which the alleged discrimination took place. If the department finds that the respondent has not engaged in discrimination as alleged in the complaint, it shall serve a certified copy of its findings on the complainant and the respondent together with an order dismissing the complaint. Where the complaint is dismissed, costs in an amount not to exceed \$100 plus actual disbursements for the attendance of witnesses may be assessed against the department in the discretion of the department.

(4m) **TESTING PROHIBITED.** It is unlawful for any person not having any bona fide intention to avail himself of any rights under this section to solicit offers, to buy or lease from property owners or lessees or their agents, to demand the services or facilities of any place of public accommodation, to demand facilities or to demand any employment for the sole purpose of securing evidence of a discriminatory practice. Any person found by the department under the hearing procedure provided in sub. (4) (c) to have violated this subsection shall be subject to the penalties prescribed under sub. (6), together with costs and disbursements as provided in sub. (4) (c). Such finding is subject to judicial review as provided in sub. (5).

(4n) **REQUIRING REFERENCES.** Nothing in this section shall be deemed to prohibit an owner, or his agent, from requiring that any person who seeks to buy, rent or lease housing supply information concerning his family, marital, financial and business status but not concerning race, color or creed.

(5) **JUDICIAL REVIEW.** Within 30 days after service upon all parties of any order under this section the respondent or complainant may appeal the order to the circuit court for the county in which the alleged discrimination took place by the filing of a petition for review. The respondent or complainant shall receive a trial de novo on all issues relating to any alleged discrimination and a further right to a trial by jury, if so desired. The department of justice shall represent the department of industry, labor and human relations. In any such trial the burden

shall be to prove discrimination by a fair preponderance of the evidence. Costs in an amount not to exceed \$100 plus actual disbursements for the attendance of witnesses may be taxed to the prevailing party on the appeal.

(6) **PENALTY.** Any person who wilfully violates this section or any lawful order issued hereunder shall, for each such violation, forfeit not less than \$10 nor more than \$200. Payment of any such forfeiture shall be stayed during the period in which any appeal may be taken and during the pendency of any appeal under sub. (5).
