(1a) AUTHORITY OF DEPARTMENT AND COMMISSIONER. The department shall issue the licenses provided for in sub. (2) (d) 1 to 6 and have supervision over the licensees thereunder in respect to all the provisions of this section, except only as to such matters as relate to the sale of motor vehicles on retail instalment contracts and the financing and servicing of such contracts, over which matter the commissioner shall have jurisdiction and control, and the commissioner shall issue the licenses to sales finance companies. Either licensor hereunder shall, upon request, furnish the other licensor with any information it may have in respect to any licensee or applicant for license or any transaction in which such licensee or applicant may be a party or be interested. No license shall be issued under sub. (2) (d) 1 and 8 until both licensors have approved the application. The suspension or revocation of either of such licenses shall automatically likewise suspend or revoke the other license; and such suspension or revocation shall be certified by the licensor ordering it to the other licensor.

(1b) LICENSES FOR DEALERS, DISTRIBUTORS, MANUFACTURERS OR TRANSPORTERS OF SEMI-

TRAILERS AND TRAILERS. Subject to ch. 180 where applicable, any dealer, distributor, manufacturer or transporter of semitrailers or trailers designed for use in combination with a truck or truck tractor is deemed licensed under this section where for purposes of chs. 341 and 342 license under this section is required. This subsection is enacted to remove an undue burden on interstate commerce from a class of commercial transactions in which the business character of the parties does not require the protection provided by this section and to promote the expansion of credit for truck operators who require banking and financing facilities throughout the United States.

(2) LICENSES, HOW GRANTED; AGREEMENTS, FILING. (a) No motor vehicle dealer, motor vehicle salesman or sales finance company shall engage in business as such in this state without a license therefor as provided in this section. If any motor vehicle dealer acts as a motor vehicle salesman he shall secure a motor vehicle salesman's license in addition to a license for motor vehicle dealer. Every motor vehicle dealer shall be responsible for the licensing of every motor vehicle salesman in his employ.

(am) No manufacturer of motor vehicles, or factory branch, or distributor or distributor branch shall engage in business as such in this state without a license therefor as provided in this section.

(an) No factory representative or distributor representative shall engage in business as such in this state without a license therefor as provided in this section.

(b) Application for license shall be made to the licensor, at such time, in such form and contain such information as the licensor shall require and shall be accompanied by the required fee. The licensor may require in such application, or otherwise, information relating to the applicant's solvency, his financial standing or other pertinent matter commensurate with the safeguarding of the public interest in the locality in which said applicant proposes to engage in business, all of which may be considered by said licensor in determining the fitness of said applicant to engage in business as set forth in this section.

(bc) Except as provided in this subsection every dealer and distributor of new motor vehicles other than power-driven cycles or motor bicycles, shall, at the time of application for a license, file with the department a certified copy of the applicant's written agreement and a certificate of appointment as dealer or distributor, respectively. The certificate of appointment shall be signed by an authorized agent of the manufacturer of domestic vehicles on direct manufacturer-dealer agreements; or, where the

manufacturer is wholesaling through an appointed distributorship by an authorized agent of the distributor on indirect distributor-dealer agreements. The certificate shall be signed by an authorized agent of the importer on direct importer-dealer agreements of foreign-made vehicles; or, by an authorized agent of the distributor on indirect distributor-dealer agreements. The distributor's certificate of appointment shall be signed by an authorized agent of the manufacturer; or, by an agent of the manufacturer or importer of foreign manufactured vehicles.

(bd) 1. A dealer or distributor need not file a written agreement if the manufacturer on direct dealerships or distributor on indirect dealerships or importer on direct dealerships utilizes the identical basic agreement for all its dealers or distributors in Wisconsin and certifies in the certificate of appointment that such blanket agreement is on file and such written agreement with such dealer or distributor, respectively, is identical with the filed blanket agreement, and has filed with the department one such agreement together with a list of authorized dealers or distributors. Such manufacturer, distributor or importer shall notify the department immediately of the appointment of any additional dealers or distributors, of any revisions of or additions to the basic agreement on file, or of any individual dealer or distributor supplements to such agreement. Such manufacturer, distributor or importer shall notify the dealer or distributor and forward a copy of such notice to the department of the discontinuation or cancellation of the agreement of any of its dealers or distributors at least 60 days before the effective date thereof together with the specific grounds for discontinuation or cancellation of the agreement, if discontinued or canceled. Agreements and certificates of appointment are deemed to be continuing unless the manufacturer, distributor or importer has notified the department of the discontinuation or cancellation of the agreement of any of its dealers or distributors, and annual renewal of certifications filed as provided in this subsection is not necessary.

2. Any dealer or distributor discontinued or canceled may within such 60-day notice period, file with the department and office of the commissioner of transportation and serve upon the respondent a complaint for a determination of unfair discontinuation or cancellation under sub. (3) (a) 17. Allowing opportunity for an answer, the office of the commissioner of transportation shall thereafter schedule a hearing on and decide the matter. Agreements and certificates of appointment shall continue in effect until final determination of the issues raised in such complaint. If the complainant prevails he

or she shall have a cause of action against the defendant for reasonable expenses and attorney's fees incurred by him or her in such matter.

NOTE: Subd. 2 is shown as affected by ch. 347, laws of 1981, section 80 (2) which substitutes "office of the commissioner of transportation" for "transportation commission" eff. 7-1-83.

3. No manufacturers', distributors' or importers' vehicles shall be sold in this state unless either the manufacturer on direct dealerships of domestic vehicles, the importer of foreign manufactured vehicles on direct dealerships or the distributor on indirect dealerships of either domestic or foreign vehicles are licensed under s. 218.01. The obtaining of a license under s. 218.01 shall conclusively establish that such manufacturer, distributor or importer is doing business in this state and shall subject the licensee to all provisions of the Wisconsin statutes regulating manufacturers, importers and distributors.

(b) Any manufacturer on direct dealerships or distributor on indirect dealerships or importer on direct dealerships who has filed with the department an agreement used by all its dealers or distributors in this state together with a list of all such dealers or distributors who fails to notify the department of any revisions, changes or additions when and as required by par. (bd) may be fined not more than \$200 or imprisoned not more than 6 months or both.

(c) 1. Except as provided in subd. 2, all licenses shall be granted or refused within 60 days after application therefor, and shall expire, unless sooner revoked or suspended, on December 31 of the calendar year for which they are granted.

2. a. In cases where a complaint of unfair cancellation of a dealer agreement is in the process of being heard, no replacement application for the agreement may be considered until a decision is rendered by the office of the commissioner of transportation.

b. In cases where a complaint has been filed under sub. (3) (f) protesting the proposed establishment or relocation of a dealership in a relevant market area, no license may be issued until the transportation commission has rendered a decision permitting the issuance of the license.

(d) The license fee for each calendar year, or part thereof, shall be:

1. For motor vehicle dealers, \$20 for each office or branch thereof, plus \$1 for a supplemental license for each used motor vehicle lot within the same municipality, but not immediately adjacent to the office or to a branch.

2. For motor vehicle manufacturers, \$20; and for each factory branch in this state, \$20.

3. For distributors or wholesalers, the same as for dealers.

4. Any person licensed under subd. 2 or 3 next preceding, may also operate as a motor vehicle dealer, without any additional fee.

5. For motor vehicle salesmen, \$4.

6. For factory representative, or distributor branch representative, \$4.

7. For sales finance companies on the basis of the gross volume of purchases of retail sales contracts of motor vehicles sold in this state for the 12 months immediately preceding October 31 of the year in which the application or license is made, as follows: On a gross volume of \$25,000 or less, \$25; on a gross volume of over \$25,000 and not over \$100,000, \$50; on each \$100,000 over \$100,000 and up to \$500,000, an additional \$15; and on each \$100,000 over \$500,000, an additional \$10. No extra charge shall be made for branch licenses for sales finance companies. Gross volume shall be based on the unpaid balance of the retail contracts.

8. For motor vehicle dealers, which operate as a sales finance company, and carry or retain time sales contracts for more than 30 days, the same as sales finance companies, except for the first \$10,000 of gross volume, \$10; and on each \$1,000 of gross volume, or part thereof, over \$10,000 and up to \$25,000, \$1.

(e) The licenses of dealers, manufacturers, factory branches, distributors, distributor branches and sales finance companies shall specify the location of the office or branch and must be conspicuously displayed there. In case such location be changed, the licensor shall indorse the change of location on the license without charge if it be within the same municipality. A change of location to another municipality shall require a new license, except for sales finance companies.

(f) Every salesman, factory representative or distributor representative shall carry his license when engaged in his business, and display the same upon request. The license shall name his employer, and in case of leaving an employer, the salesman shall immediately surrender his license to his employer who shall mail the license to the licensor. If during the license year such individual again is employed or acts as a salesman he shall make application for reissue of a salesman's license. There shall be no fee in connection with such subsequent applications.

(g) Every sales finance company shall be required to procure a salesman's license for itself or its employes in order to sell motor vehicles repossessed by it.

(h) Provided the licensor has reasonable cause to doubt the financial responsibility or the compliance by the applicant or licensee with the provisions of this statute the licensor may re-

quire such applicant or licensee to furnish and maintain a bond in such form, amount and with such sureties as it shall approve, but not less than \$5,000, nor more than \$15,000, conditioned upon such applicant or licensee complying with the provisions of the statutes applicable to the licensee and as indemnity for any loss sustained by any person by reason of any acts of the licensee constituting grounds for suspension or revocation of his license hereunder. The bonds shall be executed in the name of this state for the benefit of any aggrieved parties; provided that the aggregate liability of the surety to all such parties shall, in no event, exceed the amount of the bond. The above bonding requirements shall not apply to manufacturers, factory branches, and their agents.

(i) Application for dealers' licenses shall be submitted to the department in duplicate and contain such information as the licensors require. Application for sales finance company licenses shall contain such information as the commissioner requires. No motor vehicle dealer or sales finance company, unless so licensed, shall be permitted to register or receive or use registration plates under ss. 341.47 to 341.57. The department shall transmit the duplicate copy of each application for a dealer's license to the commissioner with \$1 for each application fee to cover the fee required under par. (d) 8. and the commissioner shall issue a sales finance company license to the dealer if no prior sales finance company license has been suspended or revoked, and if the applicant meets the requirements of this section relating to sales finance companies.

(j) Every motor vehicle dealer licensed in accordance with the provisions of this section shall make reports to the licensor at such intervals and showing such information as the licensor may require.

(k) After the receipt of an application in due form, properly verified and certified, and upon the payment of the \$5 examination fee, it is the duty of the secretary, or the deputy secretary or any salaried employe of the department designated by the said secretary, within a reasonable time and in a place reasonably accessible to the applicant for a license, to subject each first-time applicant for license and if the secretary deems necessary, any applicant for renewal of license, to a personal written examination as to competency to act as a motor vehicle salesman. When it is shown from such application and examination that the applicant: 1. intends in good faith to act as a motor vehicle salesman; 2. is of good reputation; 3. has had experience or training in, or is otherwise qualified for selling motor vehicles; 4. is a resident of this state (unless application is for a nonresident motor vehicle sales-

man's license); 5. is reasonably familiar with the motor vehicle sales laws or contracts the applicant is proposing to solicit, negotiate or effect; and 6. is worthy of a license, the said secretary shall issue to the applicant a license to transact business in this state as a resident or nonresident motor vehicle salesman.

(2a) CHANGES IN PLACES OF BUSINESS TO BE REPORTED. (a) Before changing the location of a place of business or opening a new place of business in a municipality in which authorized to do business, a licensed dealer, distributor, or manufacturer shall apply to the department for an amended license. The department shall issue such license without charge.

(b) Whenever a licensed dealer, distributor, manufacturer or transporter opens a new place of business, the licensee shall promptly report such fact, including the address thereof, to the department.

(c) Whenever a licensed dealer, distributor or manufacturer discontinues or disposes of his or her business, such person shall promptly report such fact to the department and return the license and registration plates issued. Whenever a licensed dealer, distributor or manufacturer discontinues business due to license suspension or revocation, such person shall surrender the licenses and registration plates to the department for such suspension or revocation period.

(d) Any dealer, distributor, manufacturer or transporter who fails to comply with the requirements of this subsection may be fined not more than \$200 or imprisoned not more than 6 months or both.

(3) LICENSES, HOW DENIED, SUSPENDED OR REVOKED. (a) A license may be denied, suspended or revoked on the following grounds:

1. Proof of unfitness.
2. Material misstatement in application for license.
3. Filing a materially false or fraudulent income tax return as certified by the department of revenue.
4. Wilful failure to comply with any provision of this section or any rule or regulation promulgated by the licensor under this section.
5. Wilfully defrauding any retail buyer to the buyer's damage.
6. Wilful failure to perform any written agreement with any retail buyer.
7. Failure or refusal to furnish and keep in force any bond required.
8. Having made a fraudulent sale, transaction or repossession.
9. Fraudulent misrepresentation, circumvention or concealment through whatsoever subterfuge or device of any of the material particulars

or the nature thereof required hereunder to be stated or furnished to the retail buyer.

10. Employment of fraudulent devices, methods or practices in connection with compliance with the requirements under the statutes of this state with respect to the retaking of goods under retail instalment contracts and the redemption and resale of such goods.

11. Having indulged in any unconscionable practice relating to said business.

12. Having charged a finance charge in excess of the rate permitted by s. 422.201 (3).

13. Having sold a retail instalment contract to a sales finance company not licensed hereunder.

14. Having violated any law relating to the sale, distribution or financing of motor vehicles.

15. Being a manufacturer of motor vehicles, factory branch, distributor, field representative, officer, agent or any representative whatsoever of such motor vehicle manufacturer or factory branch, who has induced or coerced or attempted to induce or coerce any motor vehicle dealer to accept delivery of any motor vehicle or vehicles, parts or accessories therefor, or any other commodities which shall not have been ordered by said dealer.

16. Being a manufacturer of motor vehicles, factory branch, distributor, field representative, officer, agent or any representative whatsoever of such motor vehicle manufacturer or factory branch, who has attempted to induce or coerce, or has induced or coerced, any motor vehicle dealer to enter into any agreement with such manufacturer, factory branch or representative thereof, or to do any other act unfair to said dealer, by threatening to cancel any franchise existing between such manufacturer, factory branch or representative thereof and said dealer.

17. Being a manufacturer, factory branch, distributor, field representative, officer, agent or any representative whatsoever of such motor vehicle manufacturer or factory branch, who has unfairly, without due regard to the equities of said dealer and without just provocation, canceled the franchise of any motor vehicle dealer; or being a manufacturer, factory branch or importer, who unfairly, without due regard to the equities of a distributor and without just provocation canceled the franchise of any distributor. All existing dealers' franchises shall continue in full force and operation under a newly appointed distributor on the termination of an existing distributor unless a mutual agreement of cancellation is filed with the department between the newly appointed distributor and such dealer. The nonrenewal of a franchise or selling agreement without just provocation or cause shall be deemed an evasion of this section and shall constitute an unfair cancellation.

18. Having accepted an order of purchase or a contract from a buyer if such arrangement results in the practice of bushing. For the purpose of this section, "bushing" means the practice of increasing the selling price of a motor vehicle above that originally quoted the purchaser as evidenced by a purchase order or contract which has been signed by both the purchaser and dealer licensee.

19. Having advertised, printed, displayed, published, distributed, broadcast or televised or caused or permitted to be advertised, printed, displayed, published, distributed, broadcast or televised in any manner whatsoever, any statement or representation with regard to the sale or financing of motor vehicles which is false, deceptive or misleading.

20. Having set up, promoted or aided in the promotion of a plan by which motor vehicles are sold to a person for a consideration and upon the further consideration that the purchaser agrees to secure one or more persons to participate in the plan by respectively making a similar purchase and in turn agreeing to secure one or more persons likewise to join in said plan, each purchaser being given the right to secure money, credits, goods or something of value, depending upon the number of persons joining in the plan.

21. Being a dealer who keeps open his place of business on Sunday for the purpose of buying or selling motor vehicles; but nothing in this subdivision shall apply to any person who conscientiously believes that the 7th day of the week, from sunset Friday to sunset Saturday, should be observed as the Sabbath and who actually refrains from conducting or engaging in the business of buying, selling or offering for sale motor vehicles, or performing other secular business on that day.

22. Being a manufacturer, factory branch or distributor who for the protection of the buying public fails to specify the delivery and preparation obligations of its dealers prior to delivery of new motor vehicles to retail buyers. A copy of the delivery and preparation obligations of its dealers shall be filed with the department by every licensed motor vehicle manufacturer, factory branch or distributor and shall constitute the dealer's only responsibility for product liability as between the dealer and the manufacturer, factory branch or distributor. Any mechanical, body or parts defects arising from any express or implied warranties of the manufacturer or importer shall constitute the manufacturer's or importer's product or warranty liability. The manufacturer, factory branch or distributor shall reasonably compensate any authorized dealer who performs work to rectify the manufacturer's or importer's product or warranty defects or delivery and preparation obliga-

tions. A manufacturer, factory branch or distributor shall pay the dealer who performs work to rectify the manufacturer's or importer's product or warranty defects at a labor rate equal to the effective labor rate charged all customers.

23. Being a manufacturer who unreasonably withholds its approval of a change of ownership or executive management of a dealership.

24. Being a manufacturer who unreasonably closes a dealer point.

25. Having violated chs. 421 to 427.

26. Being a manufacturer, factory branch, distributor, field representative, officer, agent or any representative of such manufacturer, factory branch or distributor who, notwithstanding the terms of any agreement, refuses to honor the succession to the ownership or operation of a dealership under an existing franchise agreement by a designated family member of a deceased or incapacitated dealer, except in the manner prescribed by sub. (3c), or who unreasonably withholds its approval of a change of ownership or executive management of the dealership after the dealer's death or incapacity.

27. The selling of new motor vehicles for which the dealer is not franchised.

28. Wilful failure to provide and maintain facilities and business records as required by this section or by any rule promulgated by the licensor pertaining to facility and business records.

29. Being an inactive business, as evidenced by 3 or less motor vehicle purchases and sales during the prior year licensing period.

30. Failure to obtain proper business zoning or failure to obtain and maintain any required additional state or local license or permit.

31. Having violated an order issued under par. (h).

32. Being a manufacturer, factory branch or distributor who enters into a franchise agreement establishing or relocating a motor vehicle dealership in a relevant market area without first complying with the procedure in par. (f) 1.

(b) The licensor may without notice deny the application for a license within 60 days after receipt thereof by written notice to the applicant, stating the grounds for such denial. Within 30 days after such notice, the applicant may petition the office of the commissioner of transportation to conduct a hearing to review the denial, and a hearing shall be scheduled with reasonable promptness.

(bf) 1. The department shall not license as a dealer an applicant for the sale of motor vehicles at retail unless such applicant owns or leases a vehicle display lot and a permanent building wherein there are facilities to display automobiles and motorcycles and facilities to repair functional and nonfunctional parts of motor vehicles and where replacement parts,

repair tools and equipment to service motor vehicles are kept, and at which place of business shall be kept and maintained the books, records and files necessary to conduct the business. A residence, tent or temporary stand is not a sufficiently permanent place of business within the meaning of this paragraph.

2. An approved service contract with an established repair shop having the repair parts and repair facilities specified in subd. 1 shall serve in lieu of the applicant's owning or leasing his own repair facilities if such service connection is within a reasonable distance from the applicant's place of business and if such service connection guarantees in writing the making of the repairs or replacements ordered by the dealer.

3. This paragraph does not apply to persons who deal only in power-driven cycles or motor bicycles.

(c) No license may be suspended or revoked except after a hearing thereon. The licensor shall give the licensee at least 5 days' notice of the time and place of such hearing. The order suspending or revoking such license shall not be effective until after 10 days' written notice thereof to the licensee, after such hearing has been had; except that the licensor, when in its opinion the best interest of the public or the trade demands it, may suspend a license upon not less than 24 hours' notice of hearing and with not less than 24 hours' notice of the suspension of the license. Matters involving suspensions or revocations brought before the department shall be heard and decided upon by the office of the commissioner of transportation.

NOTE: Pars. (b) and (c) are shown as affected by ch. 347, laws of 1981, section 80 (2) which substitutes "office of the commissioner of transportation" for "transportation commission" eff. 7-1-83.

(d) The licensor may inspect the pertinent books, records, letters and contracts of a licensee. The actual cost of each such examination shall be paid by such licensee so examined within 30 days after demand therefor by the licensor, and the licensor may maintain an action for the recovery of such costs in any court of competent jurisdiction.

(e) If a licensee is a firm or corporation, it shall be sufficient cause for the denial, suspension or revocation of a license that any officer, director or trustee of the firm or corporation, or any member in case of a partnership, has been guilty of any act or omission which would be cause for refusing, suspending or revoking a license to such party as an individual. Each licensee shall be responsible for the acts of any or all of his salesmen while acting as his agent, if such licensee approved of or had knowledge of said acts or other similar acts and after such

approval or knowledge retained the benefit, proceeds, profits or advantages accruing from said acts or otherwise ratified said acts.

(f) 1. A manufacturer, factory branch or distributor who seeks to enter into a franchise agreement establishing or relocating a motor vehicle dealership within the relevant market area of an existing enfranchised dealer of the line make of motor vehicle shall first notify in writing the department and each such existing enfranchised dealer of its intention to establish or relocate a dealership. Within 30 days of receiving the notice or within 30 days after the end of any appeal procedure provided by the manufacturer, factory branch or distributor, whichever is later, any existing enfranchised dealer of the same line make to whom the manufacturer, factory branch or distributor is required to give notice under this subdivision may file with the department and the transportation commission a complaint protesting the proposed establishment or relocation of the dealership within the relevant market area of the existing enfranchised dealer. If a complaint is filed, the department shall inform the manufacturer, factory branch or distributor that a timely complaint has been filed, that a hearing is required, and that the proposed franchise agreement may not be entered into until the transportation commission has held a hearing, nor thereafter, if the transportation commission determines that there is good cause for not permitting the proposed establishment or relocation of the dealership. In the event of multiple complaints, hearings shall be consolidated to expedite the disposition of the issue.

2. In determining whether good cause exists for not permitting the proposed establishment or relocation of a dealership, the transportation commission shall take into consideration the existing circumstances, including, but not limited to:

a. The amount of business transacted by existing enfranchised dealers of the line make of motor vehicle when compared with the amount of business available to them.

b. The permanency of the investment necessarily made and the obligations incurred by existing enfranchised dealers in the performance of their franchise agreements.

c. The effect on the retail motor vehicle business in the relevant market area.

d. Whether it is injurious to the public welfare for the proposed dealership to be established or relocated.

e. Whether the establishment or relocation of the proposed dealership would increase competition and therefore be in the public interest.

f. Whether the existing enfranchised dealers of the line make of motor vehicle are providing

adequate consumer care for the motor vehicles of that line make, including the adequacy of motor vehicle service facilities, equipment, supply of parts and qualified personnel.

g. Whether the existing enfranchised dealers of the line make of motor vehicle are receiving vehicles and parts in quantities promised by the manufacturer, factory branch or distributor and on which promised quantities existing enfranchised dealers based their investment and scope of operations.

h. The effect the denial of such establishment or relocation would have on the license applicant or dealer who is seeking to establish or relocate a dealership.

3. The decision of the transportation commission shall be in writing and shall contain findings of fact and a determination of whether there is good cause for not permitting the proposed establishment or relocation of the dealership. The transportation commission shall deliver copies of the decision to the parties personally or by registered mail. The decision is final upon its delivery or mailing and no reconsideration or rehearing by the transportation commission is permitted.

4. For purposes of this paragraph:

a. The reopening of a dealership, which has been closed for less than 2 years, at the original location is not the establishment or relocation of a motor vehicle dealership. The reopening of a dealership at a location other than the original location is the establishment or relocation of a motor vehicle dealership if the new location is within 6 miles, by the closest highway route, of another enfranchised dealer of the same line make and is closer to such dealer than the reopening dealer's closed dealership.

b. The relocation of an enfranchised dealership to a location within the existing area of sales responsibility assigned to that enfranchised dealership by the manufacturer, factory branch or distributor is not the relocation of a dealership, unless the relocation site is within 6 miles, by the closest highway route, of the location of another enfranchised dealer of the same line make and is closer to such dealer than the relocating dealer's existing location.

(g) Any person in interest aggrieved by a decision of the office of the commissioner of transportation may have a review thereof as provided in ch. 227 or aggrieved by an order of the commissioner may have a review thereof as provided in s. 220.037.

(h) In addition to the licensor's authority to deny, suspend or revoke a license under this section, the commissioner, after public hearing, may issue a special order enjoining any licensee from engaging in any act or practice which is determined by the commissioner to be in viola-

tion of any provision of par. (a), and the office of the commissioner of transportation may be petitioned to issue such a special order after notice and hearing thereon.

NOTE: Pars. (g) and (h) are shown as affected by ch. 347, laws of 1981, section 80 (2) which substitutes "office of the commissioner of transportation" for "transportation commission" eff. 7-1-83.

(3a) WHEN DEPARTMENT TO REVOKE LICENSE OF DEALER, DISTRIBUTOR, MANUFACTURER, OR TRANSPORTER. (a) If a dealer, distributor or manufacturer is convicted under s. 341.55 (1) a second or subsequent time within the same registration year, the department shall revoke the license of such dealer, distributor or manufacturer for a period not to exceed one year. For the purposes of this paragraph, the conviction of the employe of a dealer, distributor or manufacturer shall be counted as a conviction of the employer.

(b) If a transporter is convicted under s. 341.55 (3) a second or subsequent time within the same license year, the department shall revoke the license of such transporter for a period not to exceed one year.

(c) A dealer, distributor, manufacturer or transporter whose license has been revoked shall forthwith surrender its registration plates to a traffic officer or peace officer designated by the department. A dealer, distributor, manufacturer or transporter who fails to return the plates as required by this subsection may be fined not more than \$200 or imprisoned not more than 6 months or both.

(d) The appeal of a conviction does not suspend the act or order of revocation unless a stay is ordered by the judge of the court to which the appeal is taken.

(3c) FAMILY MEMBER'S RIGHT TO SUCCEED DECEASED OR INCAPACITATED DEALER UNDER EXISTING FRANCHISE AGREEMENT. (a) The term "designated family member", as used in this subsection and in sub. (3) (a) 26, means the spouse, child, grandchild, parent, brother or sister of a dealer who, in the case of a deceased dealer, is entitled to inherit the dealer's ownership interest in the dealership under the terms of the dealer's will or under the laws of intestate succession of this state, or who, in the case of an incapacitated dealer, has been appointed by a court as the legal representative of the dealer's property. The term "designated family member" shall also mean and include the duly appointed and qualified personal representative and the testamentary trustee of a deceased dealer.

(b) Any designated family member of a deceased or incapacitated dealer shall have the right to succeed such dealer in the ownership or operation of the dealership under the existing

franchise agreement provided the designated family member gives the manufacturer, factory branch or distributor written notice of his or her intention to do so within 120 days of the dealer's death or incapacity and unless there exists good cause for refusal to honor such succession on the part of the manufacturer, factory branch or distributor. The manufacturer, factory branch or distributor may request, and the designated family member shall provide, such personal and financial data as is reasonably necessary to determine whether the succession should be honored.

(c) If a manufacturer, factory branch or distributor believes it has good cause for refusing to honor the succession to the ownership and operation of a dealership by a family member of a deceased or incapacitated dealer under the existing franchise agreement, such manufacturer, factory branch or distributor may, within 30 days of receipt of notice of the designated family member's intent to succeed the dealer in the ownership and operation of the dealership, serve upon such designated family member and the department notice of its refusal to honor the succession and of its intent to discontinue the existing franchise agreement with the dealership no sooner than 60 days from the date such notice is served. Such notice shall state the specific grounds for the refusal to honor the succession and the discontinuance of the franchise agreement. If no notice of such refusal and discontinuance is timely served upon the family member and department, or if the office of the commissioner of transportation rules in favor of the complainant in a hearing held under par. (d), the franchise agreement shall continue in effect subject to termination only in the manner prescribed in this subchapter.

(d) Any designated family member who receives a notice of the manufacturer's, factory branch's or distributor's refusal to honor his or her succession to the ownership and operation of the dealership may within the 60-day notice period, serve on the respondent and file in triplicate with the office of the commissioner of transportation a verified complaint for a hearing and determination by the office of the commissioner of transportation on whether good cause exists for such refusal and discontinuance. The office of the commissioner of transportation shall forward a copy of the complaint to the department. The manufacturer, factory branch or distributor shall have the burden of establishing good cause for such refusal by showing that the succession would be detrimental to the public interest or to the representation of the manufacturer, factory branch or distributor. The franchise agreement shall continue in effect until the final determination of the issues raised

in such complaint. If the complainant prevails he or she shall have a cause of action against the defendant for reasonable expenses and attorney's fees incurred in such matter. If the manufacturer, factory branch or distributor prevails, the office of the commissioner of transportation shall include in its order approving the termination of the franchise agreement such conditions as are reasonable and adequate to afford the complainant an opportunity to receive fair and reasonable compensation for the value of the dealership.

NOTE: Pars. (c) and (d) are shown as affected by ch. 347, laws of 1981, s. 80 (2) which substitutes "office of the commissioner of transportation" for "transportation commission" eff. 7-1-83.

(e) Nothing in this subsection shall prevent a dealer, during the dealer's lifetime, from designating any person as his or her successor dealer by written instrument filed with the manufacturer, factory branch or distributor.

(4) **ADVISORY COMMITTEE.** The licensor may appoint annually one or more local advisory committees and one general advisory committee, each consisting of not more than 9 members. The committees upon request of the licensor may advise and assist the licensor in the administration of this section. The members of said committees shall receive no compensation for their services or expenses.

(5) **RULES AND REGULATIONS.** (a) The licensor shall promote the interests of retail buyers of motor vehicles relating to default, delinquency, repossession or collection charges and the refund of the finance charge and insurance premium on prepayment of the instalment contract. It may define unfair practices in the motor vehicle industry and trade between licensees or between any licensees and retail buyers of motor vehicles, but may not limit the price at which licensees may sell, assign or transfer receivables, contracts or other evidence of any obligation arising out of an instalment sale made under this section.

(b) The commissioner and office of the commissioner of transportation shall have the power in hearings and trials arising under this chapter to determine the place, in the state of Wisconsin, where they shall be held; to subpoena witnesses; to take depositions of witnesses residing without the state, in the manner provided for in civil actions in courts of record; to pay such witnesses the fees and mileage for their attendance as is provided for witnesses in civil actions in courts of record; and to administer oaths.

NOTE: Par. (b) is shown as affected by ch. 347, laws of 1981, section 80 (2) which substitutes "office of the commissioner of transportation" for "transportation commission" eff. 7-1-83.

(c) The licensor may make such rules and regulations as it shall deem necessary or proper

for the effective administration and enforcement of this section, but no licensee shall be subject to examination or audit by the licensor except as provided in sub. (3) (d).

(5m) **CONTRACT PROVISIONS.** (a) No contract for the sale of a motor vehicle shall contain a clause which, upon nonacceptance of the vehicle by the buyer, would subject the buyer to a penalty greater than 5 per cent of the cash price of the vehicle.

(6) **INSTALMENT SALES.** (a) Every retail instalment sale shall be evidenced by an instrument in writing, which shall contain all the agreements of the parties and shall be signed by the buyer.

(b) Prior to or concurrent with any instalment sale, the seller shall deliver to the buyer a written statement describing clearly the motor vehicle sold to the buyer, the cash sale price, the cash paid down by the buyer, the amount credited the buyer for any trade-in and a description of the trade-in, the cost to the retail buyer of any insurance, the amount financed which may include the cost of insurance, sales and use taxes, the amount of the finance charge, the amount of any other charge specifying its purpose, the total of payments due from the buyer, the terms of the payment of such total, the amount and date of each payment necessary finally to pay the total and a summary of any insurance coverage to be effected. The commissioner may determine the form of the statement. If a written order is taken from a prospective purchaser in connection with any instalment sale, the written statement shall be given to the purchaser prior to or concurrent with the signing of the order by the purchaser. The finance charge in a retail instalment sale made prior to April 6, 1980, however computed, excluding the cost of insurance shall not exceed the amount computed on the basis of the following annual percentage rates:

1. Class 1: Any new motor vehicle—12.75% per year; except for transactions of 72 months or more—11.7% per year.

2. Class 2: Any used motor vehicle designated by the manufacturer by a year model of the same or 2 years prior to the year in which the sale is made—16.25% per year; except for transactions of 72 months or more—14.7% per year.

4. Class 4: Any used motor vehicle not in Class 2 or Class 3 and designated by the manufacturer by a year model more than 4 years prior

to the year in which the sale is made—23.25% per year; except for transactions of 72 months or more—20.75% per year.

5. Class 5: Any new truck or truck tractor having a gross vehicular weight of 15,000 pounds or more—15.25% per year.

6. The maximum allowable finance charge shall be computed on the declining principal balance of the amount financed as determined under par. (b) (intro.) at the annual percentage rates provided for in the classes under subds. 1 to 5 according to the actuarial method as defined in s. 421.301 (1).

7. A minimum finance charge of \$15 may be charged on any instalment sales contract in which the finance charge, when computed at the rates indicated, results in a total charge of less than this amount.

8. In addition to other charges, an instalment sales contract may include a charge sufficient to cover the fee for filing the termination statement required by s. 409.404.

(bm) The finance charge in a retail instalment sale made on or after April 6, 1980 and prior to November 1, 1981, or the refinancing, renewal, extension or modification on or after April 6, 1980 and prior to November 1, 1981, of any retail instalment sale, however computed, excluding the cost of insurance shall not exceed the amount computed on the basis of the following annual percentage rates:

1. Any new motor vehicle, the lesser of 18% per year or a rate of not more than 4% in excess of the discount rate on 90-day commercial paper in effect 15 days prior to the date of sale at the federal reserve bank in the federal reserve district where the seller is located.

2. Any used motor vehicle, 18% per year.

(bn) 1. Except as provided in subd. 3, the finance charge in a retail instalment sale which is a consumer transaction as defined in s. 421.301 (13) made on or after November 1, 1981 and before November 1, 1984, or after October 31, 1987, or the refinancing, renewal, extension or modification on or after November 1, 1981 and before November 1, 1984, or after October 31, 1987, of any such retail instalment sale, excluding the cost of insurance, may not exceed the maximum rate provided in s. 422.201 (2) (bm).

2. For any retail instalment sale which is not a consumer transaction as defined in s. 421.301 (13) and is made on or after November 1, 1981 and before November 1, 1984, or after October 31, 1987, or for any refinancing, renewal, extension or modification on or after November 1, 1981 and before November 1, 1984, or after October 31, 1987, of any such retail instalment sale, the maximum finance charges under pars. (b) and (bm) do not apply.

3. For any retail instalment sale of a mobile home as defined in s. 218.10 (2) made on or after November 1, 1981 and before November 1, 1984, or after October 31, 1987, or for any refinancing, renewal, extension or modification on or after November 1, 1981 and before November 1, 1984, or after October 31, 1987, of any such retail instalment sale, the maximum finance charges under pars. (b) and (bm) do not apply.

(bp) A retail instalment sale made after October 31, 1984 and before November 1, 1987, is not subject to any maximum finance charge limit.

(c) An exact copy of the instalment sale contract and any note or notes given in connection therewith shall be furnished by the seller to the buyer at the time the buyer signs such contract. The buyer's copy of the contract shall contain the signature of the seller identical with the signature on the original contract. No contract shall be signed in blank except that a detailed description of the motor vehicle including the serial number or other identifying marks of the vehicle sold which are not available at the time of execution of such contract may be filled in before final delivery of the motor vehicle.

(d) A violation of par. (a), (b), (bm), (bn), (bp) or (k) bars recovery of any finance charge by the seller, or an assignee of the seller who, at the time of the assignment, had knowledge of the violation, in any suit upon a sales contract arising from the sale where the violation occurred.

(e) Prior to 30 days after acquisition of any retail instalment contract from a retail seller, every finance company shall mail or deliver to the retail buyer a written notice that it has acquired the retail instalment contract from the retail seller, and shall also mail or cause to be mailed with the notice a statement of the particulars of the retail instalment contract price required under par. (b) to be stated by the retail seller, in accordance with the finance company's records respecting such particulars, including the amount of the finance charge. Every finance company, if insurance is provided by it, shall also within the 30 days send or cause to be sent to the retail buyer a policy of insurance clearly setting forth the exact nature of the insurance coverage and the amount of the premiums, each stated separately, which shall be filed with the commissioner of insurance in accordance with ch. 625. The cancellation and rewriting of any such policy shall comply with the requirements of s. 631.69.

(em) In event the dealer shall finance the instalment sale contract, the commissioner may permit him to combine the information required by pars. (b) and (e) last above in one statement

under such rules and regulations as the commissioner may from time to time prescribe.

(f) Any retail buyer of a motor vehicle, resident in the state of Wisconsin, at the time of purchase, under a retail instalment contract, shall have a valid defense in any action or proceeding at law to enforce said contract by any finance company not licensed hereunder which has purchased or otherwise acquired such contract, if such finance company has wilfully failed or refused to comply with par. (e).

(g) Any retail buyer of a motor vehicle, resident of the state of Wisconsin at the time of purchase, under a retail instalment contract made in this state, shall have a valid defense against the recovery of the principal, finance charge and other fees included in the contract, in any action or proceeding at law to enforce the contract by any person who has purchased or otherwise acquired the contract, if the person has failed or refused prior to the purchase or acquisition to be licensed as a sales finance company under this section, and the person is actually engaged in business, in whole or in part as a sales finance company.

(h) All transactions which constitute consumer transactions (s. 421.301 (13)) are subject to chs. 421 to 427, in addition to this section.

(j) This subsection does not apply to a retail instalment sale made on or after April 6, 1980 and prior to November 1, 1981, of a motor vehicle having a gross vehicular weight or a gross carrying weight of 15,000 pounds or more if the motor vehicle is to be used primarily for a business or commercial purpose, or to any refinancing, renewal, extension or modification on or after April 6, 1980 and prior to November 1, 1981, of any retail instalment sale of such a motor vehicle.

(k) This subsection does not apply to a retail instalment sale of a motor vehicle made on or after November 1, 1981, if the motor vehicle is to be used primarily for business or commercial purposes and not for the buyer's personal, family or household use.

(6m) NOTICE OF INSURANCE TO BUYER UNDER INSTALMENT SALES CONTRACT. Whenever a person sells or agrees to sell any motor vehicle at retail under a retail instalment contract wherein provision is made for insurance coverage, or a charge is made therefor, such policy so issued or provided for, shall include public liability coverage protecting the driver of such motor vehicle against damages resulting from the negligent use thereof, or the seller shall, in writing, notify the buyer at the time of making such contract that the motor vehicle is not covered by public liability insurance protecting the driver against damages resulting from the negligent use thereof. The seller shall ob-

tain, on a form separate from the retail instalment contract, the signed acknowledgment of the buyer that he or she has been notified that the contract does or does not include such insurance.

(7) PROHIBITED ACTS. (a) No manufacturer of motor vehicles, no wholesaler or distributor of motor vehicles, and no officer, agent or representative of either shall induce or coerce, or attempt to induce or coerce, any retail motor vehicle dealer or prospective retail motor vehicle dealer in this state to sell, assign or transfer any retail instalment sales contract, obtained by such dealer in connection with the sale by him in this state of motor vehicles manufactured or sold by such manufacturer, wholesaler or distributor, to a specified sales finance company or class of such companies, or to any other specified person, by any of the acts or means hereinafter set forth, namely:

1. By any statement, suggestion, promise or threat that such manufacturer, wholesaler or distributor will in any manner benefit or injure such dealer, whether such statement, suggestion, threat or promise is express or implied, or made directly or indirectly.

2. By any act that will benefit or injure such dealer.

3. By any contract, or any express or implied offer of contract, made directly or indirectly to such dealer, for handling such motor vehicles, on the condition that such dealer sell, assign or transfer his retail instalment contract thereon, in this state, to a specified sales finance company or class of such companies, or to any other specified person.

4. By any express or implied statement or representation, made directly or indirectly, that such dealer is under any obligation whatsoever to sell, assign or transfer any of his retail sales contracts, in this state, on motor vehicles manufactured or sold by such manufacturer, wholesaler or distributor to such sales finance company, or class of companies, or other specified person, because of any relationship or affiliation between such manufacturer, wholesaler or distributor and such finance company or companies or such specified person or persons.

(b) Any such statements, threats, promises, acts, contracts or offers of contracts, set forth in par. (a) are declared unfair trade practices and unfair competition and against the policy of this state, are unlawful and are prohibited.

(c) No sales finance company, and no officer, agent or representative thereof, shall induce or coerce or attempt to induce or coerce any retail motor vehicle dealer to transfer to such sales finance company any of the retail instalment sales contracts in this state of such dealer on any

motor vehicle by any of the following acts or means, namely:

1. By any statement or representation, express or implied, made directly or indirectly, that the manufacturer, wholesaler or distributor of such motor vehicles will grant such dealer a franchise to handle such motor vehicles if such dealer shall sell, assign or transfer all or part of such retail sales contracts to such sales finance company.

2. By any statement or representation, express or implied, made directly or indirectly, that the manufacturer, wholesaler or distributor of such motor vehicles will in any manner benefit or injure such dealer if such dealer shall or shall not sell, assign or transfer all or part of such retail sales contracts to such sales finance company.

3. By an express or implied statement or representation made directly or indirectly, that there is an express or implied obligation on the part of such dealer to so sell, assign or transfer all or part of such retail sales contracts on such motor vehicles to such sales finance company because of any relationship or affiliation between such sales finance company and the manufacturer, wholesaler or distributor of such motor vehicles.

(d) Any such statement or representations set forth in par. (c) are declared to be unfair trade practices and unfair competition and against the policy of this state, are unlawful and are prohibited.

(e) Any retail motor vehicle dealer who, pursuant to any inducement, statement, promise or threat hereinbefore declared unlawful, shall sell, assign or transfer any or all of his retail instalment contracts shall not be guilty of any unlawful act and may be compelled to testify to each such act.

(f) No manufacturer shall directly or indirectly pay or give, or contract to pay or give, anything of service or value to any sales finance company licensee in this state, and no such licensee in this state shall accept or receive or contract or agree to accept or receive directly or indirectly any payment or service of value from any manufacturer, if the effect of the payment or giving of any such thing of service or value by the manufacturer, or the acceptance or receipt thereof by the sales finance company licensee, may be to lessen or eliminate competition or tend to grant an unfair trade advantage or create a monopoly in the licensee who accepts or receives the payment, thing or service of value or contracts or agrees to accept or receive the same.

(7a) MOTOR VEHICLES. (a) No motor vehicle shall be offered for sale by any motor vehicle dealer or motor vehicle salesman unless the odometer reading thereon is disclosed in writing

by the prior owners and such disclosure is subsequently shown to the retail purchaser by the dealer or salesman prior to sale. Such disclosure requirement shall not apply to a motor vehicle with a gross weight rating of more than 16,000 pounds or a vehicle 25 or more years old, or a new vehicle obtained by such dealer directly from a manufacturer or distributor.

(b) It shall be unlawful for any motor vehicle dealer or motor vehicle salesman to fail to provide, upon request of a prospective purchaser, the name and address of the prior owner of any motor vehicle offered for sale.

(7b) PURCHASE OF MOTOR VEHICLE BY MINOR. No minor shall purchase any motor vehicle unless the minor, at the time of purchase, submits to the seller a statement verified before a person authorized to administer oaths and made and signed by either parent of the purchaser, if such parent has custody of the minor or, if neither parent has custody, then by the person having custody, setting forth that the purchaser has consent to purchase the vehicle. The signature on the statement shall not impute any liability for the purchase price of the motor vehicle to the consenting person. The statement shall not adversely affect any other arrangement for the assumption of liability for the purchase price which the consenting person may make. The signed statement shall accompany the application for a certificate of title and shall be filed by the department with the application. Failure to obtain the consent or to forward it with the application for a certificate of title shall not void the contract of sale of a motor vehicle in the hands of an innocent holder, without notice, for value and in the ordinary course of business. Any person who sells a motor vehicle to a minor with knowledge of such fact without procuring such a statement may be fined not more than \$200 or imprisoned not more than 6 months or both.

(8) PENALTIES. Except for sub. (3) (a) 1, 3, 6, 7, 11, 12, 13, 20, 25, 29 and 30, any person violating this section may be required to forfeit not less than \$25 nor more than \$500 for each violation.

NOTE: Sub. (8) is shown as repealed and recreated by ch. 272, laws of 1981. Chapter 382, laws of 1981, amended the language of sub. (8) (d) that was repealed by ch. 272, laws of 1981.

(8m) COMMENCEMENT OF ACTION. Upon the request of the licensor, the department of justice or the district attorney may commence an action in the name of the state to recover a forfeiture under sub. (8). An action under sub. (8) shall be commenced within 3 years after the occurrence of the unlawful act or practice which is the subject of the action.

(9) CIVIL DAMAGES. (a) Any licensee suffering pecuniary loss because of a violation by any other licensee of sub. (3) (a) 4, 11, 15, 16, 17, 23, 24, 26 or 32 or because of any unfair practice found by the commissioner or office of the commissioner of transportation under sub. (5) (a) may recover damages therefor in any court of competent jurisdiction in an amount equal to 3 times the pecuniary loss together with costs including a reasonable attorney fee.

(b) Any retail buyer suffering pecuniary loss because of a violation by a licensee of sub. (3) (a) 4, 5, 6, 8, 9, 10, 11, 18 or 31 may recover damages for the loss in any court of competent jurisdiction together with costs, including reasonable attorney fees.

SUBCHAPTER II

ADJUSTMENT SERVICE COMPANIES

218.02 Adjustment service companies.

(1) DEFINITIONS. As used in this section:

(a) "Adjustment service company," herein-after called company, shall mean a corporation, association, partnership or individual engaged as principal in the business of prorating the income of a debtor to his creditor or creditors, or of assuming the obligations of any debtor by purchasing the accounts he may have with his several creditors, in return for which the principal receives a service charge or other consideration.

(b) "Commissioner" shall mean the commissioner of banking.

(2) LICENSES; APPLICATIONS; FEES; BOND. (a) Each adjustment service company shall apply to the commissioner of banking for a license to engage in such business. Application for a separate license for each office of a company to be operated under this section shall be made to the commissioner in writing, under oath, in a form to be prescribed by the commissioner. The commissioner may issue more than one license to the same licensee.

(b) At the time of making application and before engaging in business, every applicant for an adjustment service company license shall pay a fee of \$100 to the commissioner for investigating the application and the sum of \$100 as an annual license fee. If the cost of an investigation exceeds \$100, the applicant shall, upon demand of the commissioner, pay the excess cost. No investigation fee shall be required on the renewal of a license.

(c) The commissioner may require any licensee either before or after the issuance of the license to file and maintain in force a bond in a form to be prescribed by him and acceptable to him, in such sum as he may deem necessary to safeguard the interest of the borrowers and the public, not exceeding, however, the sum of \$5,000.

(3) CONDITIONS OF THE ISSUANCE OF LICENSES. The commissioner shall issue a license to the applicant to conduct such business at the office specified in the application in accordance with the provisions of this section, if the commissioner shall find:

(a) That the applicant has filed the required application and paid the required fees.

(b) That the financial responsibility, experience, character and general fitness of the applicant, and of the members thereof if the applicant be a partnership or association, and of the officers and directors thereof if the applicant be a corporation, are such as to command the confidence of the community and to warrant belief that the business will be operated honestly, fairly and efficiently within the purposes of this section.

(c) That allowing such applicant to engage in business will promote the convenience and advantage of the community in which the business of the applicant is to be conducted.

(4) ORDER DENYING APPLICATION. If the commissioner is not satisfied as to all of the matters specified in sub. (a) Application for licenses under the provisions of this section shall be made to the commissioner in writing, under oath, on a form to be prescribed by the commissioner. All licenses shall expire on June thirtieth next following their date of issue.

(b) At the time of making application, every applicant for a collection agency license shall pay a fee of \$100 to the commissioner for investigating the application, unless the applicant is already licensed under this section, and the sum of \$100 as an annual license fee. Such license is not assignable and shall permit operation under it only at or from the location specified in the license. A nonresident of this state may, upon complying with all other provisions of this section, secure a collection agency license provided he maintains an active office in this state.

(b) No licensee shall conduct a collection agency business within any office, room or place of business in which any other business is solicited or engaged in, or in association or conjunction therewith, except as may be authorized in writing by the commissioner upon his finding that the character of such other business is such that the granting of such authority would not facilitate evasion of this section or the lawful orders issued thereunder.

(5) REVOCATION; SUSPENSION; REINSTATEMENT OF LICENSES. (a) The commissioner may suspend or revoke any license issued under this section if he finds that:

1. The licensee has violated any of the provisions of this section or any lawful order of the commissioner made thereunder;

3. The licensee has failed to pay the annual license fee or to maintain in effect the bond required under sub. (3) (d);

4. The licensee has failed to remit money due to any and all claimants or forwarders within 30 days from the close of the month during which the collection was effected; or

(c) In the event of the death of a licensee, if the licensee is an individual, or of the partners, if the licensee is a partnership, the license of the agency shall terminate as of the date of death of said licensee, except the commissioner may reinstate a license if the estate of the former licensee signifies to the commissioner within 45 days its intention to continue the business of the agency.

(6) LICENSES; POSTING; CHANGES OF LOCATION; RENEWAL. (a) Whenever a collection agency shall contemplate a change of its place of business to another location within the same city or village, it shall give written notice thereof to the commissioner, who shall attach to the license his authorization of such removal, specifying the date thereof and the new location. Such authorization shall be authority for the operation of such business under the same license at the specified new location. All collection agency licenses shall be conspicuously posted in the office of the licensee.

(b) Every licensee applying for a renewal of his license shall, on or before the first day of June, pay in advance to the commissioner the annual license fee.

(c) Before discontinuing operating as a collection agency under the provisions of this section, every licensee shall furnish the commissioner with proof in a form to be determined by the commissioner and approved by the advisory committee that:

1. Proper remittance has been made to all claimants or forwarders on money collected.

2. All accounts have been returned to the claimants or forwarders.

3. All valuable papers given to the licensee by the claimant or forwarder in connection with claims have been returned to the claimants or forwarders.

(a) To issue any general or special order in execution of or supplementary to this chapter to protect the public from oppressive or deceptive practices of licensees and to prevent evasions of this chapter.

(b) For the purpose of discovering violations of this section the commissioner may cause an investigation to be made of the business of the licensee transacted under the provisions of this section, and shall cause an investigation to be made of convictions reported to him by any district attorney for violation by a licensee of any of the provisions of this section. The place of

business, books of accounts, papers, records, safes and vaults of said licensee shall be open to inspection and examination by the commissioner or his representative for the purpose of such investigation and the commissioner shall have authority to examine under oath all persons whose testimony he may require relative to said investigation. The cost of the first investigation or examination during any licensing year shall be paid by the licensee, but the cost of additional investigation or examination during such year shall be paid by the licensee only if such examination discloses violation of sub. (5) (a) 4. Said cost shall be determined by prorating the amount of salaries and expenses of all examiners, employes and other persons engaged in examining licensees under this section, if any, and any other expenses which may be attributable thereto. The licensee shall pay the cost of any hearing including witness fees, unless it be found by the commissioner, board of review or court that licensee has not violated any provision of this section. All said costs shall be paid by the licensee within 30 days after demand therefor by the commissioner. The state may maintain an action for the recovery of such costs and expenses in any court of competent jurisdiction.

(c) To appoint advisers from the individuals engaged in the collection business in the state and in any locality, which advisers shall be consulted by and shall assist the commissioner in the execution of his duties under the provisions of this section. The commissioner may appoint such advisers as deputies. Such persons, either as advisers or deputies, shall receive no compensation for their services but may be reimbursed for their actual and necessary traveling expenses. Such expenses shall be audited and paid and charged to the commissioner for the administration of this chapter.

(d) To make all necessary or proper orders, rules and regulations for the administration and enforcement of this section.

(8) HEARINGS AND ORDERS. The commissioner shall have the same power to conduct hearings, take testimony and secure evidence as is provided in ss. 217.17, 217.18 and 217.19.

(9m) DELINQUENT COLLECTION AGENCIES; COMMISSIONER MAY TAKE POSSESSION. (a) If the commissioner finds that a licensee is insolvent or that he has collected accounts but has failed to remit money due to any claimant or forwarder within 30 days from the end of the month in which collection was made, and it is necessary to

protect the interest of the public or when the license of a collection agency has expired or has terminated for any reason whatsoever, he may take possession of the assets and the books and records of the licensee for the purpose of liquidating its business, and for such other relief as the nature of the case and the interest of the claimants or forwarders may require. The liquidation of business shall be made by and under the supervision of the commissioner either in the name of the commissioner or in the name of the licensee and the commissioner or his successor shall be vested with title to all of the assets including the proceeds of the bond or bonds which have been filed with the commissioner as provided for under sub. (3) (d), and the proceeds of any and all money paid direct to the claimant or forwarder by the debtor prior to the date said license has terminated. Money paid to the licensee or to the commissioner after the termination of the license shall be disposed of by the commissioner with the approval of the circuit court.

(b) In taking possession of the property and business of any such collection agency, the commissioner shall forthwith give notice to any and all banks or bank corporations holding or in possession of any bank balances or assets of such agency and thereafter such assets shall be held subject to the order of the commissioner.

(c) In addition to the authority conferred by par. (b), the commissioner may, with the approval of the circuit court for the county wherein the main office is located, for the purposes of collection or liquidation, sell, assign, convey and transfer or approve the sale, assignment, conveyance and transfer of the assets of such collection agency under such terms and conditions as the commissioner may deem for the best interests of the claimants of such collection agency.

(d) The provisions of s. 220.08 (3b), (4), (6), (7), (8), (13), (14) and (17) shall apply to this section insofar as they are applicable.

(e) The commissioner shall cause notice to be given by publication of a class 3 notice, under ch. 985, if no action has been commenced under par.

(f), calling on all persons who may have claims against such licensee, to present the same to the commissioner, and make legal proof thereof at a place and within a time, to be therein specified.

The commissioner may mail a similar notice to all persons whose names appear as claimants or forwarders upon the books and records of the licensee or as may appear in the records of the commissioner on the sworn reports required to be furnished the commissioner according to the provisions of sub. (10). Any claimant or forwarder whose portion of the collection or collections has not been properly remitted shall file a claim which shall be considered as a preferred

claim for the amount actually due the claimant or forwarder after deducting any commission or fee that may be due and owing the licensee. If the commissioner doubts the justice and validity of any claim, he may reject the same and serve notice of such rejection upon the claimant either by mail or personally. An affidavit of the service of such notice, which shall be prima facie evidence thereof, shall be filed with the commissioner. An action upon a claim so rejected must be brought in the circuit court for the county wherein the licensee is located within 30 days after such service of such notice of rejection of claim has been filed. Claims presented after the expiration of the time fixed in the notice to the claimants or forwarders shall be entitled to receive only liquidating dividends declared after presentation, unless otherwise ordered by the court. The court may fix a date after which all claims shall be barred.

(f) Whenever any agency, of whose assets and business the commissioner has taken possession, as aforesaid, deems itself aggrieved thereby, it may, at any time within 10 days after such taking possession, apply to the circuit court for the county in which the main office of such agency is located to enjoin further proceedings; and such court, after citing the commissioner to show cause why further proceedings should not be enjoined and hearing the allegations and proofs of the parties and determining the facts, may, upon the merits dismiss such application or enjoin the commissioner from further proceedings, and direct him to surrender such business and property to such agency.

(g) Whenever the commissioner shall have paid to each and every claimant or forwarder of such collection agency whose claims as such claimant or forwarder have been duly proved and allowed the full amount of such claims and shall have made proper provisions for unclaimed and unpaid collections and shall have paid all the expenses of the liquidation, he shall liquidate the remaining assets exclusive of the proceeds of the bond or bonds for the benefit of the general creditors; or if no claims have been filed by or in behalf of the general creditors, the commissioner shall turn over the remaining assets to the circuit court for further disposition.

(h) All accounts and valuable papers given to the agency by the claimant or forwarder in possession of the commissioner, pertaining to accounts placed with the agency for collection shall be returned to the claimant or forwarded by the commissioner within 30 days after verification of the claim has been made.

(10) ANNUAL REPORT; RECORDS. (a) Each licensee shall annually, on or before the fifteenth day of March, file a report with the commissioner giving such reasonable and relevant infor-

mation as the commissioner may, by general or special order, require concerning the business and operations conducted by such licensee within the state. Such report shall be made under oath and shall be in the form prescribed by the commissioner.

(b) The commissioner shall require the licensee to keep such books and records in his place of business as will enable the commissioner to determine whether the provisions of this section are being complied with. Every such licensee shall preserve the records of final entry used in such business for a period of at least 6 years after final remittance is made on any account placed with the licensee for collection or after any account has been returned to the claimant on which one or more payments have been paid.

(11) **SUBTERFUGE.** The provisions of this chapter shall apply to any licensee or other person who, by any device, subterfuge or pretense whatever, shall make a pretended purchase or a pretended assignment of accounts from any other person for the purpose of evading the provisions of this section.

(12) **PENALTIES.** Any person who shall violate any provision of this section shall be guilty of a misdemeanor and, for each and every such offense shall, upon conviction thereof, be punished by a fine of not more than \$1,000 or by imprisonment in the county jail for not more than 6 months, or by both such fine and imprisonment.

(13) **ENFORCEMENT.** It shall be the duty of the commissioner and he shall have power, jurisdiction and authority to investigate, ascertain and determine whether this section or the lawful orders issued hereunder are being violated and for such purposes the commissioner shall have all the powers conferred by subs. (4) and (5). The commissioner shall report all violations to the district attorney of the proper county for prosecution.

SUBCHAPTER IV

COMMUNITY CURRENCY EXCHANGES

218.05 Community currency exchanges.

(1) **DEFINITIONS.** As used in this section:

(a) "Commissioner" means the commissioner of banking.

(b) "Community currency exchange" means any person, except banks incorporated under the laws of this state and national banks organized

pursuant to the laws of the United States and any credit union operating under ch. 186 which obtains a certificate of authority from the commissioner, engaged in the business of and providing facilities for cashing checks, drafts, money orders and all other evidences of money acceptable to such community currency exchange for a fee, service charge or other consideration. Nothing in this section shall be held to apply to any person engaged in the business of transporting for hire, bullion, currency, securities, negotiable or nonnegotiable documents, jewels or other property of great monetary value nor to any person engaged in the business of selling tangible personal property at retail nor to any person licensed to practice a profession or licensed to engage in any business in this state, who, in the course of such business or profession and, as an incident thereto, cashes checks, drafts, money orders or other evidences of money.

(2) **LICENSES REQUIRED.** After July 1, 1945, no person, firm, association, partnership or corporation shall engage in the business of a community currency exchange without first securing a license to do so from the commissioner as required by this section.

(3) **LICENSES; APPLICATIONS; FEES; BOND.**
(a) Application for such license shall be in writing, under oath, on a form to be prescribed by the commissioner. Each application shall contain the following information:

1. The full name and address (both of residence and place of business) of the applicant, and if the applicant is a partnership or association, of every member thereof, and the name and business address if the applicant is a corporation.

2. The county and municipality, with street and number, if any, where the community currency exchange is to be conducted; and

3. Such other information as the commissioner may require.

(b) Such application shall be accompanied by a fee of \$100 for the cost of investigating the applicant. When the application has been approved by the commissioner and the applicant so advised, the applicant shall pay an additional \$100 as an annual license fee for a period terminating on the last day of the current calendar year.

(c) Before any license is issued to a community currency exchange the applicant shall file annually with and have approved by the commissioner a surety bond in the principal sum of \$5,000, issued by an insurer authorized to do business in this state. The bond shall run to the state of Wisconsin and shall be for the benefit of any creditors of the community currency exchange for any liability incurred for any sum

due to any payee of any check, draft or money order left with the community currency exchange for collection, and also for any penalties that may be imposed under this section. If the commissioner finds at any time the bond is insecure or exhausted or otherwise doubtful, an additional bond in like amount to be approved by the commissioner shall be filed by the licensee within 30 days after written demand by the commissioner.

(4) LICENSES; ISSUANCE; DENIAL. If the commissioner shall find after investigation that the applicant is (a) trustworthy and reputable, (b) that he has business experience qualifying him to competently conduct, operate, own, or become associated with a community currency exchange, (c) that he has a good business reputation and is worthy of a license, the commissioner shall issue to the applicant qualifying hereunder, a license to operate a community currency exchange at the location specified in the application, which license shall remain in full force and effect until it is surrendered by the licensee or revoked by the commissioner. If the commissioner shall not so find, he shall not issue such license and shall notify the applicant of such denial, retaining the investigation fee to cover the cost of investigating the applicant. The commissioner shall approve or deny every application within 30 days from the filing thereof. No application shall be denied unless the applicant has had notice of a hearing on said application and an opportunity to be heard thereon. If the application is denied, the commissioner shall, within 20 days thereafter, prepare and keep on file in his office a written order of denial which shall contain his findings with respect thereto and the reasons supporting the denial, and shall mail a copy thereof to the applicant at the address set forth in the application, within 5 days after the filing of such order.

(5) FORBIDDEN TO ACT AS DEPOSITORY. No community currency exchange shall be permitted to accept money or evidences of money as a deposit to be returned to the depositor or upon the depositor's order; and no community currency exchange shall be permitted to act as bailee or agent for persons, to hold money or evidences thereof or the proceeds therefrom for the use and benefit of the owners thereof and deliver such money or proceeds of evidence of money upon request or direction of such owner.

(6) INSURANCE. Every applicant for a license under this section shall, after the application for a license has been approved, submit a policy or policies of insurance to be approved by the commissioner, issued by an insurer authorized to do business in this state, which insures the applicant against loss by burglary, larceny, rob-

bery, forgery or embezzlement in a principal sum determined by the commissioner. Any such policy, with respect to forgery, may carry a condition that the community currency exchange assumes the first \$50 of each claim thereunder.

(8) OTHER BUSINESS FORBIDDEN. A community currency exchange shall not be conducted as a department of another business. It must be an entity, financed and conducted as a separate business unit. This shall not prevent a community currency exchange from leasing a part of the premises of another business for the conduct of this business on the same premises; provided, that no community currency exchange shall be conducted on the same premises with a business whose chief source of revenue is derived from the sale of alcohol beverages for consumption on the premises. This subsection shall not apply when such other business is subject to any statute which provides for supervision and examination by the commissioner.

(9) TOKENS. No community currency exchange shall issue tokens to be used in lieu of money for the purchase of goods or services from any enterprise.

(10) LICENSES; POSTING; ASSIGNMENT; NUMBER; CHANGE OF LOCATION. (a) Such license shall state the name of the licensee and the address at which the business is to be conducted. Such license shall be kept conspicuously posted in the place of business of the licensee and shall not be transferable or assignable.

(b) No more than one place of business shall be maintained under the same license, but the commissioner may issue more than one license to the same licensee upon the compliance with the provisions of this section governing an original issuance of a license, for each new license.

(c) Whenever a licensee shall wish to change his place of business to any location other than that originally set forth in his license, he shall give written notice thereof to the commissioner and if the change is approved the commissioner shall attach to the license, in writing, a rider stating the new address or location of the community currency exchange.

(11) RENEWAL. Every licensee shall, on or before December 20, pay to the commissioner the sum of \$50 as an annual license fee for the next succeeding calendar year and shall at the same time file with the commissioner the annual bond and insurance policy or policies in the same amount and of the same character as required by subs. (3) (c) and (6).

(12) REVOCATION; SURRENDER; NOTICE. (a) The commissioner may, upon 10 days' notice to the licensee by mail directed to the licensee at the address set forth in the license,

stating the contemplated action and in general the grounds therefor, and upon reasonable opportunity to be heard prior to such action, revoke any license issued hereunder if he shall find that:

1. The licensee has failed to pay the annual license fee or to maintain in effect the required bond or insurance policy or policies or to comply with any order, decision or finding of the commissioner made pursuant to this section.

2. The licensee has violated any provision of this section or any regulation or direction made by the commissioner under this section.

3. Any fact or condition exists which, if it had existed at the time of the original application for such license, would have warranted the commissioner in refusing the issuance of the license.

(b) The commissioner may revoke only the particular license with respect to which grounds for revocation may occur or exist, or if he shall find that such grounds for revocation are of general application to all offices or to more than one office operated by such licensee, he may revoke all of the licenses issued to such licensee or such number of licenses to which such grounds apply.

(c) A licensee may surrender any license by delivering to the commissioner written notice that he surrenders such license, but such surrender shall not affect such licensee's civil or criminal liability for acts committed prior to such surrender, or affect his bond, or entitle such licensee to a return of any part of the annual license fee.

(d) Every license issued hereunder shall remain in force until the same has been surrendered or revoked in accordance with this section, but the commissioner may on his own motion issue new licenses to a licensee whose license or licenses shall have been revoked if no fact or condition then exists which clearly would have warranted the commissioner in refusing originally the issuance of such license under this section.

(e) No license shall be revoked until the licensee has had notice of a hearing thereon and an opportunity to be heard. When any license is so revoked, the commissioner shall within 20 days thereafter, prepare and keep on file in his office, a written order or decision of revocation which shall contain his findings with respect thereto and the reasons supporting the revocation and shall send by mail a copy thereof to the licensee at the address set forth in the license within 5 days after the filing in his office of such order, finding or decision.

(13) **REVIEW OF ORDERS.** Any person aggrieved by any order of the commissioner made under this section may have a review thereof by

the consumer credit review board under s. 220.037.

(14) **ANNUAL REPORT; EXAMINATION.** Each licensee shall annually, on or before February 15, file a report with the commissioner (which shall be used only for the official purposes of the commissioner) giving such relevant information as the commissioner may reasonably require concerning, and for the purpose of examining, the business and operations during the preceding calendar year of each licensed place of business conducted by such licensee within the state. Such report shall be made under oath and shall be in the form prescribed by the commissioner. The commissioner may at any time and at least once in each year investigate the community currency exchange business of any licensee and of every person, partnership, association and corporation who or which shall be engaged in the business of operating a community currency exchange. For that purpose, the commissioner shall have free access to the offices and places of business and to such records of all such persons, firms, partnerships, associations and corporations and to the officers and directors thereof that shall relate to such community currency exchange business. The commissioner may require the attendance for examination under oath of all persons whose testimony he may require relative to such business, and in such cases the commissioner, or any qualified representative of the commissioner, may administer oaths to all such persons called as witnesses, and the commissioner, or his representative, may conduct such examinations, and there shall be paid to the commissioner by the licensee for each examination a fee of \$20 for each day or part thereof required to conduct the examination.

(b) The application shall be accompanied by the required fee, which shall not exceed \$50.

(c) The department may require in such application, or otherwise, information relating to the applicant's solvency, financial standing or other pertinent matter, commensurate with the safeguarding of the public interest in the locality in which the applicant proposes to engage in business, all of which may be considered by the department in determining the fitness of the applicant to engage in business as set forth in this section.

(d) All licenses shall be granted or refused within 30 days after application therefor, and shall expire, unless sooner revoked or suspended, on December 31 of the calendar year for which they are granted.

(e) Each license shall specify the location of the office or branch for which it is issued and must be available for inspection there. In case such location is changed, the department shall endorse the change of location on the license without charge if it is within the same municipality. A change of license to another municipality shall require a new license.

(3) A license may be denied, suspended or revoked on any of the following grounds:

(a) Proof of unfitness of applicant.

(b) Material misstatement in application for license.

(5) (a) No license may be suspended or revoked except after a hearing thereon.

(b) Except as provided in par. (c), the office of the commissioner of transportation shall give the licensee at least 5 days' notice of the time and place of the hearing. The order suspending or revoking the license shall not be effective until after 10 days' written notice thereof to the licensee, after the hearing has been had.

(c) When the department finds that the best interest of the public or the trade demands such action, the department may suspend a license upon not less than 24 hours' notice of hearing and with not less than 24 hours' notice of the suspension of the license.

(6) The department may inspect the pertinent books, records, letters and contracts of a licensee. The actual cost of each such examination shall be paid by the licensee so examined within 30 days after demand therefor by the department, and the department may maintain an action for the recovery of the costs in any court of competent jurisdiction.

(7) If a licensee is a firm or corporation, it shall be sufficient cause for the denial, suspension or revocation of a license that any officer, director or trustee of the firm or corporation, or any member in case of a partnership, has been guilty of any act or omission which would be cause for refusing, suspending or revoking a license to the party as an individual. Each licensee shall be responsible for the acts of any or all salespersons while acting as the licensee's agent, if the licensee approved of or had knowledge of the acts or other similar acts and after such approval or knowledge retained the benefit, proceeds, profits or advantages accruing from the acts or otherwise ratified the acts.
