SUBCHAPTER I

ELECTION NOTICES

10.01 Election notice form. (1) The form of the various election notices shall be prescribed by the board to standardize election notices. To accomplish this purpose, the board shall make rules and draft whatever forms it considers necessary. Notification or certification lists of candidates or referenda questions sent to the county clerks shall prescribe the form in which the county clerks shall publish the relevant portions of the notice and any additional county offices and referenda questions. The board shall also prescribe the provisions for municipal notices which shall be sent to each county clerk who shall immediately forward them to each municipal clerk.

(2) For election purposes there shall be 5 basic types of notices, modified as necessary to apply to the various elections, which shall be published in substantially the same form as prescribed by the board. The 5 types of notices are:

(a) Type A—The type A notice shall be entitled “Notice of Election”. The notice shall list the date of the election; the offices to be filled and the incumbent for each; the length of the term of office and the expiration date; and the beginning date for circulating and the deadline for filing nomination papers for the offices listed. Whenever an election for candidates to be elected from districts is noticed, the notice shall contain a statement specifying where information concerning district boundaries may be obtained. If a redistricting since the most recent election makes the description of the incumbent’s office of limited usefulness, the notice may contain supplementary information describing the territory in which an election is to be held. The type A notice shall be published once by the county clerks, and, for municipal elections, once by the municipal clerks at the times designated in s. 10.06.

(b) Type B—The type B notice shall give the relevant facsimile ballots and the relevant portions of voting instructions to electors under s. 10.02 and the date of the primary or election. In counties or municipalities where an electronic voting system employing a ballot label and ballot card is used, the notice shall include the information specified in s. 5.94. This notice shall be published once by the county clerks, and for municipal elections, once by the municipal clerks on the Monday preceding an election. If there is no newspaper published within the municipality, the governing body of the municipality may choose to post 3 notices in lieu of publication. Whenever posting is used, the notices shall be posted at

least one week before the election for which the posting is intended to give notice.

(c) Type C—The type C notice shall be entitled “Notice of Referendum”. The notice shall be given whenever a referendum question is submitted to a vote of the people. The notice shall contain the date of the referendum, the entire text of the question and the proposed enactment, if any, as well as an explanatory statement of the effect of either a “yes” or “no” vote. For state questions, the statement shall be prepared by the attorney general. For county questions, the statement shall be prepared by the corporation counsel, or if there is no corporation counsel, by the district attorney. For other questions, the statement shall be prepared by the attorney for the jurisdiction in which the question is proposed. County clerks and, for local referenda questions, municipal clerks shall publish the notice once at the same time that the type B notice is published. The type C notice shall be printed in the newspaper as close as possible to that portion of the type B notice showing the facsimile ballot containing the referendum question.

(d) Type D—The type D notice shall state the hours the polls will be open and the polling locations or a concise statement of how polling location information may be obtained. In cities over 500,000 population, the board of election commissioners shall determine the form of the notice. In other municipalities, municipal clerks shall give the polling location information as each determines or the municipal governing body decides will most effectively inform the electors. The type D notice shall be published by the municipal clerk or board of election commissioners of each municipality once on the day before each election at which the electors of that municipality are entitled to vote.

(e) Type E—The type E notice shall state the qualifications for absentee voting, the procedures for obtaining an absentee ballot in the case of registered and unregistered voters, and the places and the deadlines for application and return of application. The municipal clerk shall publish one notice on the 4th Tuesday preceding each spring primary and election, and each September primary and election.

History: 1973 c. 334 s. 57; 1975 c. 275; 1979 c. 260, 311; 1983 a. 484; 1985 a. 304.

10.02 Type B notice content. (1) Before any election an appropriate type B notice shall be published in substantially the form prescribed by the board at the times prescribed in s. 10.06. The type B notice shall include the following relevant sections and be within the guidelines established in this section.

(2) (a) The headline or caption, the introductory paragraph and the voting instructions shall be printed once at the beginning of the notice followed by a facsimile of each ballot to be used at the election. The headline or caption shall be conspicuously displayed, but the caption together with the necessary spacing above and below shall not exceed 1 1/4 inches in depth. The introductory paragraph and voting instructions shall be set solid in the type of the regular reading matter of the newspaper but no smaller than 5 1/2-point nor larger than 10-point type.

(b) Following the introductory paragraph, but preceding the facsimile ballot notice, shall appear the statement of information to electors in the form prescribed in sub. (3).

(c) The facsimile ballots shall follow the voting instructions. The size and style of type and the general display of the facsimile ballots shall be prescribed by the board and shall conform to the form prescribed by the board under s. 7.08 (1) (a). The party columns shall not exceed 2-1/6 inches in width and the ballot size may be reduced. Voting machine facsimile ballots shall show a reduced diagram of the front of the voting machine and instructions to electors on how to vote on the machine. If the ballots in the wards or election districts within a county or municipality are identical but for the names of different candidates, districts or seats, the facsimile ballot may show the ballot for one ward or election district, accompanied by a list of candidates, districts and seats to be voted upon in the other wards or election districts.

(3) The notice shall contain the following:

**FACSIMILE BALLOT NOTICE
OF ELECTION**

Office of [County] [Municipal] Clerk.

To the Electors of [County] [Municipality]:

Notice is hereby given of a election to be held in the several wards in the [county] [municipality] of, on the day of, 19.., at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column, together with the questions submitted to a vote, in the sample ballot below.

INFORMATION TO ELECTORS

Except where a different statement is prescribed by the board for use in whole or in part by municipalities using electronic voting systems under s. 5.95, the voting instructions shall be given substantially as follows:

(a) Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of 2 inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot, except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

(b) 1. If an elector wishes to vote for all candidates nominated by any party, the elector shall make a cross (X) in the circle or depress the lever or button under the party designation printed at the top of the ballot. Unless a name has been erased or crossed out, another name written in, a cross made to the right of a candidate for the same office in another column or a sticker applied, a cross in the circle at the top of the column is a vote for all the party's candidates listed in the column. If an elector does not wish to vote for all the candidates nominated by one party, the elector shall make a

cross (X) in the square at the right of or separately depress the levers or buttons next to each candidate's name for whom he or she intends to vote, or shall insert or write in the name of a candidate.

2. At a special partisan primary, the elector shall select the party ballot of his or her choice and shall make a cross (X) in the square at the right of or depress the lever or button next to the candidate's name for each office for whom the elector intends to vote, or shall insert or write in the name of the elector's choice for a candidate.

2m. At the September primary, the elector shall select the party ballot of his or her choice or the ballot containing the names of the independent candidates for state office, and make a cross (X) in the square at the right of or depress the lever or button next to the candidate's name for each office for whom the elector intends to vote or insert or write in the name of the elector's choice for a party candidate, if any. In order to qualify for participation in the Wisconsin election campaign fund, a candidate for state office at the September primary must receive at least 6% of all votes cast on all ballots for the office for which he or she is a candidate, in addition to other requirements.

3. When casting a presidential preference vote, the elector shall select the party ballot of his or her choice and make a cross (X) in the square at the right of or depress the button or lever next to the candidate's name for whom he or she intends to vote or shall, in the alternative, make a cross (X) in the square at the right of or depress the button or lever next to the words "Uninstructed delegation", or shall write in the name of his or her choice for a candidate.

4. At a nonpartisan primary, the elector shall make a cross (X) in the square at the right of or depress the button or lever next to the candidate's name for each office for whom he or she intends to vote, or insert or write in the name of his or her choice for a candidate.

(c) In presidential elections, the elector shall make a cross (X) in the square at the right of or depress the button or lever next to the set of candidates for president and vice president for whom he or she intends to vote. The vote shall be counted for all the candidates for presidential electors of those candidates.

(d) On referenda questions, the elector shall make a cross (X) in the square at the right of or depress the button or lever next to the answer which he or she intends to give.

(e) The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another in its place, but not more than 3 ballots shall be issued to any one elector. If the ballot has not been initialed by 2 inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than 5 minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

(f) After an official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed endorsements and inspectors' initials on the outside do show. After casting his or her vote, the elector shall leave the voting machine or booth, and where paper ballots are distributed to the electors, deposit his or her folded ballot in the ballot box or deliver it to an inspector for deposit in the box, and shall leave the polling place promptly.

(g) An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official

that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

(h) The following is a facsimile of the official ballot: (insert facsimile of ballot)

(b) Whenever, in chs. 5 to 12, provision is made for publication of an election notice by more than one insertion, this may be done (in counties over 200,000 population) by publication in one or more newspapers on the dates prescribed or in different newspapers at least equal in number to the number of insertions required. When different newspapers are used, the publications shall always be in each newspaper's latest issue preceding the last given date for publishing that notice.

Whenever the manner of giving notice is changed by the governing body, notice of the change shall be given in the manner used before the change.
