For the purpose of taking the inquest, deputy coroners may perform all the duties and exercise all the jurisdiction and powers conferred upon coroners by this chapter and shall be entitled to the same fees as the coroner for the performance of like duties. Nothing herein contained shall be construed as preventing such coroner from holding an inquest under the circumstances hereinabove specified without being first notified by the district attorney to hold such inquest. Such inquest may be held in any county, if within this state, in which there would be venue for the trial of the offense.

See note to 979.15, citing *Mohrhusen v. McCann*, 62 W (2d) 509, 215 NW (2d) 360.

979.02 Jury to be called, when. Any coroner or deputy coroner who holds an inquest may dispense with the summoning of a coroner's jury and personally conduct the inquest and render a verdict therein the same as a coroner's

jury would do; or the coroner or deputy coroner shall issue a precept to the sheriff or any constable forthwith to summon a jury of 6 residents of the county to appear at the time and place specified in the precept, which precept shall be in substance as follows:

THE STATE OF WISCONSIN, To the sheriff or any constable of the county of

You are hereby required immediately to summon 6 good and lawful residents of the county of, to appear forthwith before me at, in the town of, to inquire how and by what means the person known as died.

Given under my hand this day, 19..

....., Coroner.

History: 1975 c. 94.

979.03 Officers' return. Every officer to whom such precept is directed and delivered shall forthwith execute the same and make return of the precept, with his proceedings thereon, to the person who issued it.

979.04 His neglect; nonappearance of juror. If any officer shall refuse or neglect to execute such precept or to return the same as aforesaid he shall forfeit and pay the sum of \$5, and every person summoned as a juror as aforesaid, who shall fail to appear without having a reasonable excuse, shall forfeit and pay a sum not exceeding \$5.

979.05 Other jurors; oath. If 6 jurors shall not appear at the time and place appointed the coroner may require the officer to summon such number of jurors as shall make up the number 6, and when the requisite number so summoned shall appear the coroner shall administer to them an oath or affirmation in substance as follows: You do solemnly swear that you will diligently

inquire in behalf of this state when, and in what manner and by what means the person known as who is now dead came to his or her death; that you will return a true inquest thereon according to your knowledge and such evidence as shall be laid before you.

History: 1975 c. 41 s. 51; 1975 c. 199.

979.06 Witnesses; physician's fees. The coroner may issue subpoenas for witnesses, returnable forthwith or at such time and place as he shall therein direct and the attendance of the persons so served with such subpoenas may be compelled in the manner provided in s. 885.12; and it shall be lawful for the coroner taking such inquest, in all such cases, to require by subpoena the attendance of one or more expert witnesses, competent physicians or surgeons for the purpose of making an examination of the body and of testifying as to the result of the same. Such expert witnesses, physicians and surgeons so subpoenaed shall receive fees as expert witnesses the reasonable amount of which shall be determined by the district attorney and the coroner but shall not be less than \$5 for each examination.

979.065 Counsel. Any witness examined at an inquest may have counsel present at the examination but such counsel shall not be allowed to examine his client, cross-examine other witnesses or argue before the person holding the inquest.

979.07 Witness' oath. An oath or affirmation to the following effect shall be administered to each witness by the coroner: You do solemnly swear that the evidence you shall give to this inquest concerning the death of the person known as shall be the truth, the whole truth, and nothing but the truth.

979.08 Evidence to be written; stenographer. In all cases the testimony of all witnesses examined before the inquest shall be reduced to writing by the coroner, or some other person by his direction, and subscribed by the witnesses. Any officer authorized to take inquests may employ a stenographer to take and transcribe the testimony of all witnesses examined at any inquest held by him. Such stenographer shall receive reimbursement at a reasonable rate per folio for all the testimony taken and transcribed by him, plus additional reasonable reimbursement per folio for each copy thereof, all in accordance with customary charges in the area; his account therefor, after being audited by the proper county board, shall be paid by the county treasurer.

History: 1973 c. 276.

979.09 Verdict. The jury, after hearing the testimony of the witnesses and making all needful inquiries, shall draw up and deliver to the coroner their inquisition under their hands, in which they shall find and certify when, and in what manner and by what means the deceased came to his death, and his name, if known; and if it shall appear that he came to his death by unlawful means the jurors shall further state who was guilty, either as principal or accessory or were in any manner the cause of his death, if known.

979.10 Form of. Such inquisition may be in substance in the following form:

An inquisition taken at, in the county of, on the day of, 19..., before, the coroner of said county, as to the cause of the death of the person known as (or a person unknown), there dead, by the jurors whose names are hereunto subscribed, who being duly sworn to inquire on behalf of this state, when, in what manner and by what means the said (or person unknown) came to his death, upon their oaths do say (here insert when, in what manner and by what means, persons, weapons or instruments he was killed or came to his death).

In testimony whereof, the said coroner and the jurors of this inquest have hereunto set their hands the day and year aforesaid.

979.11 Witnesses to be bound. If the coroner finds that any murder, manslaughter, homicide by reckless conduct or battery has been committed upon the deceased, the coroner shall bind over, by recognizance, such witnesses as he thinks necessary to appear and testify at the next court to be held in the same county at which an indictment for such offense may be found or an information filed; and he shall also return to the same court the inquisition, written evidence and all recognizances and examinations by him taken, and may commit to the jail of the county any witness who refuses to recognize in such manner as he directs.

History: 1973 c. 243.

979.12 Warrant for person charged. If any person charged by the inquest with having committed any such offense shall not be in custody the coroner shall issue a warrant for his apprehension, and such warrant shall be made returnable before any other magistrate or court having cognizance of the case, who shall proceed thereon in the manner that is required of magistrates in like cases.

979.121 Autopsies. The coroner may conduct an autopsy or order the conducting of an autopsy upon the body of a dead person any place

Any coroner or deputy coroner may be paid an annual salary and allowance for traveling expenses to be established by the county board pursuant to s. 59.15 which shall be in lieu of all fees, per diem and compensation for services rendered. The compensation of constables and witnesses at such inquest shall be the same as is allowed for like services in county court, and the compensation of jurors shall be the same as that for jurors under s. 255.25.

979.15 Inquests. In each county whose inhabitants exceed in number 500,000 and all counties instituting a medical examiner system all the duties mentioned in the foregoing sections of this chapter shall be performed by the medical examiner appointed pursuant to s. 59.34 (1), who is hereby invested with the exclusive jurisdiction and power to take inquests therein, and in case of the inability of the medical examiner to attend to such duties the medical examiner may deputize one of his assistants to conduct the inquest.

History: 1973 c. 272.

The medical examiner's duty to take inquests when required by law includes duty to take them when ordered by the district attorney under 979.01. *Mohrhusen v. McCann*, 62 W (2d) 509, 215 NW (2d) 560.

979.17 Office and records. The county board of such county shall provide for the use of the medical examiner suitable offices at the county seat of the county, and the medical examiner shall keep in his office proper books containing records of all inquests by him held, setting forth the time and place of holding such inquests and the names of the jurors serving thereon, together with a brief statement of the proceedings thereof.

979.18 Medical examiner's bond. Before entering upon the duties of his office the medical examiner of such county shall deliver to the county clerk a bond, subscribed by 2 or more sufficient sureties, in such penal sum as the county board determines, conditioned for the faithful performance of all his official duties as set forth in this chapter and that he will faithfully account for and pay to the treasurer of said county all moneys which may come to his hands belonging to said county, and which by virtue of this chapter he is required to account for and pay as aforesaid.

979.19 Cremation of corpse regulated.

(1) The body of a deceased person shall not be cremated within 48 hours after its decease unless death was caused by a contagious or infectious disease, and, if the death occurred within the state, the body shall not be received or cremated by any person, firm, copartnership or corporation not authorized by the department of health and social services to cremate the bodies of the dead until its officers have received the certificate of burial permit required by law

before burial, and a certificate from the coroner of the county, where said person died, and if such person died without the state, then from the coroner of the county where said body is to be cremated, that he has viewed the body and made personal inquiry into the cause and manner of death and is of the opinion that no further examination or judicial inquiry concerning the same is necessary. The heirs or next of kin shall agree with the funeral director as to the final disposition of the cremated remains before such burial permit is issued. The method of such disposition shall be noted on the death certificate and no change in the disposition of such remains shall be permitted. Such disposition shall be consummated within 60 days from time of such notation on the death certificate. The cremated remains or ashes shall not be deposited in the cemetery without due notification and permission of the cemetery authorities.

(2) It shall be the duty of the respective coroners of this state, in any case where the body is to be cremated, to make a careful personal inquiry into the cause and manner of death, and conduct an autopsy or order the conducting of an autopsy, if in their opinion it is necessary to determine the cause and manner of death, and thereupon certify that no further examination or judicial inquiry concerning the same is necessary, if so satisfied, otherwise, or in the event of doubt to proceed as otherwise provided by law.

(3) The coroner shall receive a fee of \$10, to be paid out of the county treasury, for each body so viewed or inquiry made, unless an annual salary has been established by the county board pursuant to s. 979.14.

(4) Whoever shall accept, receive or take any body of a deceased person with intent to destroy the same by means of cremation, or who shall cremate or aid and assist in the cremation of any body of a deceased person without having presented such coroner's certificate heretofore provided for shall be deemed guilty of a misdemeanor, and shall be fined not less than \$500 nor more than \$1,000, or be imprisoned not less than 6 months nor more than one year.

(5) All the powers and duties granted to or imposed upon the coroner or his deputy in this section are vested in the medical examiner appointed under s. 59.34 (1), except that said medical examiner shall not be entitled to the fees provided by sub. (3).

(4) No person may embalm or perform an autopsy on the body of any person who has died under any of the circumstances listed in this section unless the person obtains the written authorization of the coroner of the county in which the injury or cause of death occurred. Such authorization shall be issued by the coroner or a deputy within 12 hours after notification of the reportable death, or as soon thereafter as possible in the event of unexplained, unusual or suspicious circumstances.

History: 1973 c. 272; 1975 c. 294, 421.
