(5) **IMPOUNDMENT FEE.** In counties having a population of 500,000 or more and in counties in which the county board requires an impoundment fee, the owner of an impounded dog shall pay an impoundment fee to the officer or pound to whom the dog was delivered. 174.05 Dog license tax. (1) REQUIREMENT. Except as provided in s. 174.054, the owner of a dog more than 5 months of age on January 1 of any year, or 5 months of age within the license year, shall annually, on or before the date the dog becomes 5 months of age, pay the dog license tax and obtain a license.

(2) TAX. The minimum dog license tax is \$2 for a neutered male dog or spayed female dog, upon presentation of evidence that the dog is neutered or spayed, and \$5 for an unneutered male dog or unsplayed female dog, or one-half of these amounts if the dog became 5 months of age after July 1 of the license year.

(3) ADDITIONAL TAX. The governing body of any county may by a majority vote of the members present at any regular meeting raise the minimum dog license tax on dogs within its

jurisdiction and the governing body of any town, village or city may by resolution raise the minimum dog license tax on dogs within its jurisdiction. If the governing body of any county, town, village or city increases the minimum tax, it shall provide that the tax for unneutered male dogs and unsplayed female dogs is greater than the tax for neutered male dogs and spayed female dogs. The additional tax may not exceed the total cost of all dog licensing, regulating and impounding activities for the previous year, less any refunds which may be received under s. 174.09 (2), and shall be levied and collected in the same manner as other dog license taxes.

(4) LICENSE YEAR. The license year commences on January 1 and ends on the following December 31.

(5) LATE FEES. The collecting official shall assess and collect a late fee of \$5 from every owner of a dog 5 months of age or over, if the owner failed to obtain a license prior to April 1 of each year, or within 30 days of acquiring ownership of a licensable dog or if the owner failed to obtain a license on or before the dog reached licensable age. All late fees received or collected shall be paid into the local treasury as revenue of the town, village or city in which the license was issued. 174.053 Kennel licenses. (1) KENNEL LICENSE OPTION. Any person who keeps or operates a kennel may, instead of the license tax for each dog required by this chapter, apply to the collecting official for a kennel license for the

keeping or operating of the kennel. Such person shall pay for the license year a license tax of \$30 for a kennel of 12 or fewer dogs and an additional \$3 for each dog in excess of 12. Upon payment of the required kennel license tax and upon presentation of evidence that all dogs over 5 months of age are currently immunized against rabies, the collecting official shall issue the kennel license and a number of tags equal to the number of dogs authorized to be kept in the kennel.

(2) KENNEL LICENSE TAGS. Kennel license tags shall be made in a form so that they may be readily distinguishable from the individual license tags for the same year. The owner or keeper of a kennel shall keep at all times a kennel license tag attached to the collar of each dog over 5 months old kept by the owner or keeper under a kennel license but this requirement does not apply to a dog during competition or training, to a dog securely confined indoors, to a dog while hunting or to a dog securely confined in a fenced area. These tags may be transferred from one dog to another within the kennel whenever any dog is removed from the kennel. The rabies vaccination tag or substitute tag shall remain attached to the dog for which it is issued at all times but this requirement does not apply to a dog during competition or training, to a dog securely confined indoors, to a dog while hunting or to a dog securely confined in a fenced area. No dog bearing a kennel tag shall be permitted to stray or to be taken anywhere outside the limits of the kennel unless the dog is in leash or temporarily out for the purposes of hunting, breeding, trial, training or competition.

(3) APPLICABILITY OF OTHER REQUIREMENTS. Unless clearly inapplicable, all the provisions of this chapter relating to the individual dog license tax, licenses and tags shall apply to the kennel license and tags.
